Crockery Manufactory.

THE Crockery factory at Mandeville has just been completed, and is now prepared to execute and deliver at very moderate prices all commissions which the public may entrust to the proprietors.

In consequence of a clay of superior quality, a collection of the most skillful workmen in Louisiana, and the extreme care and attention bestowed upon all the details of the establishment, the products of the factory at Mandeville surpass in every respect those of other establishments—as well in the fineness of the grain, the solidity and strength of the paste, and the beauty of the varnish; they are particularly remarkable for the elegance and taste of the patterns—a merit hitherto too often overlooked in this department of industry.

The directors of the establishment are prepared to fill the most extensive and varied orders. To gardeners and horticulturists they offer every variety of flower pots, and some of a quality hitherto unknown, together with vases of antique form, Italian do., and the most select and beautiful patterns. To families they offer every species of culinary and household utensil,—all resisting the action of fire. Finally, to architects they tender a large collection of articles necessary for building and ornament, such as slabs, enamelled squares, parisian lamps for drawing rooms, centre tables, &c. &c. &c.

Apply to Messrs. de la Bretonne & Co., at Mandeville, La., or the warehouse, in New Orleans, at the old Basin. oct17

PIANOS.
Gaudin, MANUFACTURER OF PIANOS.

HAS just received from Paris, an assortment of SPLENDID PIANOS, from the factory of Kriegelstein, manufacturer for the King and charged with the furniture of the Crown. Mr. Kriegelstein has obtained in 1844, a premium of Gold given by the Great Jury of Arts and Mechanics. Mr. Gaudin, during a sojourn of ten consecutive years in New Orleans, has studied the causes of the derangement of that instrument in this country, and has communicated his observations to Mr. Kriegelstein, who has put them to profit. To prevent that derangement, he uses an iron sommier, which takes the instrument in its whole height, and upon which the strings are fixed; that amelioration gives to the instrument a great solidity. Besides, he has neglected nothing as well for the beauty of sound as for that of the furniture. His pianos are splendid, 3 strings, 6 octaves ¾ finely, 82 notes.

GAUDIN will warrant his pianos for one year, and if during that time some accident happens either to the mechanism or to the piano itself which could be attributed to a fault in fabrication, he engages himself to take it back and repay the money. He invites the gentlemen and ladies to call and examine his instruments, at No. 135 Royal street, between St. Louis and Toulouse streets.

☞ He repairs and tunes pianos, and exchanges them. nov24 6m

Messrs. J. PAIVRE & L. ALLISON,
Already known by the invention of their
IMPROVED SYSTEM,

Incontestably superior to any ever exhibited before to day, which their rivals themselves cannot deny.

INFORM the public that they now have a fine assortment of Pianos of all kinds which they will sell at lower prices than all the establishments of this city.

Mr. Allison having lately gone to France to increase their stock of Pianos, already very considerable, but which the great expense rendered insufficient, now offer to their numerous customers a magnificent assortment of Pianos with elongation of seven octaves hollow and straight, of several sizes, of iron of their make, with which no other Piano can struggle as to solidity, tone and melody.

Some manufacturers in France wished, by the counsels and fancied experience of merchants of this city, to try and come as near as possible to this excellent iron system, so well appreciated by the people of Louisiana, and which those gentlemen hope will make the enormous difference between their Pianos and the imported ones.

Besides the varied assortment of Pianos made by those gentlemen, we have excellent Pianos of Erard and Pleyel, like those of the self called iron system of other merchants.

Note.—A large assortment of Pianos of all prices. Conti street, No. 44, between Chartres and Royal streets. n25 1y

MEDICAL.

DR. TOWNSEND'S SARSAPARILLA
THE MOST EXTRAORDINARY MEDICINE IN THE WORLD.

THIS extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging sickening, or debilitating the patient.

Great Spring and Summer Medicine.

The great beauty and superiority of this Sarsaparilla over all other medicine, is, whilst it eradicates disease, it invigorates the body. It is one of the very best spring and summer medicines ever known; it not only purifies the whole system and strengthens the person, but it creates new pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 35,000 cures of severe cases of disease, at least 5000 of these were considered incurable. More than

3,000 cases of Chronic Rheumatism;
2,000 cases of Dyspepsia;
400 cases of General Debility and want of Energy.
7,000 cases of the different Female Complaints;
2,000 cases of Scrofula;
1,500 cases of the Liver Complaint;
2,500 cases of disease of the Kidneys and Dropsy;
3,000 cases of Consumption.

And thousands of cases of diseases of the blood, Ulcers, Erysipelas, Salt Rheum, Pimples on the face &c., &c. Together with numerous cases of Sick Headache, Pain in the Side and Chest, Spinal Affections, &c. &c.

