INSTITUTIONS.

MASONIC COLLEGE,

Established by, and under the patronage of the Grand Lodge of Kentucky.

THIS flourishing Institution, Possessing full Collegiate powers, offers peculiar inducements to Southern parents and guardians. Its location is at one of the most beautiful points in Kentucky—La Grange, the County Seat of Oldham Co.—25 miles from Louisville, 18 from Shelbyville, 38 from Frankfort and 8 from Westport, on the Ohio river. The community in which the students mingle, is highly moral, intelligent, and refined, the town containing about 800 inhabitants, free from vicious associations, or contaminating influence. The Course of Study is full, embracing Mathematics, Ancient and modern Languages, Natural and Moral Science. The Faculty consists of the President, who is also Professor of Mental and Moral science, a Professor of mathematics, one of Languages, and a Teacher of the Preparatory Department. The high reputation so deservedly enjoyed by the President, and the zeal and ability heretofore exhibited by the other members of the Faculty, who are graduates of the best Colleges in the land, afford a sure guaranty of their future success.—The terms of tuition are extremely low, viz.

In the Preparatory Department, per year .... $12.
In the College Proper per year .... 20.
Boarding, washing, &c. per week, 1 50 to 1 75.

Scholarships may be had on the following terms—$50 for 5 years tuition—$100 for 10 years—$300 for a perpetual scholarship—in each case, the amount to be paid in advance. On this plan, the whole expense for tuition, boarding, lodgings, washing, fuel, and lights will not exceed $76, per pupil per scholastic year of ten months.

ORLEANS HIGH SCHOOL.
(Lycee d'Orleans.)

THE Directors of the Institution, Messrs EVERETT, WYNDHAM and MERVOYER, having unswervingly acted up to their original plan, as laid down in the Statutes, have succeeded in giving the High School a rank among the best educational establishments in the South.

The seat of the Institution is in a part of the city ever noted for its salubrity. The buildings and premises are admirably adapted to the purposes of a large School.

The system of Education embraces the Grammar and the Literature of the Greek, Latin, French and Spanish Languages, Rhetoric, Poetry and Mythology, History, Geography, the use of the Globes, Book-keeping, Arithmetic, Algebra, Geometry, Plane and Spherical Trigonometry, Surveying, Natural Philosophy, Moral Philosophy, &c.

The various branches of knowledge are taught by the Directors, Messrs EVERETT, WYNDHAM and MERVOYER, and by Assistant Instructors, selected for their eminent skill in the business of Teaching.

The Directors also employ two gentlemen, who enforce correctness of Deportment whenever the pupils are not in a recitation room under the eye of an Instructor.

The Institution receives Boarders, Half-Boarders, and Day Scholars. The price of Board, (washing included,) and Tuition in all or any of the branches is twenty dollars per month. The price of Half-Board is $15 per month.—The price paid by Day Scholars is six, nine, or twelve dollars, according to the knowledge previously acquired.

No interference whatsoever in the internal discipline of the School will be suffered.

The STATUTES, containing all information respecting the School, may be had in the English or in the French language at the principal Book stores in the City. m19

MANDEVILLE COLLEGE.

THE regular course of instruction in this Institution consists of the English, French, Spanish, Latin Languages and Literature. The different branches of the Mathematics, Natural and Moral Philosophy, Book Keeping, &c. The accomplishments taught are Music, Drawing, Fencing and Dancing.

The number of Professors is six, exclusive of the Ushers, and the Teachers of the accomplishments. These gentlemen are experienced in the business of teaching and zealous in the discharge of their duties.

The discipline of the College is strict and fair; it admits no undue interference on the part of parents.

The Lake Pontchartrain, on the shores of which the College is situated, affords the students the benefit of bathing, and a supply of fish for the table. The communication with the parents is rendered easy by the steamers that touch regularly at the Mandeville wharf.

The price of Board and Tuition is $20 monthly. A few parlor boarders can be received at a monthly charge of $35.

The statutes of the College may be had at the different Book sellers and by applying to R J Palfrey, Esq., at the City Bank, the Agent of the College. may 18

EDUCATION IN NEW YORK.
Rev. R. Townsend Huddart's Classical and Commercial Boarding School, 14th Street, between University Place and Fifth Avenue.

THE buildings for this Establishment have been erected expressly for the purposes intended, according to plans carefully prepared with reference to the specific object in view, and whether it be the extent of the accommodation, the general convenience of order, system, and [illegible] or the comfort of the pupils which had to be considered, all have received an equal share of attention, forming altogether one of the best arranged places for education in the city.

