INDIANS PANACEA.

FOR the cure of venereal, scrofula or king's evil, mercurial cankers, and painful affections of the bones, ulcerated throat and nostrils, ulcers of every description, chronic rheumatism, and for hip gout, fever sores and internal abscesses, fistulas, scald head, scurvy, biles, chronic sore eyes, erysipelas, cutaneous diseases, chronic catarrh and headache from particular causes, pains in the stomach and dyspepsia, proceeding from vitiation, effections of the liver, chronic inflammation of the kidneys and general debility, caused by a torpid action of the vessels of the skin. It is singularly efficacious in renovating those constitutions which have been broken down by injudicious treatment or juvenile irregularities. In general terms, it is recommended in all those diseases which arise from impurities of the blood, or vitiation of the humors, of whatever form or kind.

The proprietor of this valuable medicine acquired his knowledge of its ingredients from a long residence among the aborigines of this country, and it is selected from the most approved and successful medicines which they use.—It is offered to the public, by the proprietor, with the concurrence that he is placing within their reach a remedy capable of relieving many of his afflicted fellow-beings, who are suffering under the various chronic and inveterate complaints to which it is applicable. To such it will prove the mean, and in many cases, the only means of relieving their sufferings, and restoring them once more to health and happiness. This is not offered as a common nostrum, but that may prelude be equally good with many others now in use, but one which is capable of saving life in many instances, when all the usual remedies fail. This it has done repeatedly, and this is the reputation it has obtained wherever it has been introduced.

This medicine has been found highly useful in many ambiguous diseases not here specified, and it has been used with wonderful success as a spring and fall purifier, by those who are subject to various complaints, as the constitutions require invigorating. Whenever a diet drink is necessary, this Panacea, taken in usual doses, will answer all its purposes much better, at less expense, and in a far more agreeable manner than the common diet drink.

The following certificate, out of hundreds similar which might be produced, are given to show the effect of the Indian's Panacea, in the various complaints therein mentioned, and also to exhibit in the most satisfactory manner its superiority over other similar preparations:

Cure of Fistula and Venereal Nodes, &c.

Charleston, Feb 20, 1832.—This may certify that I was afflicted with a scrofulous disease for several years, during which time I employed several eminent physicians, both in Philadelphia and Charleston, and also took several bottles of Swain's Panacea, but all without permanent benefit.—During the last winter I was taken with an ulcerated throat which became so severe as to prevent my taking sufficient food to sustain life. I remained in this situation several days, emaciated and threatened with absolute and unavoidable starvation, when, as a last resort, I had recourse to the Indian's Panacea, and found from it almost immediate relief, recovering so rapidly that in four weeks I found myself quite well, and have remained ever since.
