New Orleans, Jackson and Great Northern Railroad.

DURING the continuance of the Bonnet Carre Crevasse, passengers will be transported between New Orleans and Pass Manchac Bridge (thirty-seven miles from New Orleans) by the trains of the Carrollton Railroad to the Lake, thence by safe and commodious steamboats to Manchac Bridge, beyond which there is no interruption. Passengers will leave New Orleans from the Carrollton Railroad Depot (Tivoli Circle) at 6 o'clock in the morning, and at 30 minutes past six in the afternoon—and, returning to New Orleans, will arrive at the Depot, at Tivoli Circle, at 5 o'clock in the morning and the same hour in the evening.

The trains for Kenner will leave the depot at the foot of Calliope street at 5 A. M. and 5 P. M. Returning, will leave Kenner at 7 A. M. and 7 P. M. Freight for this station will be received at the passenger depot from 3 P. M. until 5 P. M. Fare, 40c. each way.

Freight for Manchac and stations above will be received at the warehouse on the south bank of the New Canal, between Liberty and Howard streets, until 5 o'clock, P. M.

No freight will be received unless consigned to parties residing at the established stations on the line of road or its connections.

It will be seen by the foregoing that passengers and freight will be transported without interruption, and that connections with other roads will be made regularly as heretofore.

THE greatest remedy in the world. This Cordial is distilled from a Berry known only to myself, and chemically combined with some of the most valuable medicinal roots, herbs and barks known to the mind of man, viz: blood root, black root, wild cherry bark, yellow dock, dandelion, sarsaparilla, elder flowers, with others, producing the most infallible remedy for the restoration of health ever known.

IT IS NATURE'S OWN REMEDY,

Curing diseases by natural laws. When taken, its beneficial effects are felt coursing through every vein of the body, purifying and accelerating the circulation of the blood. It neutralizes any bilious matter in the stomach, and strengthens the whole organization.

McLean's Strengthening Cordial will effectually cure Liver Complaints, Dyspepsia, Jaundice.

Chronic or Nervous Debility, Diseases of the Kidneys, and all Diseases arising from a Disordered Liver or Stomach.

Dyspepsia, Heartburn, Inward Piles, Acidity or Sickness of the Stomach, Fullness of Blood to the Head, Dull Pain or Swimming in the Head, Palpitation of the Heart, Fullness or Weight in the Stomach, Sour Eructations, Choking or Suffocating Feeling when lying down, Dryness or Yellowness of the Skin and Eyes, Night Sweats, Inward Fevers, Pain in the Small of the Back, Chest or Side, Sudden Flushes of Heat, Depression of Spirits, Frightful Dreams, Languor, Despondency or any Nervous Disease, Sores or Blotches on the Skin, and Fever and Ague (or Chills and Fever). It will also cure diseases of the Bladder and Womb, such as Seminal Weakness, Incontinence of Urine, Strangury, Inflammation or Weakness of the Womb or Bladder, Whites, &c.

THERE IS NO MISTAKE ABOUT IT.

This Cordial will never fail to cure any of the above diseases, if taken as per directions on each bottle, in German, English and French.

OVER HALF A MILLION OF BOTTLES

Have been sold during the past six months, and in no instance has it failed in giving entire satisfaction. Who, then, will suffer from weakness or debility when McLean's Strengthening Cordial will cure you?

TO THE LADIES

Do you wish to be healthy and strong? Then go at once and get some of McLean's Cordial. It will strengthen and invigorate your blood to flow through every vein, and the rich, rosy bloom of health to mount to your cheek again. Every bottle warranted to give satisfaction.

FOR CHILDREN.

We say to parents, if your children are sickly, puny or afflicted with complaints prevalent among children, give them a small quantity of McLean's Cordial, and it will make them healthy, fat and robust. Delay not a moment, try it and you will be convinced.

IT IS DELICIOUS TO TAKE.

EVERY COUNTRY MERCHANT

Should not leave the city until he had procured a supply of McLean's Strengthening Cordial. It sells rapidly, because it always cures. A liberal discount will be made to those who buy to sell again.

CAUTION.—Beware of druggists or dealers who may try to palm upon you some Bitter or Sarsaparilla trash which they can buy cheap, by saying it is just as good. Avoid such men. Ask for McLean's Strengthening Cordial and take nothing else. It is the only remedy that will purify the blood thoroughly, and at the same time strengthen the system.

One tablespoonful taken every morning fasting, is a certain preventive for Cholera, Chills and Fever, Yellow Fever, or any prevalent disease.

Price only $1 per bottle, or six bottles for $5.

J. H. McLEAN,
Sole proprietor of the Cordial.
Also, McLean's Volcanic Oil Liniment.

Principal depot on the corner of Third and Pine streets, St. Louis, Mo.

