TO COTTON PLANTERS.

I TAKE pleasure in announcing that Messrs. MANDEVILLE & McILHENNY are my authorized agents in this city to make contracts for the use of
MY INVENTION
BY THE SEED COTTON ON PLANTATIONS AND ALL BUSINESS IN RELATION TO IT.

I will only say here that I make the same capital, the same location, the same steam power, the same expenses, very nearly that now raise, gins and bales the cotton, to spin it; that, with the addition of machinery costing about one-half what the increased value of the yarns the first year will be, and which is attended by surplus labor of the plantation, in little girls of 8 to 10, women, and old men inefficient as field hands, I DOUBLE, OR MORE THAN DOUBLE THE PLANTER'S NET INCOME.

We spin the best yarns in the world. [illegible] Geo. E. Tyger, near Yazoo City.

Planters desiring more full particulars are referred to my agents, as above.

Applicants for agencies will please address them, in closing testimonials.
