BEWARE OF COUNTERFEITS.

BOUBEE'S ANTI-GOUT SYRUP.

No. 38 Dauphine Street, at Paris.

[Extract from the Hospital Gazette, of April, 1847.]

If what has been explained be well understood, no one can doubt, that the decrease and particularly the suppression of the insensible perspiration is the sole and single cause of gout. But, gouty persons will ask, your theory may be true, but does practice confirm your opinions, and have you found a remedy which at once mitigates pain, and recalls the interrupted functions of the skin? The discovery is made—it is Boubee's Anti-Gout Syrup. We, who have so often tested this remedy, we can affirm that none has so well fulfilled our object, and has so completely confirmed our views of the gout given above. This preparation, administered at the beginning of a paroxysm of gout, arrests its progress with marvellous rapidity; its first effect is immediately to assuage suffering, and this being accomplished without danger, there follows a mild transpiration which terminates the paroxysm. What is remarkable about this preparation, is that it never fatigues the patient; it has therefore, appeared to us superior to any other hitherto presented. We who have followed the effect of this medicament, may declare that it possesses something of the virtue of a specific against the gout. Already some of the most eminent practitioners, such as Messrs. Andral, Velpeau and Leroy d' Etioles, have prescribed it with success, and preferred it to every other preparation. Gouty persons, according to Sydenham, are people of intelligence and good sense: the innocence of the remedy we offer them, must compel them to give it a trial, and its success, to continue its use.

MEDICAL.

DR. TOWNSEND'S SARSAPARILLA
THE MOST EXTRAORDINARY MEDICINE IN THE WORLD.

THIS Extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, sickening, or debilitating the patient.

Great Spring and Summer Medicine.

The great beauty and superiority of this Sarsaparilla over all other medicine, is, whilst it eradicates disease, it invigorates the body. It is one of the very best spring and summer medicines ever known; it not only purifies the whole system and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 35,000 cures of severe cases of disease; at least 3000 of these were considered incurable. More than

3,000 cases of Chronic Rheumatism;
2,000 cases of Dyspepsia;
400 cases of General Debility and want of Energy.
7,000 cases of the different Female Complaints;
2,000 cases of Scrofula;
1,500 cases of the Liver Complaint;
2,500 cases of disease of the Kidneys and Dropsy;
3,000 cases of Consumption;

And thousands of cases of diseases of the blood: Ulcers, Erysipelas, Salt Rheum, Pimples on the face &c., &c. Together with numerous cases of Sick Headache, Pain in the Side and Chest, Spinal Affections, &c., &c.

This, we are aware, must appear incredible, but we have letters from Physicians and our agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esqr., one of the most respectable druggists in New Ark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the city of New York, which we will refer to with pleasure, and to men of character. It is the best medicine for the preventive of disease known. It undoubtedly saved the lives of more than 5,000 children the past season, as it removed the cause of disease, and prepared them for the summer season.

United States officer, Capt. G. W. McLean, of the U. S. Navy, and Member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story.

RAHWAY, Jan. 24, 1847.

A year since I was taken with the Influenza, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla. I have continued taking it, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration.

G. W. McLEAN, late U. S. N.

John Jackson, Esqr., Editor of the Rahway Republican, published the above certificate, and remarks in an editorial, as follows:—

☞ The success of Dr Townsend's preparation of Sarsaparilla, appears to be of the most extraordinary character. We publish to-day two certificates in its behalf, one from Capt. McLean, of this town, and one from the Rev. Mr. White, of Staten Island, a gentleman well known in Rahway. Capt. McLean believes the medicine to have saved his life, and Mr White seems to entertain an equally strong confidence in its efficacy. Intelligent men like those would not praise so strongly what they did not fully believe to deserve it.

Scrofula Cured.

This certificate was handed into Dr. Townsend's office this week, and conclusively proves that his Sarsaparilla has perfect control over the most obstinate diseases of the blood. Three persons cured in one house, is unprecedented.

Three Children.

Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have taken only four bottles; it took them away, for which I feel myself under deep obligation.

Yours, respectfully,
ISAAC W. CRAIN, 105 Wall st.
New York, March 1, 1847.

Great Female Medicine.

Dr Townsend's Sarsaparilla is a sovereign and speedy cure for incipient Consumption, Barrenness, Leucorrhoea, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident.

☞ Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervousness of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with fine, healthy offspring.

