First Legislature—First Session.

JOURNAL OF THE SENATE.

THURSDAY, 19th February, 1846.

The Senate met agreeably to adjournment.

Present—Messrs Trasimond Landry, Lieutenant Governor and President of the Senate; Adams, Allen, Bell, Brashear, Briant, Caulfield, Couvillion, Daunoy, Dial, Durant, Dupré, Farmer, Garcia of St Charles, Garcia of Jefferson, Hunter, Mayo, Marks, Martin, McWhorter, Parham, Porche, Porter, Richardson, Scott, Scranton, Soulé, Strickland, Taylor and Mausel White.

The Secretary requested the concurrence of the House in the

"Resolution appointing a joint committee to visit the New Orleans Female Orphan Asylum."

He further informed the House that Messrs Soulé, McWhorter and Mayo had been appointed on said committee on the part of the Senate.

Mr Mayo gave notice that he would introduce:

"An act to prevent the occurrence of steamboat accidents;"

"An act to provide for the transfer from Alexandria to New Orleans, of appeals to the Supreme Court, from the parishes of Jackson, Union, Morehouse, Catahoula, Caldwell, Ouachita, Franklin, Carroll, Madison, Tensas and Concordia;" and

"An act to provide for the sale of the State lands, and other property now under the superintendence of the State Engineer."

Mr Marks, of the joint committee appointed to examine the State Treasurer's accounts, made the following report, which was read:

"To the Honorable the Senate and House of Representatives of the State of Louisiana:

The joint committee appointed by your honorable body to examine the books and accounts of the State Treasurer, have the honor to report: That they have discharged the duties imposed on them, by carefully examining and comparing the vouchers with the books kept by that officer, and your committee take great pleasure in stating that they find the annual account of the State Treasurer perfectly correct and satisfactory, and in every particular agreeing with the printed report placed before the members of the Legislature. Your committee would respectfully call the attention of the Legislature to the great amount of worthless paper now in the hands of the State Treasurer, in the shape of protested notes, claims on defaulting officers, etc, which serves no other purpose than to cumber the books of the office and to keep that department involved in endless and unprofitable litigation; your committee would farther recommend that immediate steps be taken to prosecute criminally (under the law of 1845) all defaulting officers who have rendered themselves liable under the provisions of said law. All of which is respectfully submitted.

(Signed) S. F. MARKS,
Chairman Senate Committee.
J. J. PLAUCHE,
Chairman House Committee.

Mr Mayo introduced the following resolution, which was read and adopted:

"Resolved, That so much of the report of the joint committee appointed to examine the accounts of the State Treasurer, as relates to worthless paper remaining in the office of the Treasurer, be referred to a committee composed of the members of the Senate who were members of said joint committee."

Mr Marks, on behalf of the joint committee appointed on the Treasurer's accounts, submitted a letter addressed to the Treasurer, by A Pierce, in relation to the estate of Joseph Smith, deceased.

Said letter was read, and on motion of Mr Marks was referred to the Committee on Finance.

Mr Maunsel White obtained leave to introduce without having given previous notice thereof, a bill entitled

"An act to repeal an act, entitled "An act providing for the recording of births and deaths," approved April 10th, 1811."

Said bill was read for the first time.

Mr White moved that the rules be dispensed with, and that said bill be read for the second time.

Said motion was lost.

Agreeably to previous notice, Mr Farmer introduced "An act to fix the boundary lines of the Parish of Jackson, and to annex a portion of the Parish of Union to the Parish of Ouachita."

Said bill was read for the first time.

On motion, the rules were dispensed with, it underwent its second reading, and was on motion of Mr Farmer, referred to a Select Committee composed of Messrs Farmer, Dial and Mayo.

Mr Farmer, also presented three memorials, in relation to the establishment of said boundary lines, which were on his motion referred to the same committee.

Mr Couvillion gave notice, that he would shortly introduce:

"An act for the relief of Athenas —— Armand and Joseph Guerard."

Mr Bell, of the committee to audit and control the expenses of the Senate, to whom was referred the account of David Orcutt, for work done for the Senate, by direction of the Governor, reported favorably to said claim.

Special order of the Day—Third Reading.

It being now 12 o'clock, the Senate took up "an act for the removal of the seat of Government."

Said bill underwent its third reading, and passed as previously amended.

The title thereof was read and adopted.

Agreeably to previous notice, Mr Farmer, introduced the following bills, which underwent their first readings, viz:

"An act to repeal the 14th section of an act entitled: an act to revise and reduce the fee bills of Clerks, Sheriffs and Notaries Public, and for other purposes," approved March 10th, 1845, and

"An act to abolish Police Juries in the several parishes of this State, and to delegate the parochial duties to the Justices of the Peace, and to provide for the election of the Justices of the Peace by wards."

Mr Garcia, of St. Charles moved that an additional member be appointed on the Committee of Internal Improvements.

Said motion prevailed, and the President appointed Mr Richardson on said committee.

Special order of the Day—Second Reading.

