MISCELLANEOUS.

Important to Planters.

We have been informed that the usual practice of planting is undergoing a revolution of our

Dr. McLane's Celebrated Vermifuge,

has been to simply write or order Vermifuge; the consequence is, that instead of the genuine Dr. McLANE'S VERMIFUGE, they very frequently get one or other of the many worthless preparations called Vermifuge now before the public. We therefore beg leave to urge upon the planter the importance and propriety of invariably writing the name in full, and to advise their factors or agents that they will not receive any other than the genuine Dr. McLane's Celebrated Vermifuge, prepared by Fleming Bros., Pittsburg, Pa.

We would also advise the same precaution in ordering our Dr. McLANE'S CELEBRATED LIVER PILLS. The great popularity of these Pills, as a specific or cure for Liver Complaint, and all the Bilious derangements so prevalent in the South, has induced the vendors of many worthless nostrums to claim for their preparations similar medicinal virtues. Be not deceived.

Dr. McLane's Celebrated Liver Pills

Are the original and only reliable remedy for Liver Complaints that has yet been discovered; and we urge the planter and merchant, as he values his own and the health of those depending on him, to be careful in ordering. Take neither Vermifuge nor Liver Pills unless you are sure you are getting the genuine Dr. McLANE'S, prepared by

FLEMING BROS,
Pittsburg, Pa.

Below we give a list of some of the principal wholesale druggists and dealers in patent medicines in this city, and from whom the genuine Dr. McLane's Celebrated Vermifuge and Liver Pills can always be obtained. They are also sold by all respectable druggists.

Fever and Ague,

FROM which mankind suffer over a large part of the globe, is the consequence of a diseased action of the system, induced by the poisonous miasma of vegetable decay. This exhalation is evolved by the action of solar heat on wet soil, and rises with the water vapor from the earth. While the sun is below the horizon this vapor lingers near the earth's surface, and the virus is taken with it through the lungs into the blood. It acts as an irritating poison on the internal viscera and excessively organic life results. The liver comes torpid and fails to secrete not only this virus, but also the bile from the blood. Both the virus and the bile accumulate in the circulation, and produce violent constitutional disorder. The spleen, the kidneys and the stomach sympathize, and the blood becomes diseased also. Finally, the instinct of our organisms, as if in an attempt to expel be noxious influence, compels the whole system of the body in the internal excretories to force them to cast it out. The blood leaves the surface, and rushes to the central organs with violent congestion. This is the Chill. But in this effort it fails. Thus the Fever follows, in which the blood leaves the central organs and rushes to the surface, as if in another effort to expel the irritating poison through that other grand excretory system of the skin. Here it fails, and the system abandons the attempt exhausted, and waits for the recuperative energies to repair the baneful effect another day. These are the fire or paroxysms of FEVER AND AGUE. Such constitutions discover will of cause undermine the health, if it is not removed.

We have labored to find, and have found a antidote.

AYER'S AGUE CURE,

which neutralizes this malarious poison in the blood, and stimulates the liver to pour its secretion into the bowels, so it does cure this afflicting disorder with perfect certainty. And it does more, or rather does what is of more service to those subject to this infection. If taken in season it expels it from the system so that it does not fix on the internal organs, and it free from its attacks; keeps the system in health, although exposed to the disease. Consequently it is the best cure for the bad, and the great variety of affections which are induced by this malignant influence, such as Remittent Fever, Chill Fever, Dumb Ague, Intermittent Fever, Periodical or Bilious Headache, Bilious Fevers, Neuralgia, Rheumatism, Gout, Blindness, Dyspepsia, Stomach Catarrh, Asthma, Palpitations, Painful Affections of the Spleen, Hysterics, Cholic, Paralysis and Painful Affections of the Stomach and Bowels. It is effective, when arising from this cause, will be found to assume more or less of these characteristics. The "AGUE CURE" removes the cause of these derangements, and cures the disease.

This is accomplished by stimulating the excretories to expel the virus from the system; and these organs by degrees become able to do this without the office of their own accord. Hence arises what we term *acclimatation*. Time may accomplish the same end, but life is not long enough, or rather, life is fixed in the attempt, while this "AGUE CURE" does it at once, and with safety. We have great reason to believe this a surer as well as safer remedy for the whole class of diseases which are caused by the miasmatic infection, than any other which has been discovered; and it has still another important advantage to the public, which is that it is cheap as well as good.

AYER'S CHERRY PECTORAL

has won for itself such a renown for the cure of every variety of Throat and Lung complaint that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

AYER'S CATHARTIC PILLS,

They are sugar-coated, so that the most sensitive can take them pleasantly, and being purely vegetable, be made use of by any person, at any season, with safety.

Price, 25 cents per box; five boxes for $1.

Great numbers of dangerous, painful, and mortal diseases proceed from their origin, which, if they are not prevented by the use of these pills, they will inevitably be the consequence. The agents below named furnish gratis our AMERICAN ALMANAC in which they are given; with also full description of the above complaints, and the treatment that should be followed for their cure.

ANTI-GOUTY ELIXIR

OF

HIPPOLYTE BRIEUGNE,

INVENTOR OF THE ANTI-RHEUMATISMA

Tropical Balm.

TILL now all medical science has had no power over the sovereign disease which has ever made so many victims all over the earth, and still bears daily an hecatomb from their ones patients to give them up to the most painful sufferings. It is useless to recall to our minds the symptoms of this disease so well known to its numerous victims. It suffices to name them to appreciate the value of such a remedy against their return. Such is the effect of the ANTI-GOUTY ELIXIR, which is the result of the laborious searches of M. HIPPOLYTE BRIEUGNE, already known by the discovery of the anti-rheumatismal TROPICAL BALM, that has had down to this day so great a success. The ANTI-GOUTY ELIXIR, particularly in the cure of the Gouty fits of the gout, possesses a power no less great, warranted by long and personal experience of the inventor, and by repeated testimonies of numerous victims.

The ANTI-GOUTY ELIXIR is easy to take, and its taste is in no way disagreeable. It can be taken pure or mixed with two or three spoonfuls of tea or coffee. Its effects are the same. It is equally efficacious in the inflammation of the St. In twelve hours at most the sufferings disappear, and all its symptoms vanish away.

For sale at the general depot, in New Orleans, at

J. WRIGHT & CO.,
51 and 151 Chartres street.

And in the principle drug stores of the United States.
