The elementary studies are attended to with more extraordinary care, considering the close attention which they exercise over the other branches of instruction.

FOR FEMALES AND MALES.

"Do you Want to Be Healed? Multiply."

SOLD ONLY AT NO. 59 ST. PETER STREET.

Dr. Lamrotte's Juno Cordial, or Supernatural Elixir.

THIS is the only actual remedy ever discovered for impotency, genital debility, nocturnal emissions, and all diseases occasioned by certain secret habits, and many of the Diseases recently recounted for the same complaints are worthless imitations which its unrivaled excellence, fame and popularity have given rise to. The Government of medical faculty of Europe and the United States are well known in their recommendations of the Juno Cordial, and it is the only actual remedy, and single instance that has been authenticated, to any compound for the same purposes. The nature of the maladies relieved by the Juno Cordial are generally such as to leave the publication of certificates of cures out of the question, or the proprietor could produce a host of the most convincing testimony to show that the great reputation that it enjoys was not accidentally obtained, but is firmly based upon its positive, and apparently miraculous virtues. In all directions sent to the Agent, the Juno Cordial is perfectly offering, who would not have been so long potent for the many years that it has been recommended. Object on has been naturally made to the price of the Juno Cordial, because the trash that has been thrown into the market in opposition to it is sold cheaper, but the fact is, the Cordial cannot be made for less, and ought to be much dearer, as many of the ingredients are of the rarest and most costly nature, whereas the trash is made up of cheap drugs, worth but little in money, and can be manufactured at a trifling expense. Cordial is the cure of the maladies mentioned above, and also of Gleet, Stricture, Seminal Weakness, muscular energy, physical incapacity and general indisposition, irritability, and all nervous affections, indigestion, dyspepsia, costiveness, pain in the orthosa or whites, and fluor albus, and every disease or ailment in any connected with the disorders of the procreative functions, which it will relieve speedily, and in most remarkable relief, and, if used as directed, is almost certain to produce a positive and permanent cure. Cordial is a certain cure for Gleet, Stricture, weakness or debility of a certain nature, should it take the Cordial, as it will invariably restore health and vigor in a few days, and, if taken in the spring is a cause of regret, if recourse be had to it, the most beneficial results may be anticipated with certainty, and at a cost of a few cents, instead of without expense. It has taken the precedence in Italy, and will in all other countries where it may become known.

It also possesses the unrivalled qualities of curing premature consumption, and I have administered it with great success in the last stage of the disease, to the delightful gleams for the restoration of their health, and to the satisfaction that a medicine has been added to the catalogue for the cure of incipient consumption.

Treasured unto the blessings of this medicine, I have appointed Messrs. Dalton, Jones & Co., of New York, in the United States of America, my sole agents for the sale of it, and some one be genuine unless it comes through them, and the signature is on the wrapper. ANTONIO LARZETTI.

Naples, July 16, 1846.

Daily's Celebrated Magnetic Pain Extractor, for burns, scalds, erysipelas, rheumatism, sore eyes, dolorous, bruises, sore eyes and nipples, sores, &c.

DR. TOWNSEND'S SARSAPARILLA.

WONDER AND BLESSING OF THE AGE

THE MOST EXTRAORDINARY MEDICINE IN THE WORLD.

THIS extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any Sold. It cures diseases without vomiting, purging, sickening or debilitating the patient.

The great beauty and superiority of this Sarsaparilla over all other, is that it searches out the disease, it invigorates the body, and cures, not for the very best.

SPRING AND SUMMER MEDICINES

ever known, it not only purifies the whole system and strengthens the person, but it creates new juice and rich blood, a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the past five years more than 100,000 cures of severe cases at home, at least 15,000 of these were considered incurable. It has saved the lives of more than 5000 children during the two past years.

TEN THOUSAND CASES OF GENERAL DEBILITY AND WANT OF NERVOUS ENERGY.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indulgences commenced in youth, or the excessive indulgence of the passions, or premature decay, or mental or physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decrepitude, nothing can cure total disease. Consumption can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

Spitting Blood.

New York April 26, 1847.

Dr. Townsend—I verily believe that your Sarsaparilla has been the means of saving my life. I have for several years had a bad raised lung, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and have been a wonderful change wrought in me. I am now able to walk all over the city. I raise no blood and my cough has left me. You can well imagine that I am thankful for these results.

Your obed servant,
WM. SNELL, 65 Catharine st.

Rheumatism.

This is only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.

I had the utmost difficulty in dressing myself, my limbs were perfectly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one hundred dollars worth of good. I am so much better—indeed, I am entirely relieved. You are at liber
