MEDICAL.

DR. TOWNSEND'S SARSAPARILLA. THE MOST EXTRAORDINARY MEDICINE IN THE WORLD.

This Extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging sickening, or debilitating the patient.

Great Spring and Summer Medicine.

The great beauty and superiority of this Sarsaparilla over all other medicine, is, whilst it eradicates disease, it invigorates the body. It is one of the very best spring and summer medicines ever known; it not only purifies the whole system and strengthens the person, but it creates new, pure and rich blood, a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 35,000 cures of severe cases of disease; at least 5000 of these were considered incurable. More than

3,000 cases of Chronic Rheumatism;
2,000 cases of Dyspepsia;
400 cases of General Debility and want of Energy.
7,000 cases of the different Female Complaints;
2,000 cases of Scrofula;
1,500 cases of the Liver Complaint;
2,500 cases of disease of the Kidneys and Dropsy;
3,000 cases of Consumption;

And thousands of cases of diseases of the blood: Ulcers, Erysipelas, Salt Rheum, Pimples on the face &c., &c. Together with numerous cases of Sick Headache, Pain in the Side and Chest, Spinal Affections, &c. &c.

This, we are aware, must appear incredible, but we have letters from Physicians and our agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the city of New York, which we will refer to with pleasure, and to men of character. It is the best medicine for the preventive of disease, known. It undoubtedly saved the lives of more than 5,000 children the past season, as it removed the cause of disease, and prepared them for the summer season.

United States officer, Capt. G. W. McLean, of the U. S. Navy, and Member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story.

RAHWAY, Jan. 24, 1847.

A year since I was taken with the influenza, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla. I have continued taking it, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration.

G. W. McLEAN, late U. S. N.

John Jackson, Esq., Editor of the Rahway Republican, published the above certificate, and remarks in an editorial as follows:—

"The success of Dr. Townsend's preparation of Sarsaparilla, appears to be of the most extraordinary character. We publish to day two certificates in its behalf, one from Capt. McLean, of this town, and one from the Rev. Mr. White, of Staten Island, a gentleman well known in Rahway. Capt. McLean believes the medicine to have saved his life, and Mr. White seems to entertain an equally strong confidence in its efficacy. Intelligent men like these would not praise so strongly what they did not fully believe to deserve it."

Scrofula Cured.

This certificate was handed into Dr. Townsend's office this week, and conclusively proves that his Sarsaparilla has perfect control over the most obstinate diseases of the blood. Three persons cured in one house, is unprecedented.

Three Children.

Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have taken only four bottles; it took them away for which I feel myself under deep obligation.

Yours, respectfully,
ISAAC W. CRAIN, 105 Wall st.

New York, March 1, 1847.

Great Female Medicine.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for incipient Consumption, Barrenness, Leucorrhoea or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine have been blest with healthy offspring.

Dr. Townsend—My wife being greatly distressed, by weakness and general debility, and suffering continually by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your medicine has effected great cures; and also hearing it recommended for such cases as I have described, I obtained a bottle of your Extract of Sarsaparilla, and followed the directions you gave me. In a short period it removed her complaints and restored her health. Being grateful for the benefits she received, I take pleasure in thus acknowledging it, and recommending it to the public.

M. D. MOORE,
Corner of Grand and Lydius sts.

Albany, August 17, 1844.

To Mothers and Married Ladies.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. [illegible]

Opinions of Physicians.

Dr. Townsend is almost daily receiving orders from physicians in different parts of the Union.

This is to certify that we, the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations of the Sarsaparilla in the market.

Dispepsia.

No fluid or medicine has ever been discovered which so nearly resembles the gastric juice or saliva, in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla. It positively cures every case of dyspepsia, however severe or chronic. If any doubt this assertion, we invite them to read the following indisputable testimony of gentlemen of the highest respectability. If these are not entirely satisfactory, we will give them reference to some of the first men in the city who have used it with perfect success in cases of this distressing disease.

BANK DEPARTMENT, ALBANY, May 10, 1845.

Dr. Townsend—Sir: I have been afflicted for several years with dyspepsia in its worst forms, attended with sourness of stomach, loss of appetite, extreme heartburn, and a great aversion to all kinds of food, and for weeks (what I could eat) I have been unable to retain but a small portion on my stomach. I tried the usual remedies, but they had but little or no effect in removing the complaint. I was induced, about two months since, to try your Extract of Sarsaparilla, and I must say with little confidence; but after using nearly two bottles, I found my appetite restored, and the heartburn entirely removed; and I would earnestly recommend the use of it to those who have been afflicted as I have been. Yours, &c. W. W. VAN ZANDT.

Piles, Piles, Piles.

Dr. Townsend's Sarsaparilla is no less successful in curing this distressing complaint, than for diseases of the Blood, Dyspepsia, Rheumatism, and Nervous Debility. Read the following:—

Dr. Townsend—Dear Sir: The effects of your Sarsaparilla are truly wonderful. For the last six or eight years past, I have been subject to severe attacks of the piles, during which I have suffered all the tortures of that complaint, and had despaired of ever finding relief except in death. I have the pleasure to inform you "there is yet balm in Gilead." I have used two bottles of your Sarsaparilla, and feel no remains of my old complaint. I send you this for publication, and any person you may refer to me, I would be happy to inform of the benefit I have received at your hands. Yours, truly,

July 6, 1846. JOHN HALL, 49 Fulton st.

