COMMERCIAL.

OFFICE OF THE BEE,
Friday Evening, July 6, 1860.

The market generally has been without much animation during the past week, and Cotton especially continues very dull, though in Tobacco we have noticed an increased amount of business, and contrary to a supply of Western Produce have been very firm. In Sugar and Molasses operations are still restricted by limited supplies, and the rates are pretty well maintained. In Flour and most kinds of Provisions we [illegible] an advance in prices, but in Grain buyers have had the advantage. Freights have been firm, but still quiet. Sterling Exchange the market has [illegible].

[illegible] advices, embracing Liverpool dates of 23d and 24th ultimo. They reported sales of 65,000 bales of Cotton during the week, including 2000 for speculation and 17,000 for export. A decline of 1/8d was reported on the middling and lower grades, while the better qualities were unchanged. Fair Orleans were quoted at 7 3/4d. and Middling at 6 1/8d. The stock on hand was 1,383,000 bales, including 1,114,000 American.

The market has exhibited increased dullness during the past week, the demand being confined to a few parties, who have taken some small lots to complete orders or freight engagements. The sales have reached barely 1250 bales, of which 200 on Saturday, 250 on Tuesday, 300 yesterday, and 100 to-day, Monday being passed without a sale, and Wednesday being the Fourth of July, and generally observed as a holiday. Prices have been in favor of buyers, but very irregular, and our quotations are merely nominal:

There has been an improved demand for Tobacco, though the market still wears a rather heavy appearance, under the influence of a large stock and the promise of a large growing crop. MISCELLANEOUS.

CAUTION TO THE PUBLIC.

FRAUDULENT IMITATIONS OF

HOSTETTER'S STOMACH BITTERS.

AS a measure of self-defence, and in order to warn and protect our customers in all parts of the Union, we deem it our duty to expose a deep-laid and wide-spread conspiracy now existing in the South and West, for the counterfeiting of our CELEBRATED STOMACH BITTERS!

We have been for some time past engaged in ferreting out and prosecuting the parties concerned in this nefarious and despicable business, and expect to visit upon them the full penalty of the violated law. Villainy, like death, "loves a shining mark," and the harpies who subsist by pirating proprietary preparations have exhibited a cunning almost equal to their rascality, in selecting for fraudulent imitation the most popular stomachic and alterative manufactured in this or any other country. Large quantities have, we understand, been thrown upon the market in our Southern and Western cities, and exported to Spanish America, and dealers from whom better things might have been expected, have, in some instances, connived at the imposition for the purpose of sharing in the plunder. On the principle that the receiver is as culpable as the thief, and that the utterer of spurious money is as criminal as the forger, the maker and the vender of the counterfeits of HOSTETTER'S STOMACH BITTERS may be said to stand on the same moral level.

We have already commenced suit against Dan'l L. Ellmore, Benjamin A. Johnson, of New Orleans; Frazer & Buchanan, Mobile, Alabama; T. Cox & Co., James Clark and C. H. Bothwith & Co., of Chicago; Wm. F. Lawrence, Thos. Hostetter, Henry Ihmsen, Charles H. Ihmsen and Victor S. Jourdan, of St. Louis.

In all the cases that have been brought into Court, injunctions have been issued restraining the defendants from selling their deleterious trash under the name of HOSTETTER'S STOMACH BITTERS.

As this, our TRADE MARK, has been pirated on the label and boxes of the spurious stuff, or some very close resemblance to it, there can be no doubt as to the issue of the impending trials.

In the meantime, in order to shield ourselves and the public as far as possible against the fraud mongers, we have had a new and beautiful label engraved on steel, which hereafter will be found on our bottle in addition to the old bronzed label, which these pettifogging pirates will find much more difficult as well as dangerous to imitate. It cannot be counterfeited without the committal of a felony. The principal feature of the new label is a superb Vignette of St. George and the Dragon, below which is a black countersign with the following inscription.

The best evidence of the merit of an article is the disposition to produce counterfeits, and WE REGARD IT as the strongest testimony to the value of HOSTETTER'S CELEBRATED STOMACH BITTERS, that attempts of this description have been frequent. A due consideration of the public welfare has induced us to obtain a fine engraving, of which this is a fac-simile, and to append our note of hand, which cannot be counterfeited without the perpetration of A FELONY.

Under the above, and at the bottom of the label, is a miniature engraving of a note of hand for one cent, signed "Hostetter & Smith," to counterfeit which is a State prison offence. The pictorial portion of the label is engraved with the words "HOSTETTER'S CELEBRATED STOMACH BITTERS," in heavy black letters, and the whole is surrounded with a narrow ornamental border.

It is hoped that this precaution will secure the public from being further imposed upon by base imitations of our valuable and popular restorative, and we earnestly request all who use it to see that the label on each bottle they purchase corresponds with the foregoing description. If it does not, the article is fraudulent, and cannot be partaken of without peril to health and life.