Dr. Townsend:—My wife being greatly distressed by weakness and general debility, and suffering continually by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your medicine has effected great cures; and also hearing it recommended for such cases as I have described, I obtained a bottle of your Extract of Sarsaparilla, and followed the directions you gave me. In a short period it removed her complaints and restored her health. Being grateful for the benefits she received, I take pleasure in thus acknowledging it, and recommending it to the public. M. D. MOORE,

Corner of Grand and Lydius sts.
Albany, August 17, 1844.

To Mothers and Married Ladies.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all of the delicate diseases to which women are subject.

It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and disease.

Opinions of Physicians.

Dr. Townsend is almost daily receiving orders from physicians in different parts of the Union. This is to certify that we, the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations of the Sarsaparilla in the market.

H P PULING, M D
J WILSON, M D
R B BRIGGS, M D
P E ELMENDORF, M D

Albany, April 1, 1845.

The following is from one of the most respectable physicians of Long Island:—

Greenport, July 10, 1846.

Dr. Townsend: Dear Sir—It is with satisfaction that I say to you that I have recently witnessed in several cases, the most beneficial results from the use of your Extract of Sarsaparilla. Being engaged in the practice of medicine, I have prescribed it in several cases, and never without benefit. In the removal of diseases arising from a deranged state of the digestive organs, jaundice, &c., it far exceeds any thing of the kind ever before offered to the public. You will please send me two dozen of the above. Respectfully yours, S. C. PRESTON, M. D.

Dyspepsia.

No fluid or medicine has ever been discovered which so nearly resembles the gastric juice or saliva, in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla. It positively cures every case of dyspepsia, however severe or chronic. The following is from one of the highest respectability. If these are not entirely satisfactory we would be happy to give other reference to some of the first families in the city, who have used it with perfect success in this and other distressing diseases.

BANK DEPARTMENT, ALBANY, May 10, 1845.

Dr. Townsend—Sir: I have been afflicted for several years with dyspepsia in its worst forms, attended with soreness of stomach, loss of appetite, extreme heartburn, and a great aversion to all kinds of food, and for weeks (what I could eat,) I have been unable to retain but a small portion on my stomach. I tried the usual remedies, but they had but little or no effect in removing the complaint. I was induced, about two months since, to try your Extract of Sarsaparilla, and I must say with little confidence; but after using nearly two bottles I found my appetite restored, and the heartburn entirely removed; and I would earnestly recommend the use of it to those who have been afflicted as I have been. Yours, &c. W. W. VAN ZANDT.

Piles, Piles, Piles.

Dr. Townsend's Sarsaparilla is no less successful in curing this distressing complaint, than in other cases of the Blood, Dyspepsia, Rheumatism, and Nervous Debility. Read the following:—

Dr. Townsend: Dear Sir—The effects of your Sarsaparilla are truly wonderful. For the last six or eight years past, I have been subject to severe attacks of the piles, during which I have suffered all the tortures of that complaint, and had despaired of ever finding relief except in death. I have the pleasure to inform you "there is yet balm in Gilead." I have used two bottles of your Sarsaparilla and feel no remains of my old complaint. I send you this for publication, and any person you may refer to me, I would be happy to inform of the benefit I have received at your hands. Yours, truly,

July 6, 1846. JOHN HALL, 30 Fulton st.

Rheumatism.

This Sarsaparilla is used with the most perfect success in Rheumatic complaints, however severe or chronic. The astonishing cures it has performed are indeed wonderful. Other remedies sometimes give temporary relief; this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen.

Dr. Townsend—I was attacked with a distressing pain in my hip joint, so bad that I could not walk without my crutches; and much of the time I was obliged to keep my bed. I tried several remedies, but they did not relieve me. I then called on one of our first physicians: he did not help me. I heard of your Sarsaparilla, and obtained a bottle, and in a few days it entirely cured me, and I am as well now as ever. ASHBELL WALKER,

Albany, Jan. 3, 1845. 22 Daniel st.

☞ Hear Mr. Seth Terry, one of the oldest and most respectable lawyers in Hartford, Conn. The following is an extract of a letter received from him:—

Dr. Townsend:—I have used one bottle of your Sarsaparilla, and find it is excellent in its effects upon a chronic rheumatic pain to which I am subject, from an injury occasioned several years ago in a public stage. Please send me two bottles to the care of Dr. Seymour. I have conversed with two of our principal physicians, and recommend your Sarsaparilla. SETH TERRY.