The Senate resumed the second reading of the following resolution:

"Whereas the existing relations of the Government of the United States with foreign powers—are in an unsettled condition—and whereas the immediate and effective protection of the approaches of the city of New Orleans, are of the utmost importance as well to said city, and State of Louisiana, as to a large part of the Union;

It is therefore resolved by the two Houses of the General Assembly of the State of Louisiana,

That our Senators in Congress be instructed and our Representatives requested to call the immediate attention of the Government of the United States to this subject, and to recommend the erection of such fortifications and armaments as will effectually secure the city of New Orleans from invasion.

Resolved, &c; That this resolution be forwarded with the least possible delay to Washington."

Mr Brashear renewed his motion, to amend the first section by striking out the word "*instruct*" and inserting in its place the word "*request*."

Mr Marks called for the yeas and nays on said amendment.

Messrs Adams, Allen, Brashear, Briant, Dial, Dupre, Garcia of St. Charles, Garcia of Jefferson, Kenner, Martin, McWhorter and Parham, voted in favor of the amendment—12 yeas, and

Messrs Bell, Caulfield, Couvillion, Daunoy, Durant, Farmer, Hunter, Mayo, Marks, Porter, Richardson, Scott, Scranton, Soulé, Strickland, Taylor and Maunsel White voted against,—17 nays.

The amendment was consequently lost.

Mr Brashear called for the yeas and nays, on the adoption of the said first resolution:

Messrs Adams, Bell, Briant, Caulfield, Couvillion, Daunoy, Dial, Durant, Dupré, Farmer, Garcia, of St. Charles, Garcia, of Jefferson, Hunter, Kenner, Mayo, Marks, McWhorter, Parham, Porter, Richardson, Scott, Scranton, Soulé, Strickland, Taylor, and Maunsel White voted for its adoption—26 yeas; and, Messrs Allen, Brashear, and Martin voted against it—3 nays.

The said resolution was consequently adopted.

Mr Mayo presented the following as a substitute to the second resolution:

"Resolved, That the Governor be requested to transmit as early as possible, copies of the foregoing resolution to our Senators and Representatives in Congress."

Said substitute was adopted.

On motion the rules were dispensed with, said resolutions underwent their third readings, and were finally adopted as amended.

On motion the preamble was also adopted.

On motion the rules were again dispensed with, and the Secretary requested the concurrence of the House in said resolutions.

The Senate took up the following resolution, which was read:

"Resolved by the Senate, That in compliance with article 17th of the Constitution the Senate will proceed on the 23rd February to the classification of its members."

Mr Brashear moved to amend said resolution by adding at its end the words: "and that the Secretary cause tickets to be prepared on which "*First Class*" shall be written, and on which "*Second Class*" shall be written."

Mr Allen moved to amend said amendment, by adding to its end the words: "And when a District is represented by more than one Senator, those Senators shall draw between themselves."

Mr Allen's amendment was adopted, and Mr Brashear's amendment was adopted as thus amended.

Mr Durant moved to amend the resolution by striking out the words "*on the 23d February*," and inserting in their stead the word, "*Forthwith*."

Said amendment was also adopted.

And the resolution was adopted as amended.

On motion of Mr Brashear the President was directed to draw for those Senators who were absent.

The Senators then proceeded to draw lots:

Messrs Adams, Allen, Briant, Caulfield, Couvillion, Durant, Dupré, Farmer, Garcia of Jefferson, Hunter, Mayo, Marks, Porche, Scott, and Soulé drew tickets bearing the words, *First Class*—15 members. The President drew a ticket for Mr Nicholas, bearing the words *First Class*, making a total of 16 members; and,

Messrs Bell, Brashear, Daunoy, Dial, Garcia of St Charles, Kenner, Martin, McWhorter, Parham, Porter, Richardson, Scranton, Strickland, Taylor and Maunsel White drew tickets bearing the words, *Second Class*. The President drew a ticket bearing the words *Second Class*, for Mr Prescott. Total—16 members.

Messrs Adams, Allen, Briant, Caulfield, Couvillion, Durant, Dupré, Farmer, Garcia of Jefferson, Hunter, Mayo, Marks, Nicholas, Porche, Scott and Soulé were declared to be Senators of the first class; and,

Messrs Bell, Brashear, Daunoy, Dial, Garcia of St. Charles, Kenner, Martin, McWhorter, Parham, Porter, Prescott, Richardson, Scranton, Strickland, Taylor and Maunsel White were declared to be Senators of the second class.

On motion, the Senate adjourned till to-morrow at 11 o'clock, A. M.

Worms! Worms!! Worms!!!

CANADIAN VERMIFUGE—The best remedy ever yet discovered for all kinds of WORMS. It not only destroys Worms and invigorates the whole system, but it dissolves and carries off the superabundant slime of mucus, so prevalent in the stomach and bowels of children, more especially of those in bad health. This mucus forms the bed or nest in which worms produce their young, and by removing it, it is impossible for worms to remain in the body. It is harmless in its effects on the system, and the health of the patient is always improved by its use, even when no worms are discovered; the medicine being palatable, no child will refuse to take it, not even the most delicate.
