The engagements they are under towards various institutions and the Convent of this city, to which they are attached, compel them to absent themselves many days in the course of the month. They have, therefore deemed it expedient to form a Copartnership, as well on their own accounts as on account of their numerous Clients, in order that one of the two may be always in town, ready to receive all persons who may honor them with their confidence. The superiority of their work, and the care and promptitude exhibited by them, induce them to hope for a continuance of the patronage of the public. [illegible]

It has ever been my object to place it in the power of the poor as well as the rich to obtain relief and receive the benefits of dental operations. The great increase of my practice for the last year has compelled me to employ several skilful operators among whom is an experienced French Dentist, whose services I have procured for a term of years at considerable expense. The Creoles may rely upon finding him always ready to wait upon them—his operations will always be submitted to my examination and approval.

MEDICAL.

SHERMAN'S GLOSSONIAN,
OR
ALL-HEALING BALSAM.

HOW harrowing to the ears of affectionate friends to hear, through the silent watches of the night, the deep, husky, hollow Cough of the victim of Consumption! And how melancholy the reflection that they who are the objects of their dearest love—whom they regard as their immediate jewels of their souls—must be thus worried into a Consumptive's grave!
Like the rattling of gravel upon the coffin's lid, the hard Cough of the Consumptive hath in it a SOUND OF DEATH! And every convulsive throb which the Lungs put forth to rid themselves of this dreadful foe, goes to the heart of the hearer, and thrills upon his ear with a dreadful warning!
SILENCE THAT DREADFUL COUGH! This is the warning which nature, true to herself, gives of the approach of that insidious foe, Consumption. The work of the destroyer has begun! The Lungs are in danger! Resort at once to the All-Healing Balsam, or all future aid may be in vain.
ARE YOU A MOTHER? Your daughter, once so lovely and so promising, is now perhaps confined to her chamber by a dangerous Cold. She is your pride, your idol, your earthly joy. You see her eye grow dim and more dim, with each passing day.—Her once ruby lips become ashy white; her cheek pales; and her thin, blue, shrunken fingers tell of the hold disease has already gained upon her beautiful form. You listen to the sepulchral sound of her Cough until your ear is pained, and your soul is sick. Sufferer, there is a balm which shall heal these wounds; it is the Great Cough Remedy which we have pointed out. Cure that Dreadful Cough, Consumption may be averted, and your daughter may live to be your stay and comfort in your declining years.
YOUNG MAN: Are you a student? You have wasted the midnight oil, poring and toiling over the dusty pages of ancient lore, straining every nerve to support the overtasked energies of the mind; until now, when just about to enter life, Consumption sheds a heart crushing blight and mildew over all the fair prospects of the future. Your hectic cough, care-worn cheeks, and feeble limbs, tell of your loss of hope, and fearful forebodings. But you NEED NOT DESPAIR. An arm is stretched to save you. Your talents and usefulness may not be lost to the world. Sooth and heal your Lungs with the All-Healing Balsam, and like thousands who have been thus afflicted, and have been saved by this great remedy, you may live to happiness, honor and renown.
Three Thousand Persons
have used this great remedy, in the city of New York alone, since the 20th of March last, and no complaint has ever yet been made concerning its effects, on the contrary, all who have ever used it, speak of it in terms of unqualified praise, and among the number of cases which have been treated by the Glossonian are to be found many of
the most astonishing cures.
Prepared by A Sherman, M. D. 106 Nassau st, New York. Sold also in New Orleans, at DALLEY'S Magical Pain Extractor Depot,
