The titles of Mrs. Claret are as follows: A prize awarded her in 1834, after three years study; her reception in 1837 in the Midwife Society, instituted under the patronage of the Queen of France, seven years practice in Paris, and plenty of high testimonial from several eminent surgeons in this city.

Mrs. Claret treats female diseases and vaccination

THE undersigned has been appointed Commissioner of the State of Kentucky for receiving acknowledgements of deeds, letters of attorney, taking testimony, &c in this State. His office is at No 21, St Charles street. WM CHRISTY

INVALUABLE REMEDY FOR DISEASES OF THE CHEST.—Pectoral Syrup and paste of calve's lights, by Degenetais, Druggist and Chemist at Paris.

Of all the preparations intended to cure diseases of the chest, none has obtained so brilliant a success as the Pectoral Paste above indicated.

This Paste immediately removes all irritations of the breast, facilitates expectoration, instantaneously assuages paroxysms of coughing, saves a hooping cough. Catarrhs and inveterate cold yield immediately under its influence; in a word it is a sure and efficient remedy for all acute and chronic affections of the chest and air passages.

Be cautious not to confound Degenetais' Paste with that of Iceland Moss.

The Paste and Syrup of Calves Lights may be found at all the Druggists in New Orleans. General depot for whole sale at J. Tardos, No. 389 Royal street, whose signature is affixed to every box.

AGENCY FOR THE AMERICAN SOLID-HEADED PINS. THE subscribers are agents for the above pins. These pins are far superior to ordinary imported pins, the points are fine as the points of needles, and the heads being solid—that is, of one piece with the shank—can never slip or come off; the wire of which they are made is also very stiff and elastic. They received the highest premium, a gold medal, at the fair of the American Institute of the city of New York, in October, 1842. Dealers can be supplied with the above pins at the manufacturers prices. PEET & MORTON, Agents, 17 Chartres st

FIRE PROOF IRON SAFES. There can be no greater evidence of the high estimation by the public of Wilder's Patent Salamander Safe than the fact, that since the invention of these Safes and their subsequent trials and tests, almost every thing made for the purpose of holding books and papers are called by the makers and vendors by the name of Salamander Safes.

The following gentlemen composed a Committee of Merchants at the trial of safes in a blast furnace near the foot of Wall street, and decided in favor of Wilder's Patent Safe which was the only one that stood the test, viz.: Messrs. WADSWORTH & SMITH, BALDWIN & CO, MINTURN & CO, CHAS. H. MARSHALL, Esq.

Wilder's Salamander Safes, which have never failed to preserve their contents in case of fire, are to be had only of SILAS C. HERRING, General Agent, No. 139 Water st, N. Y.