This, we are aware, must appear incredible, but we have letters from Physicians and our agents from all parts of the United States informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in New Ark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the city of New York, which we will refer to with pleasure and to men of character. It is the best medicine for the preventive of disease known. It undoubtedly saved the lives of more than 5,000 children the past season, as it removed the cause of disease, and prepared them for the summer season.

United States officer, Capt G. W. McLean, of the U. S. Navy, and Member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story.

Rahway, Jan. 21, 1847.

A year since I was taken with the influenza and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla. I have continued taking it, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration.
G. W. McLEAN, late U. S. N.

John Jackson, Esq., Editor of the Rahway Republican, published the above certificate, and remarks in an editorial as follows:—

☞ The success of Dr. Townsend's preparation of Sarsaparilla, appears to be of the most extraordinary character. We publish to day two certificates in its behalf, one from Capt. McLean, of this town, and one from the Rev. Mr. White of Staten Island, a gentleman well known in Rahway. Capt. McLean believes the medicine to have saved his life, and Mr. White seems to entertain an equally strong confidence in its efficacy. It is a great man [illegible] those would not praise so strongly what they did not fully believe to deserve it.

Scrofula Cured.

This certificate was handed into Dr. Townsend's office this week, and conclusively proves that our Sarsaparilla has perfect control over the most obstinate diseases of the blood. Three persons cured in one house, is unprecedented.

Three Children.

Dr. Townsend—Dear Sir—I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have taken only four bottles; it took them away, for which I feel myself under deep obligation. Yours, respectfully,
ISAAC W. CRAIN, 105 Water st.
New York, March 1, 1847.

Great Female Medicine.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for incipient Consumption, Barrenness, Leucorrhoea, or Whites, obstructed or difficult Menstruation, Incontinence of Urine or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident.

☞ Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have been blest with healthy offspring.

Dr. Townsend—My wife being greatly distressed by weakness and general debility, and suffering continually by pain and a sensation of bearing down falling of the womb, and with other difficulties, and having known cases where your medicine has effected great cures; and also hearing it recommended for such cases as I have described, I obtained a bottle of your Extract of Sarsaparilla, and followed the directions you gave me. In a short period it removed her complaints and restored her to health. Being grateful for the benefits she received, I take pleasure in thus acknowledging it, and recommending it to the public. M. D. MOORE,
Corner of Grand and Lydius sts.
Albany, August 17, 1844.

To Mothers and Married Ladies.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all of the delicate diseases to which women are subject.

It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and disease.

Opinions of Physicians.

Dr. Townsend is almost daily receiving orders from physicians in different parts of the Union.

This is to certify that we, the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations of the Sarsaparilla in the market.

H. P. PULING, M. D.
J. WILSON, M. D.
R. B. BRIGGS, M. D.
P. E. ELMENDORF, M. D.

Albany, April 1, 1845.

The following is from one of the most respectable physicians of Long Island:

Greenport, July 10, 1846.

Dr. Townsend—Dear Sir: It is with pleasure that I say to you, that I have recently witnessed in several cases the most beneficial results in the use of your Extract of Sarsaparilla. Being engaged in the practice of medicine, I have prescribed it in several cases, and never without effect. In the removal of diseases arising from a deranged state of the digestive organs, jaundice, &c., it far exceeds any thing of the kind ever before offered to the public. You will please send me two dozen, &c. &c.
Respectfully yours, J. C. PRESTON, M. D.

Dyspepsia.

No fluid or medicine has ever been discovered which so nearly resembles the gastric juice or saliva, in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla. It positively cures every case of dyspepsia, however severe or chronic. It has done this so often, we invite them to read the following indisputable testimony of gentlemen of the highest respectability. If these are not entirely satisfactory, we would be happy to give other references to some of the first families in the city, who have used it with perfect success in this and other distressing diseases.

BANK DEPARTMENT, ALBANY, MAY 10, 1845.

Dr. Townsend—Sir: I have been afflicted for several years with dyspepsia in its worst forms, attended with sourness of stomach, loss of appetite, extreme heartburn, and a great aversion to all kinds of food, and for weeks (what I could eat) I have been unable to retain but a small portion on my stomach. I tried the usual remedies, but they had but little or no effect in removing the complaint. I was induced, about two months since, to try your Extract of Sarsaparilla, and I must say with little confidence; but after using nearly two bottles, I found my appetite restored, and the heartburn entirely removed; and I would earnestly recommend the use of it to those who have been afflicted as I have been. Yours, &c. W. W. VAN ZANDT.

Piles, Piles, Piles.

Dr. Townsend's Sarsaparilla is no less successful in curing this distressing complaint, than for diseases of the Blood, Dyspepsia, Rheumatism, and Nervous Debility. Read the following:—

Dr. Townsend: Dear Sir—The effects of your Sarsaparilla are truly wonderful. For the last six or eight years past, I have been subject to severe attacks of the piles, during which I have suffered all the tortures of that complaint, and had despaired of ever finding relief except in death. I have the pleasure to inform you "there is yet balm in Gilead." I have used two bottles of your Sarsaparilla, and feel no remains of my old complaint. I send you this for publication, and any person you may refer to me, I would be happy to inform of the benefit I have received at your hands. Yours, truly,
July 6, 1846. JOHN HALL, 49 Fulton st.

