WILLIAM W. THOMPSON'S PATENT IMPROVED *LEADEN PIPES.*

THE manufacturer, residing in St. Louis, Missouri, invites the attention to the excellence of his leaden pipes made by a new and patent process, (to which he has the exclusive right to the entire district of country west and south-west of the Allegheny Mountains) of a better quality than can be produced by any other known method.

The patent pipes is remarkable for its uniformity of thickness, the accuracy of the bore, the perfect polish of the interior surface, the absence of scales and flaws, the very long length without joint, for its unusual strength.—These advantages will be evident to any body upon examination.

Besides the usual sizes from one-eighth to five inch in bore, he manufactures also, for the use of farmers and others, very light leaden pipes for conducting water from spring at long distances under slight pressure or head of water, and for other purposes.

FIRE PROOF IRON SAFES—There can be no greater evidence of the high estimation by the public of Wilder's Patent Salamander Safe than the fact, that since the invention of these Safes and their subsequent trials and tests, almost every thing made for the purpose of holding books and papers are called by the makers and venders by the name of Salamander Safes

INVALUABLE REMEDY FOR DISEASES OF THE CHEST.—Pectoral Syrup and paste of Calve's Lights, by Degenetais, Druggist and Chemist at Paris.

Of all the preparations intended to cure diseases of the chest, none have obtained so brilliant a success as the Pectoral Paste above indicated.

This Paste immediately removes all irritations of the breast, facilitates expectoration, instantaneously assuages paroxysms of coughing, such as whooping cough. Catarrhs and inveterate cold yield immediately under its influence, in a word it is a most prompt and efficacious remedy for acute and chronic affections of the chest and air passages.

Be cautious not to confound Degenetais' Paste with that of Iceland Moss.

The Paste and Syrup of Calves Lights may be found all the Druggists in New Orleans. General Depot for whole sale at J. Tardos, No. 319 Royal street, whose signature is affixed to every box. & 1y

ODONTALGIC EXTRACT.

B F SMITH,

No. 110 St Charles street,

CONTINUES to relieve the most violent TOOTHACHE in a few moments, and at the same time entirely destroy the nerve in less than 24 hours positively without pain. The public should be aware, however, that this remedy is not offered as a Universal Panacea, it being only successful when the pain proceeds from an exposure of the internal membrane or nerve.

For the truth of the above statement, the sceptical are referred to the following highly respectable gentlemen, most of whom can speak from their own experience:

Rev. W. A. Scott,	Dr. W. H. Tergarden
J. W. Stanton,	L. F. Oglevelly,
C. P. Young,	G. W. Tobin,
E. Morgan Quirz,	W. H. Wheaton,
H. Williams,	W. G. Latham,
E. B. Orshorne,	D. Flanerty,
H. Page,	L. Moorhead,

W. Sigerson.

By first destroying the nerve with this remedy, the excruciating pain frequently caused by inserting pivot teeth upon the old method, is entirely avoided.

All other operations carefully performed. m3