[illegible]

The School Department is so constructed as to bring all the classes under the supervision of the Master, from one central point of observation, thus enabling him to cooperate essentially with his Associate Teachers in the maintenance of order and discipline. The desks and seats provided for each pupil, are such as will satisfy every parent, that the growth of the body, and development of the physical frame, have not been forgotten in the arrangements of the establishment.

The situation is perhaps the most eligible which could have been selected, as regards health and facility of access. All the advantages of the best Instructors and Professors are available, whilst the benefits of a country residence are gained, by the play ground and other athletic exercises, which can be enjoyed in the play ground, or in the Gymnasium.

Circulars containing full information may be obtained on application to Samuel J Peters, Esqr.

Mr Huddart respectfully refers to the following gentlemen:—Rev Francis L Hawkes, Samuel J Peters Esqr, Daniel Le Roy Esqr, Jacob Wilcox Esqr, J R Bache Esqr. m19—1m&1w

TARRANT'S EFFERVESCENT SELTZER APERIENT.—The unrivalled reputation which this agreeable preparation enjoys, sanctioned by the most distinguished of the medical faculty, is the surest guarantee of its efficacy, and is conclusive evidence that it will prove one of the most deserving medicines ever introduced, and eminently worthy the patronage of our citizens.

[illegible]

This preparation possesses all the active medicinal properties of the celebrated "Seltzer Spring" of Germany, with such additions and improvements, greatly increasing its beneficial effects—retains all the sparkling effervescence of a glass of soda water—exerts over the system a healthy action, and thus invariably proves its great efficacy and success. A teaspoon full of this Aperient, in a tumbler of water, is sufficient to assist, will generally be found sufficient in all cases of pains in the head, excess of bile and acidity of the stomach. Taken in this manner it never interferes with the avocations of the day, and invariably creates an elasticity of mind and flow of spirits which gives a zest to every enjoyment. In dyspepsia or indigestion, irritability of the stomach or occasional flatulency, a speedy removal of the unpleasant symptoms being requisite, the use of the preparation, in a sufficient quantity, is recommended, to induce a full evacuation of the bowels, thereby affording immediate relief; the unpleasant feeling is removed, the irritability of the stomach soothed, whilst the appetite again resumes its former healthy state.

The energies of that important organ, the liver, may be effectually restored when in a torpid state, or when there is not a due secretion of bile, by the use, for a short period, of a tea spoonful of this Aperient, taken in the morning on rising.

All febrile symptoms will be allayed by taking a tea spoonful occasionally during the day, and being peculiarly grateful to the stomach, forms a delightful effervescent draught.

Captains of vessels would find this preparation a very desirable medicine for family use at home or when travelling. Its agreeable flavor, its life, its medicinal virtues and portability, neatness of preparation and simplicity in using, renders it far superior to any other ever offered to the public.

TESTIMONIALS.

FROM M. PRICE MOORE, M. D.

"I have used your Effervescent Seltzer Aperient in several cases, with very happy results. As a mild Aperient, it has advantage over all other Aperients, particularly in cases of great debility where it is important to save the strength of the patient. It can be made a pleasant drink, and given in such doses as to obtain the object in view. As a family medicine, I think very highly of it; and as such, can be freely used during the summer months."

[Signed] M PRICE MOORE, M. D.
To Mr James Tarrant, No 60 Hudson st.
New York, Nov 18, 1844.

FROM JAMES TRUDEAU, M. D.

"I have often prescribed your Effervescent Seltzer Aperient in this city, and have always been pleased with its operation. It is, in my opinion, a pleasant, safe and mild laxative, calculated to please the most fastidious. To persons residing in warm climates, where a congested state of the liver is a frequent cause of disease, it is a most valuable medicine."

Galvanic Rings and Magnetic Fluid.

THIS remarkable discovery which has attracted so much attention in Europe and recently in the Northern States, is now introduced for the first time to the citizens of New Orleans. It comprises an entirely safe and simple application of the Mysterious Power of Galvanism as a remedial agent. The GALVANIC RINGS in connection with the MAGNETIC FLUID have been used with the most perfect success in all cases of RHEUMATISM, acute or chronic, applying to the head, face or limbs; *Gout, Tic Doloreux, Toothache, Bronchitis, Vertigo, Nervous or Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits, Cramp, Palpitation of the Heart, Apoplexy, Stiffness of Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Dizziness of the Head, Pains in the Chest and Side, General Debility, Deficiency of Nervous and Physical Energy, and all Nervous Disorders.* In cases of *Dyspepsia* which is simply a nervous derangement of the digestive organs, they have been found equally successful. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience.