Rheumatism.

This Sarsaparilla is used with the most perfect success in Rheumatic complaint, however severe or chronic. The astonishing cures it has performed are indeed wonderful. Other remedies sometimes give temporary relief; this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen.

Dr. Townsend:—I was attacked with a distressing pain in my hip joint, so bad that I could not walk without my crutches; and much of the time I was obliged to keep my bed. I tried several remedies, but they did not relieve me. I then called on one of our first physicians; he did not help me. I heard of your Sarsaparilla, and obtained a bottle, and in a few days it entirely cured me, and I am as well now as ever. ASHBELL WALKER,
Albany, Jan. 2, 1845. 22 Daniel st.

☞ Hear Mr. Seth Terry, one of the oldest and most respectable lawyers in Hartford, Conn. The following is an extract of a letter received from him:—

Dr. Townsend:—I have used one bottle of your Sarsaparilla, and find it is excellent in its effects upon a chronic rheumatic pain to which I am subject, from an injury occasioned several years ago in a public stage. Please send me two bottles to the care of Dr. Seymour. I have conversed with two of our principal physicians, and recommend your Sarsaparilla. SETH TERRY.

Rheumatism:—[illegible] Sarsaparilla [illegible]

NANDS' SARSAPARILLA.

[illegible]

THIS MEDICINE has acquired a very extended and established reputation wherever it has been used, based entirely on its own merits, which its superior efficacy has alone sustained. The unfortunate victim of hereditary disease, with swollen glands, contracted sinews, and bones half carious, has been restored to health and vigor. The scrofulous patient, covered with ulcers, loathsome to himself and his attendants, has been made whole. Hundreds of persons who had groaned hopelessly for years under cutaneous and glandular disorders, chronic rheumatism, and many other complaints springing from a derangement of the secretive organs and the circulation, have been raised, as it were, from the rack of disease, and now, with regenerated constitutions, gladly testify to the efficacy of this inestimable preparation.

[illegible] the name of Sand's Sarsaparilla, [illegible] compound, differing entirely in its character and properties from any other preparation, and it is a certain remedy for the disease. It is put up in a highly concentrated form for convenience and portability, and when diluted according to the directions, each bottle will make six times the quantity, equal to one quart, and is then superior in medicinal value to the various preparations of the same.

Recommended by physicians and men of science and the wonderful cures which it has made, furnish a proof sufficient to convince every one of its value and virtue.

"TRUTH IS STRANGER THAN FICTION." THE FOLLOWING FACTS SPEAK FOR THEMSELVES—The following is striking, and, as will be seen, permanent cure of an inveterate case in [illegible]. Let the afflicted read and be convinced. What it has done once it will do again.

STAMFORD, Conn. Oct. [illegible]

Messrs. A. B. & D. SANDS: Gentlemen:—In the year 1842, I was attacked with a cancer in my nose, which soon extended its ravages over the side of my face, eating the flesh, and leaving the cords of my neck bare, destroying very freely, causing intense pain and suffering, depriving me of rest at night and comfort by day, destroying my appetite, and reducing me almost to the gates of death. I was attended by the best physicians in the State, who prescribed for me, and did all that skill and talent could effect, but during all the time I continued to grow worse under their care. In the Spring of 1846, I chanced to hear of the cures performed by your Sarsaparilla, and determined to try it. I had not used over two bottles before I felt its effects on my system most sensibly. My appetite was soon restored, my strength was increasing, the discharge from the cancer decreased, and I soon began to perceive that the flesh was healing. I continued the use according to directions, and also continued to grow better and better from day to day, until I have been fully and wholly cured by its use. It is now two years since I was cured, and I have remained perfectly well up to this day. I have delayed giving you this certificate, that I might ascertain whether the disease would reappear; but I am happy and most thankful to again repeat that the cure is perfect; and effected wholly by the use of your Sarsaparilla. The scars still remain, and all who know me, and many of the citizens of Stamford, can testify to the severity of my case and my sufferings, and the health restoring power of your Sarsaparilla. I can with unhesitating confidence recommend its use to every sufferer afflicted with similar complaints. After experiencing what I have from its effects, I can say to one and all, "Hesitate not longer, but secure to yourselves the health giving virtue this medicine can alone bestow, under the blessing of Divine Providence."

Most gratefully I am, and shall always remain,
Your friend, ISAAC STEVENS.

For further particulars and conclusive evidence of its superior value and efficacy, see pamphlets, which may be obtained of the agents gratis.
