UNITED STATES DISTRICT COURT

We have had some trouble to obtain a decision and [illegible] of the Court in the case of the motion of Mr D N Henrico, clerk of the District Court, by Judge J K Lawrence, and of the opinions of the judges to whom the case was submitted.

It appears, that in the interim, Mr D N Henrico, clerk of the District Court of the United States, was dismissed without a specified reason, by the Judge of the same Court, the Hon J K Lawrence, who subsequently demanded of Mr John McWilliams in his place. Mr Henrico, surprised at this sudden dismissal, asked for an explanation.

The Judge stated in reply, that it was a point in controversy between Judge of the District Court, to select their own clerk, and has consequently in appointing Mr McWilliams he had only employed the prerogative of his office, at the same time he acknowledged that he had no cause of complaint against Mr Henrico; that in the certainly, Mr Henrico had invariably discharged his duties with fidelity, skill and prompt rule. Thereupon Mr Henrico claimed the power of the Judge to displace him without cause, and continued in the performance of his office. On the 9th of last Judge Lawrence, Mr Winthrop and Reverdy Johnson, Esq, argued the motion, and the Court took the matter under advisement.

Yesterday the Court delivered its opinion, which we have carefully examined, and find it to be in the following words:

Resolved, That the President of the Senate be requested to send a copy of this resolution to Mr Henrico.

Extract from the Journal of the House, of the 24 Feb. 1835.

Resolved by the House of Representatives of the State of Louisiana, that the adoption of the resolution of the state, by the late governor, A B Roman, has been marked by wisdom, firmness, and the purest and unwearied zeal for the public service. In the execution of the laws, he has exhibited fidelity, and in the numerous and important appointments he has fallen to his lot to make, he has manifested impartiality, and a single regard to the interests of the state; and that he retires with high honor and entire approbation of this House for his efficient conduct, and with their personal esteem and regard.

Resolved, That the Speaker of the House transmit a copy of this resolution to Governor Roman a copy of these resolutions.

Representative, 1st District, to Congress,
JOHN SLIDELL.
FOR THE SENATE OF LOUISIANA.
ALBERT HOA.

☞ One of our contemporaries, we see, says Mr. Roman does not show his true colors? Mr. Roman's opinions are well known to those who are predetermined to know them. He is known to unite with the Whigs in many of their political views, though he has never been a member of any party. Time, however, has perfectly modified our warmer feelings. We are for Louisiana first, last and always. We are supporting men entirely different from the Whigs. We are guided in our choice by the same motives which influence the multitude of many of the Democratic party, who in common with our views, desire to behold in public, impartial and independent men as Governor of the State, and who do not look that the vital interests of this state are necessarily dependent upon the election of a Democratic Governor.

☞ A city journal finds fault with the style of the article in The Bee, but with quite as much malice as ever, he takes a paragraph we term in French, translates it into a wretched English, and then uses his native propensities upon it, as [illegible] he was in instruction in school. Perhaps, however, we can make very good use of his [illegible] in the [illegible] of the Bee, we will [illegible] to do so.
