☞ J. Winter & Co.'s Canadian Vermilion.—DIRECT FROM A. BERTRANDIS, FOREST ROYAL AND SILVERLIE STREETS.—Louisiana is one of the countries most subject to vermicular affections under the most varied and aggravated characters, and although we do not ascribe all diseases of children to this cause, we may advance the fact that convulsions, intermittent fevers, which prove fatal when the physician persists to treat fever only, consequently it becomes necessary to expel the worms, which daily invade the digestive tube, and to obtain the result to better remedy can be obtained than Winter's Vermifuge—it is the only remedy which unites the three following qualities, being at all vermicular, purgative and tonic. a19 ly

Prospectus of the Republic.
THE undersigned will on the 15th day of June next, begin the publication in the city of Washington, of a daily Whig Administration paper, to be called The Republic, the editorial supervision and management of which will be committed to the exclusive care of ALEXANDER C. BULLITT and JOHN O. SARGENT.
The Republic will give to the principles upon which the administration of Gen. Taylor came into power a cordial, zealous and constant support. It will be a faithful record of the times; it will discuss public measures in an impartial and independent spirit; it will be a vehicle of the latest and most authentic information; it will be in a word, a political newspaper, devoted to the liberalizing and progressive doctrines which prevailed in the late Presidential contest—to the interests of labor, as developed in the wants of agriculture, commerce and manufactures, and to the cause of literature, science and general intelligence.
The Republic will acknowledge no allegiance except to the country. It will aim to merit the confidence and support of the American people. It will be the organ of no person, or party, or fraction of a party, in that compulsory sense which would hinder it from speaking bold and candidly to the people whatever it concerns them to know.
The Republic will be printed upon a double royal sheet, in a large, clear, readable type.
Besides the Daily paper, there will be published a Tri-weekly and Weekly Republic, made up of the most interesting important matter of the Daily issue.
TERMS:
For the Daily Republic, $10
For the Tri-weekly, 6
For the Weekly, 2
To Postmasters—Any Postmaster who will raise but one $10 shall have six copies of the Weekly Republic sent to such persons as he may direct; and $15 will entitle a Postmaster to THREE copies of the Tri-weekly paper.