The Galvanic Belts, Bands, Bracelets, are modifications of the invention, and are recommended in more chronic cases of disease, where the Rings do not possess sufficient intensity or power. They are adapted to the waist, arms, wrists, ancles, chest, or any part of the body with perfect ease. Any Galvanic power that is required may thus be obtained, and no complaint which the mysterious agent of Galvanism can effect, will fail to permanently relieved.

Christie's Magnetic Fluid.

Is used in connection with the Rings and their modifications. This composition has been pronounced by the French Chemists to be one of the most valuable discoveries of modern science. It is believed to possess the remarkable power of *rendering the nerves sensitive to Galvanic action,* by this means causing a concentration of the influence at the seat of disease, and thus giving rapid and permanent relief.

Christie's Galvanic Strengthening Plaster.

These articles form an important addition to the Galvanic Rings, acting upon the same principle, but having the advantage of more local application. *As an effectual means for strengthening the system when debilitated by disease or other causes; as a certain aid in constitutional weakness; as a preventive for colds, and in all affections of the chest generally,* the GALVANIC STRENGTHENING PLASTER will be found of great and permanent advantage.

Numerous certificates and testimonials from many distinguished physicians and others of the North have been received by the Proprietor. These are all from persons of the highest respectability and may be seen on application to the Agent.

The public are respectfully warned against SPURIOUS IMITATIONS of these articles. Dr. CHRISTIE has but one authorized Agent in each city of the Union. GUYON & Co., corner of St Charles and Canal streets, are the sole Agents for New Orleans, of whom alone the genuine articles can be obtained. m1—1m

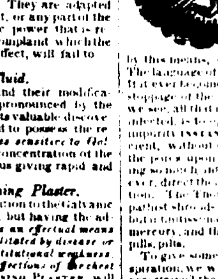
INSENSIBLE PERSPIRATION.



THE preceding figure is given to represent the INSENSIBLE PERSPIRATION.—It is the great EVACUATION for the impurities of the body. It will be noticed that a thick cloudy mist issues from all points of the surface, which indicates that this perspiration flows uninterruptedly when we are in health, but ceases when we are sick. Life cannot be sustained without it. It is thrown off from the blood and other juices of the body, and disposes by this means, of nearly all the impurities within us. The language of Scripture is "in the BLOOD is the Life." If it ever becomes impure it may be traced directly to the stoppage of the INSENSIBLE PERSPIRATION. Thus we see, all that is necessary when the blood is stagnant or infected, is to open the pores and it relieves itself from all impurities instantly. Its own heat and vitality are sufficient, without one particle of medicine, except to open the pores upon the surface. [illegible] All practitioners, however, direct their efforts to the insensible Perspiration. The Thomsonian, for instance, steams, the Hydropathist shrouds us in wet blankets, the Homœopathist deals out infinitissimals, the Allopathist bleeds and doses us with mercury, and the blustering Quack gorges us with pills, pills, pills.

To give some idea of the amount of the Insensible Perspiration, we will state that the learned Dr. Lewenhoeck, ascertained that five-eighths of all we receive into the stomach, passed off by this means. In other words, if we eat and drink eight pounds per day, we evacuate five pounds of it by Insensible Perspiration.

This is none other than the used up particles of the blood, and other juices giving place to the new and fresh ones. To check this, therefore, is to retain in the system five-eighths of all the virulent matter that nature demands should leave the body.

By a sudden transition from heat to cold, the pores are stopped, the perspiration ceases, and disease begins at once to develope itself. Hence a stoppage of this flow of the juices, originates so many complaints.

It is by stopping the pores, that overwhelms mankind with coughs, colds and consumption. Nine tenths of the world die from diseases induced by a stoppage of the Insensible perspiration.

Let me ask now every candid mind, what course seems the most reasonable to pursue, to unstop the pores, after they are closed. Would you give physic to UNSTOP the pores? Or would you apply something that would do this upon the surface, where the clogging actually is? And yet I know of no physician who makes any external application to effect it. Under these circumstances, I present to the physicians, and to all others, McAllister's ALL-HEALING OINTMENT, or the WORLD'S SALVE. It has POWER to restore perspiration on the feet, on the head, around old sores, upon the chest, in short, upon any part of the body, whether diseased slightly or severely.

It has power to cause all external sores, scrofulous humors, skin diseases, poisonous wounds, to discharge their putrid matter, and then heals them.

It is a REMEDY that sweeps off the whole catalogue of cutaneous disorders, and restores the entire cuticle to its healthy functions.

It is a REMEDY that forbids the necessity of so many and deleterious drugs into the stomach.

It is a REMEDY that neither sickens, gives inconvenience, or is dangerous to the intestines.

