BRISTON, CLARK & CO.'S
CELEBRATED GENUINE MEDICINAL
COD LIVER OIL

For Consumption, Scrofulous Affections, Rheumatism, Gout, &c.

DR. WILLIAMS, a celebrated Physician in London, states that having preserved notes of 204 cases of Consumption which he had treated with Cod Liver Oil, 206 of them were followed by an unequivocal improvement, varying in degree from the mitigation of distressing symptoms to an apparently complete restoration to health, and he considers that pure, fresh, properly prepared Cod Liver Oil is more beneficial than any remedy that has yet been employed in that disease, and in a late English Journal it was stated that, since the introduction and extensive use of Pure Cod Liver Oil in England, the number of deaths from Consumption had decreased about thirty per cent.

As this is a remedy when pure, in cases where it is required, is the most valuable ever discovered, so on the contrary, when impure it is not only valueless, but positively injurious, as it disorders the digestive organs, and deranges the whole system.

We are happy to say, many persons who had been using other oils, and failing to derive any benefit from them, were about giving up the use of it in disappointment, but being prevailed on to use the oil of our manufacture, in a short time experienced the most favorable results.

As all the trade yet discovered are inadequate to prove the purity of the Cod Liver Oil, in order to guarantee our customers a genuine article, we have been obliged to put it up with our signature over the cork of each bottle and the oil put up by us and signed, we will warrant in every particular.

Prepared and sold, wholesale and retail, by RUSHTON, CLARK & CO., wholesale and retail Chemists and Druggists, and importers of Cod Liver Medicinal Cod Liver Oil, 110 Broadway, 10 Astor House, and 373 Broadway living House, New York, and by all the principal Druggists in the United States and Canada.

For sale in New Orleans by N. JARVIS & CO., J. SCHIEFFELIN & CO., JAS. WRIGHT & CO., RIDOLPH & POPE, and by the wholesale and retail Druggists generally

CAUTION—Take care that our signature is over the cork of each bottle, as without it, it is not genuine.