For sale in Louisville by BELL, TALBOTT & CO., Sager & Bro., and Raymond & Patten.

McLEAN'S VOLCANIC OIL LINIMENT.

The best Liniment in the world for man or beast.

ANOTHER REMARKABLE CURE

Performed by McLean's Volcanic Oil Liniment. Read for yourselves.

Thomas Ford, a blacksmith, living near Casseyville on Teeth street, had a horrible running sore on his foot. He tried various Liniments, Salves, &c., but could do it no good. He despaired of ever being able to work at his trade again, because he could not bear any weight on his foot; and by one small bottle of McLean's Volcanic Oil Liniment, he is now perfectly cured.

Rheumatism, paralysis, neuralgia, bruises, sprains, stiffness in the joints or muscles, swellings, sore throat, earache or toothache, wounds, fresh cuts, sores, burns, side pains, &c., yield to the "magic" influence of this wonderful Liniment.

For Horses and Cattle it is an infallible remedy for fistula, galls, scratches, cracked heels, lameness, spavin, sweeny, splint, fistula, bruises, swellings, wounds, rattlesnake bites, and various other diseases which animals are liable to from injuries or accidents.

Every Country Merchant should obtain a supply of McLean's Volcanic Oil Liniment. It sells rapidly, because it always cures.

A liberal discount will be made to merchants who buy to sell again.

MISCELLANEOUS.

AYER'S AGUE CURE,

FOR THE SPEEDY CURE OF

Intermittent Fever, or Fever and Ague, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache, or Bilious Headache, and Bilious Fevers, indeed for the whole class of diseases originating in biliary derangements, caused by the malaria of miasmatic countries.

No one remedy is louder called for by the necessities of the American people than a sure and safe cure for Fever and Ague. Such we are now enabled to offer, with a perfect certainty that it will eradicate the disease, and with assurance, founded on proof, that no harm can arise from its use in any quantity.

That which protects from or prevents this disorder must be of immense service in the communities where it prevails. Prevention is better than cure, for the patient escapes the risk which he must run in violent attacks of this baleful distemper. This "CURE" expels the miasmatic poison of FEVER AND AGUE from the system and prevents the development of the disease, if taken on the first approach of its premonitory symptoms. It is not only the best remedy ever yet discovered for this class of complaints, but also the cheapest. The large quantity we supply for a dollar brings it within the reach of every body; and in bilious districts, where FEVER AND AGUE prevails, every body should have it and use it freely both for cure and protection. It is hoped this price will place it within the reach of all—the poor as well as the rich. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of Intermittents is, that it contains no quinine or mineral, consequently it produces no quinism or other injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease.

Fever and Ague is not alone the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, among which are Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Catarrh, Asthma, Palpitation, Painful Affection of the Spleen, Hysterics, Pain in the Bowels, Colic, Paralysis and Derangement of the Stomach, all of which, when originating in this cause, put on the intermittent type, or become periodical. This "CURE" expels the poison from the blood, and consequently cures them all alike. It is an invaluable protection to immigrants and persons traveling or temporarily residing in the malarious districts. If taken occasionally or daily while exposed to the infection, that will be excreted from the system, and cannot accumulate in sufficient quantity to ripen into disease. Hence it is even more valuable for protection than cure, and few will ever suffer from intermittents if they avail themselves of the protection this remedy affords.

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC,

are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health or energy restored by a remedy at once so simple and inviting.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures and directions for their use in the following complaints: *Costiveness, Heartburn, Headache arising from disordered Stomach, Nausea, Indigestion, Pain in and Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Jaundice,* and other kindred complaints arising from a low state of the body or obstruction of its functions. They are an excellent alterative for the renovation of the blood and the restoration of tone and strength to the system debilitated by disease.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness, and so numerous are the cases of its cures, that almost every section of country abounds in persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

KEROSENE.

NOTICE TO FAMILIES

THE city papers having recently reported the case of a Coal Oil Lamp explosion in the Fourth District, we think it proper to beg our customers not to confound the present Coal or Carbon Oils in the market (the greatest part of which is adulterated) with KEROSENE, a species of Coal Oil we have alone the right to sell in Louisiana.

Kerosene, which is now manufactured under American and English patents, is ENTIRELY PURE AND FREE FROM ANY ADMIXTURE OF ALCOHOL, OR OF ANY VOLATILE OIL WHATEVER. It is a new and inoffensive product, ranking between the fixed and the volatile oils, as do all other pure coal oils.

Manufactured by a particular process, thoroughly secured by letters patent, Kerosene is now acknowledged in the United States to be a perfect article and the only substitute for any burning oil whatever, as much for its illuminating power and economy as for its improved color and deodorization.