It preserves and defends the surface from all derangement of its functions. The surface is the outlet for five-eighths of the bile and used up matter within. It is pierced with millions of openings to relieve the intestines. Stop up these pores, and DEATH knocks at your door.—It is rightly termed All Healing, for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last fourteen years for all diseases of the chest, consumption, liver, involving the utmost danger and responsibility, and I declare before Heaven and man, that not in one single case has it failed to benefit, when the patient was within the reach of mortal means.

I have had physicians, learned in the profession; I have had Ministers of the Gospel, Judges on the bench, Aldermen and Lawyers, gentlemen of the highest erudition and MULTITUDES of the POOR use it in every variety of way and there has been but one voice—one united, universal voice—saying, "McAllister, your Ointment is GOOD."

CONSUMPTION.

It can hardly be credited that a salve can have any effect upon the lungs, seated as they are within the system. But if placed upon the chest, it penetrates directly to the lungs, separates the poisonous particles that are consuming them, and expels them from the system.

I need not say that it is curing persons of Consumption continually, although we are told it is foolishness. I care not what is said, so long as I can cure several thousands persons yearly.

HEADACHE.

The Salve has cured persons of the Headache of twelve years standing, and who had it regularly every week, so that vomiting often took place.

Deafness and Ear Ache are helped with like success.

COLD FEET.

Consumption, Liver Complaint, pains in the chest or side, falling off of the hair, one or the other, always accompanies cold feet. It is a sure sign of disease to have cold feet.

The Salve will cure in every case.

In SCROFULA, ERYSIPELAS, SALT RHEUM, SORE THROAT, BRONCHITIS, BROKEN OR SORE BREAST, PILES, ALL CHEST DISEASES, such as ASTHMA, OPPRESSION, PAINS, also, SORE LIPS, CHAPPED HANDS, TUMORS, CUTANEOUS ERUPTIONS, NERVOUS DISEASES, and of the SPINE there is probably no medicine now known so good—and as for BURNS it has no equal in the world!

PIMPLES ON THE FACE, MASCULINE SKIN, GROSS SURFACE.

Its first action is to expel all humor. It will not cease drawing till the face is free from any matter that may be lodged under the skin, and frequently breaking out to the surface. It then heals. When there is nothing but grossness, or dull repulsive surface, it begins to soften and soften until the skin becomes as smooth and delicate as a child's.

WORMS.

If parents knew how fatal most medicines were to children taken inwardly, they would be slow to resort to them. Especially "mercurial lozenges," called "medicated lozenges," "vermifuges," pills, &c. The truth is no one can tell, invariably, when worms are present. Now let me say to parents, that this Salve will always tell if a child has worms. It will DRIVE every vestige of them away.

There is probably no medicine on the face of the earth at once so sure and so safe in the expulsion of worms.

TOILET.

Although I have said little about it as a hair restorative yet I will stake it against the world! They may bring their oils far and near, and mine will restore the hair two cases to their one.

OLD SORES.

That some sores are an outlet to the impurities of the system, is, because they cannot pass off through the natural channels of the Insensible perspiration. If such sores are healed up, the impurities must have some other outlet, or it will endanger life. This Salve will always provide for such emergencies.

RHEUMATISM.

It removes almost immediately the inflammation and swelling, when the pain of course ceases.

FEVERS.

In all cases of fever; the difficulty lies in the pores being locked up, so that the heat and perspiration cannot pass off. If the least moisture could be started, the crisis has passed and the danger over. The All-Healing Ointment will in all cases of fevers almost instantly unlock the skin and bring forth the perspiration.

SCALD-HEAD.

We have cured cases that actually defied every thing known, as well as the ability of fifteen or twenty doctors. One man told us he had spent $500 on his children without any benefit, when a few boxes of the Ointment cured them.

CORNS.

Occasional use of the Ointment will always keep corns from growing. People need never be troubled with them if they will use it.

AS A FAMILY MEDICINE.

No man can measure its value. So long as the stars roll over the Heavens—so long as man treads the earth, subject to all infirmities of the flesh—so long as disease and sickness is known—just so long will this Ointment be used and esteemed. When man ceases from off the earth, then the demand will cease, and not till then.

JAMES McALLISTER & CO.

Sole proprietors of the above Medicine; Price 25 cents and 50 cents.

CAUTION.

As the All-Healing Ointment has been greatly counterfeited, we have given this Caution to the public that "no Ointment will be genuine unless the names of James McALLISTER & Co., are WRITTEN WITH A PEN upon EVERY label."

Now we hereby offer a reward of $500 to be paid on conviction in any of the constituted courts of the United States, of any individual counterfeiting our name and Ointment.
