TO COTTON PLANTERS.

I TAKE pleasure in announcing that Messrs. MANDEVILLE & McILHENNY are my authorized agents in this city to make contracts for the use of

MY INVENTION

UP THE SEED COTTON OR PLANTATIONS AND ALL BUSINESS IN RELATION TO IT.

I will only say here that I make the same capital, the same location, the same steam power, the same expenses, very nearly that now raises, gins and bales the cotton, to spin it, that, with the addition of machinery costing about one-half what the increased value of the yarns the first year will be, and which is attended by surplus labor of the plantation, to little girls of 8 to 10, women, and old men inefficient as field hands, I DOUBLE, OR MORE THAN DOUBLE THE PLANTER'S NET INCOME.

We spin the best yarns in the world. The danger from fire of the gin-house is immensely reduced, with many other advantages of great value. And what is of great importance is, that all this is fully demonstrated by its successful daily operation on the plantation of Col. Geo. S. Yerger, near Vicksburg.

Planters desiring more full particulars are referred to my agents, as above.

Applicants for agencies will please address them, inclosing testimonials.

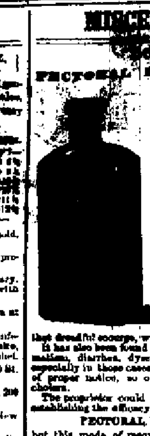
MISCELLANEOUS.

PECTORAL BALSAMIC SYRUP.



[illegible] thirty years since this truly valuable Syrup was first offered to the public, and although it was never "puffed," nor even extensively advertised, it has, by its own merit, gained an imperishable reputation, and is daily increasing in popularity. Unlike most of the celebrated medicines of the day, it will not cure "all the ills that flesh is heir to," but it is sovereign in all diseases of the breast, chest and lungs, such as colds, coughs, catarrhs, bronchitis, inflammation of the throat, spitting of blood, whooping cough, influenza, &c.

In all affections of the lungs, verging on

CONSUMPTION,

it has been found to prevent that dreadful scourge, whenever timely resorted to.

It has also been found beneficial in many cases of rheumatism, diarrhoea, dysentery, summer complaints, and especially in those cases of "cholerine," which, for want of proper notice, so often degenerate into confirmed cholera.

The proprietor could publish hundreds of certificates establishing the efficacy of the

PECTORAL BALSAMIC SYRUP,

but this mode of recommendation has been so much abused that the reasoning public attach little or no faith to these certificates. The proprietor is, therefore, willing to let his Syrup stand upon its own merits.

It is not only the BEST, but the most pleasant preparation ever offered to the public; indeed it is so palatable that even children take it without the least difficulty, and it requires no particular diet.

IT IS ALSO THE CHEAPEST,

because the bottles not only hold more Syrup than any other, but, owing to its peculiar composition, this Syrup will keep for years without fermenting, and can be used in families as required, by simply keeping the bottle corked.

Prepared and sold at the laboratory of the sole proprietor, F. P. DUCONGE, No. 39 Chartres street.

Sold, also, by
JAMES SYME, Druggist, 134 Canal street,
E. J. HART & CO., 73 Tchoupitoulas street,
