PROCLAMATION
BY
A. B. ROMAN,
GOVERNOR OF THE STATE OF LOUISIANA.

WHEREAS official information has been given by the District Attorney of the 10th Judicial District of this State, that one J. B. Faure was lately murdered in the parish of Natchitoches, by one Samuel P. Sackett, who has fled from justice. I have therefore thought proper to issue this my proclamation, offering a reward of five hundred dollars to any person or persons who shall apprehend said Samuel P. Sackett, and him deliver to the Sheriff of the parish of Natchitoches, so that he may be prosecuted for said offence according to law.
Samuel P. Sackett is described to be about twenty-five or six years of age; 5 feet high, thick set; has grey eyes, a dark bushy head; speaks the English, French and Spanish languages, and when talking, has a snarling smile on his countenance.
Given under my hand and the seal of the state, at New-Orleans, this twentieth day of January, eighteen hundred and forty-one, and in the year of the Independence of the United States of America the sixty fifth.
By the Governor, A. B. ROMAN.
Levi Peirce, Sec'y of State

LIFE INSURANCE.
OCEAN INSURANCE COMPANY.—The absence of any institution in this city for insuring lives, and the extravagant rates of premium demanded by the northern and European companies for granting life policies to persons residing in Louisiana have determined the Board of Directors of this Company to put into operation that clause in their Charter which authorises insurance upon lives, on a scale of premium, which will enable every one who is in receipt of a moderate annual income to secure for those who are dependent on them a comfortable provision in case of their death.
The scale determined on is, as nearly as possible, the average of those adopted by the London offices for insuring lives in England, no addition whatever being made for difference of climate, and by this scale an annual premium of twenty dollars paid by a person 25 years old will secure the payment of one thousand dollars to his estate should he die within the year—an annual premium of one hundred dollars will secure five thousand dollars—and so on in proportion for any larger amount.
Any further information that may be required will be furnished on application to the office No. 45 Camp street, corner of Gravier street.
By order of the board.

CARROLLTON ACADEMY—The subscribers have the honor of announcing to the heads of families in Orleans and Jefferson, as well as the adjoining parishes, that, on the second of November next, the above institution will be opened, under their superintendence, for the reception of boys, both as boarding and day scholars. They pledge themselves that the most zealous attention shall be devoted to their moral and intellectual improvement.
The local advantages of Carrollton are well known.—They have secured the spacious house owned by Mr. Kohn—the garden and premises are extensive, and the establishment in every respect admirably adapted for the object they have in view.
As the institution will be strictly *preparatory*, they propose limiting the age of pupils to twelve years. The advantages of this arrangement, parents will at once appreciate.
Preparations will be made, as early as possible, for receiving girls, both as boarding and day scholars. The same restriction in point of age will apply to both departments.
The academical year will be divided into two sessions; the winter term commencing on the 4th of January and ending on the 23d of June; and the summer term commencing on the 10th of July and ending on the 20th of December.
TERMS:
