DR HOOFLANDS'
CELEBRATED
GERMAN BITTERS,
PREPARED BY
Dr. C. M. JACKSON, Philad'a, Pa.,
FOR
LIVER COMPLAINT, DYSPEPSIA,
Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach.

Such as Costiveness, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking of Flutterings at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Fluttering at the Heart, Choking or suffocating sensations when in a lying posture, Dimness of Vision, Dot of who before the eyes, Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and great Depression of Spirits.

The proprietor, in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American people, and its reputation and sale is unrivalled by any similar preparations extant. The testimony in its favor, given by the most prominent and well known Physicians and individuals in all parts of the country, is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

Principal Office and manufactory No. 96 ARCH Street, Philadelphia, Pa.

Testimony from Louisiana.

VERGERMAN BITTERS SUPERIOR TO ALL PREPARATIONS NOW IN USE.

JACKTOWN, La., August 19, 1854.

DEAR SIR:—I feel bound to express my gratification to you for the incalculable benefit I have derived from the use of two bottles of your German Bitters; I have found them to be all you recommend them to be, and cheerfully recommend them to the public as a safe and sure remedy for the diseases they are intended for, and superior to all other preparations now in use. Very respectfully yours,
H. OPPENHEIMER,

THE BITTERS ALL TEST ARE REPRESENTED TO BE.

JACKSON, La., August 20, 1854.

DEAR SIR:—I have used your German Bitters and find them all they are represented to be, and cheerfully recommend them to the public as an excellent medicine. Respectfully yours,
W. F. FAULKNER.

L. MAYER says:

HARRISONBURG, La., May 23, 1853.

"Your German Bitters are a very valuable medicine; I have disposed of all I received from you, and what a new supply immediately.

DR. RAYBOLD QUAIL says:

TRINITY La., June 30, 1853.

"I have for the last year used the German Bitters, prepared by you, in my practice extensively. It will shortly be the only medicine of the kind that can be readily sold here, and I believe that in less that one year there will be none sold in this vicinity than any other part of the country."

DR. RAPE says:

FRANKLIN, La., June 24, 1852.

"Your German Bitters have become very popular here, and I wish a fresh supply immediately."

A. E. ADAMS & CO. say:

RICHMOND, La., June 2, 1853.

"Your Bitters give universal satisfaction to all who have used them."

You should bear in mind that these Bitters are entirely vegetable, thereby possessing advantages over most of the preparations recommended for similar diseases.

AYER'S
CHERRY PECTORAL,
FOR THE RAPID CURE OF
Coughs, Colds, Hoarseness, Bronchitis, Whooping-Cough, Croup, Asthma and Consumption.

Weaken shall lose down to it, and the great of the earth shall tremble before it.

Never could this be said with more truth than it now applies to this remedy, for affections of the Throat and Lungs. Of its wonderful healing and power acknowledge its supremacy, while both the little and the great can feel and do feel its influence. The liberal minded among those skilled to cure are free to own its mastery over distempers which have baffled their art—Those of exalted stations are not ashamed to testify to its virtues, but deem it a duty and a pleasure to thus hold out the lamp of their experience to their suffering fellow men.

Witness the following translation:

VERMILIONVILLE, La., April, 1853.

Mons. le Dr. J. C. AYER:—I have of late made frequent use of your Cherry Pectoral in my practice, and am happy to inform you that in no case yet has it failed me. I have made some signal cures of Laryngitis and Bronchitis with it, and have completely cured one case of Asthma, which had withstood every other medicine I could employ.

Accept, Sir, the assurance of my distinguished consideration.

JULES CLAUDE GOUGUET, M. D.,
Late Surgeon of the Royal Marine, France.

Extract from a letter of our Minister at the Courts of the Subli. Porte

LEGATION OF THE U. S.,
Constantinople, Turkey.

Dr. J. C. AYER.—Dear Sir—The Cherry Pectoral received from you for the Sultan has been delivered to his private secretary at the palace, and you will doubtless hear from it in due season. That you were so kind as to send me has been given to friends, who have in many cases found it exceedingly useful.

Yours respectfully,
GEO. P. MARSH,
Minister Plenipotentiary of the U. S. A. to Turkey.

PILES! PILES!! PILES!!!

WE call attention to all who are afflicted with this dreadful complaint to the following swoln certificate from one of our most respectable citizens, the father-in-law of the proprietor of the "Courier des Etats Unis," and formerly gunmaker in Philadelphia.

New York, Aug. 20th, 1856.

DR. DUPEIS—Dear Sir:—I hereby certify that I have been afflicted with the Piles for nearly sixty years; that I have used eighteen bottles of Barnes's Pile Lotion and everything else I could hear of, but all to no effect, for they did me little or no good. About two months since, I commenced using your remedies for the Piles, and have the happiness to say that they have had the desired effect, having cured me. I consider this almost a miracle, for I am eighty years of age. I sincerely recommend them to all afflicted with the above complaint.