For want of Kerosene we have sometimes sold, and we will again sell, under similar circumstances, other coal oils, but in so doing we will always, as by the past, fully test those other brands, so as to detect any adulteration in them, or to see if they do not contain an excess of benzole, which sometimes passes in the oil while being distilled, and thereby renders it volatile. Agents of the Kerosene Oil Company,

MRS. PARENT'S INSTITUTION,
Corner Royal and Hospital streets.

DAY AND BOARDING SCHOOL FOR YOUNG LADIES.

THIS establishment has been removed to corner Royal and Hospital streets. The building is vast, well ventilated and well distributed for class rooms, dormitories, &c. Madame Parent avails herself of this occasion to thank the numerous families who have so largely patronized her institution, and would assure them that their daughters will receive the same maternal care as heretofore. The long known reputation of her institution is the best guarantee to that effect. The course of study embraces the same system, in both English and French, as that employed in the first class institutions in the North and in Europe. Music, instrumental and vocal, including Solfege, is taught by the most eminent Professors, also Drawing and Painting; Dancing by Professor Vagas.

Madame Parent will remove her institution across the Lake during the summer months, but will keep the school open in the city throughout the year. Finally, there will be nothing wanting to complete a literary as well as refined education; also to excite in the hearts of young persons that pure morality which is the fundamental base of the institution, combining that easy elegance of manner so necessary for young persons. For further information address Madame Parent, at the Institution, where prospectuses can be obtained. oct4

DAY AND BOARDING SCHOOL FOR YOUNG LADIES,
UNDER THE DIRECTION OF
MADAM CHARPAUX,
At the corner of Bayou and Claiborne streets.

THIS SEMINARY, whose existence dates some six years back, has met with a success that proves, beyond all cavil, the capacity of those who have charge of it.

Determined to merit the confidence of parents, Madame Charpaux will spare no pains to make her seminary equal to the best institutions of the kind in New Orleans, and in order to do this, she has employed the ablest teachers.

Madam Charpaux has purchased a large and airy edifice on one of the highest places of ground in the city and the better to consult the health of her pupils she has had spacious and elevated apartments built as purposes for school and sleeping rooms, through which there will be a constant circulation of air from many windows.

Great attention will be paid to the improvement of scholars in the English language. For this purpose, American ladies of acknowledged capacity, as teachers, will constantly reside in the Seminary.

The English, French and Spanish languages, geography, arithmetic, and in short all the branches of a polite education, will be taught in the Seminary.

As religion should be the foundation of all sound education, it will be carefully attended to by Madam Charpaux, who will conduct to church and preliminary catechisms all her young ladies who may have their first communion to make.

Music having become a most desirable branch of the education of young ladies, Mr. Charpaux, from the Best musical schools in Paris, and ex-artist of the Orleans Theatre, will devote all his time to teaching music. All the Scholars, besides their regular lessons, will practice daily under the eyes of the professor. The study of the notes will precede the performances, when Mr. Charpaux will put the pupils through the execution of the regular keys and notes, and this will be attended with no extra charge.

In order to kindle emulation among the pupils, and improve their minds, on the morning of the last Saturday in every month there will be a musical examination and a distribution of rewards.

Madam Charpaux, in order to complete the education of her scholars, has opened a class where will be taught all the useful and ornamental branches of needle-work.

During the summer the classes will open at 8 o'clock, and close at 2. Re-open at 4 and close at 6 o'clock, P. M. In winter, they will open at 8½, and close at 2. Re-open at 4½ and close at 5 o'clock, P. M.

ANTI-GOUTY ELIXIR

OF

HIPPOLYTE BRIEUGNE,

INVENTOR OF THE ANTI-RHEUMATISMA

Tropical Balm.

TILL now all medical science has had no power over the gout, this terrible disease which has ever made so many victims all over the earth, and still tears daily so many thousands from their occupations to give them up to the most painful sufferings. It is useless to recall to our minds the symptoms of this disease too well known to its numerous sufferers. It suffices to name them to appreciate the value of such a remedy against their return. Such is the effect of the ANTI-GOUTY ELIXIR, which is the result of the laborious researches of M. HIPPOLYTE BRIEUGNE, already known by the discovery of the anti-rheumatismal TROPICAL BALM, that has been down to this day so great a success. The ANTI-GOUTY ELIXIR, particularly designed for curing the fits of the gout, possesses a power no less great, warranted by a long and personal experience of the inventor, and by repeated essays upon its numerous victims.

The ANTI-GOUTY ELIXIR is easy to take, and its taste is in no way disagreeable. It can be taken pure or mixed with two or three spoonfuls of tea or coffee. Its effects are felt after a few hours, whatever may be the intenseness of the fit. In twelve hours at most the sufferings disappear, and all its symptoms vanish away.