Rheumatism.

This Sarsaparilla is used with the most perfect success in Rheumatic complaint, however severe or chronic. The astonishing cures it has performed are indeed wonderful. Other remedies sometimes give temporary relief; this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen.

Dr. Townsend:—I was attacked with a distressing pain in my hip joint, so bad that I could not walk without my crutches, and much of the time I was obliged to keep my bed. I tried several remedies, but they did not relieve me. I then called on one of our first physicians; he did not help me. I heard of your Sarsaparilla, and obtained a bottle, and in a few days it entirely cured me, and I am as well now as ever.

ASHBELL WALKER.
Albany, Jan. 2, 1845. 22 Dunst st.

Hear Mr. Seth Terry, one of the oldest and most respectable lawyers in Hartford, Conn. The following is an extract of a letter received from him:—

Dr. Townsend:—I have used one bottle of your Sarsaparilla, and find it is excellent in its effects upon a chronic rheumatic pain to which I am subject, from an injury occasioned several years ago in a public stage. Please send me two bottles to the care of Dr. Seymour. I have conversed with two of our principal physicians, and recommend your Sarsaparilla. SETH TERRY.

[illegible]

FOR THE GENERAL [illegible] ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR HABIT OF THE SYSTEM, VIZ:

Scrofula, or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples, or Pustules on the Face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica or Lumbago, and Diseases arising from an injudicious use of Mercury, Ascites or Dropsy, Exposure or Imprudence in Life. Also, Chronic Constitutional Disorders, &c.

THIS preparation is a combination hitherto unknown in the history of Medicine, differing entirely in its character and operations from the various preparations of Sarsaparilla which have been at different times offered to the public. It acts specifically upon the whole system, thereby bringing it under its direct and immediate influence. Although possessed of powerful healing effects, yet it is entirely harmless, so that it cannot injure the most delicate constitution. When in perfect health, no effect is produced by its use except an increase of appetite; but when disease is seated in the frame and carrying fast its victim along the path of life, then its mysterious influence is felt and seen; it enkindles new life and vigor, and brings health and strength to the suffering and diseased.

"TRUTH IS STRANGER THAN FICTION."—LET THE FACTS SPEAK FOR THEMSELVES.—The following certificate is only another link in the great chain of testimony to its merits. Let the afflicted read and be convinced. What it has done once it will do again.

NEW YORK, April 22, 1845.

Messrs. A. B. & D. SANDS.—Gentlemen:—Feeling it a duty due to you and the community at large, I send you this certificate of the all healing virtues of your Sarsaparilla, that others who are now suffering may have their confidence established and use your medicine without delay.

I was troubled with a severe ulcer on my ankle, which extended half way up to the knee, discharging very offensive matter, itching, burning, and depriving me often of my rest at night, and very painful to bear.

I was recommended to use your Sarsaparilla by Mr. James McConnell, who had been cured by it, and after using five bottles, I was completely cured.

I have delayed sending you this certificate for one year since the cure was effected, in order to ascertain with certainty whether it was a permanent cure, and it now gives me the greatest pleasure to add that I have neither seen nor felt the slightest re appearance of it, and that I am entirely well.

Yours very truly,
SARAH M'INTYRE, 240 Delancey st.

MADISONVILLE, Ky., Feb. 22, 1845.

Messrs. A. B. & D. SANDS:—Having used your Sarsaparilla in my family, and witnessed its beneficial effects on one of my children, I feel it to be a duty I owe the community to make the case public. About two years ago, my little son was attacked with Scrofula or King's Evil, which broke out in eight or nine places round the neck and jaw, which finally affected his eyes, rendering him entirely blind. During the first year from the time he was taken, he was attended by several physicians, but continued to get worse until I despaired of his ever getting well. Having seen your Sarsaparilla advertised with certificates of its cure, I concluded I would give it a trial, and accordingly sent to Cincinnati and procured a few bottles, and now, after having used nine bottles, I have the gratification of saying he is well. The sores are all entirely healed, and his sight nearly as good as it ever was, and I have no hesitation in saying that he was entirely cured by the use of your Sarsaparilla.

Yours truly, E. BASSETT.

Crockery Manufactory.
THE Crockery factory at Mandeville has just been completed, and is now prepared to execute and deliver at very moderate prices all commissions which the public may entrust to the proprietors.

In consequence of a clay of superior quality, a collection of the most skilful workmen in Louisiana, and the extreme care and attention bestowed upon all the details of the establishment, the products of the factory at Mandeville surpass in every respect those of other establishments—as well in the fineness of the grain, the solidity and strength of the paste, and the beauty of the varnish; they are particularly remarkable for the elegance and taste of the patterns—a merit hitherto too often overlooked in this department of industry.

The directors of the establishment are prepared to fill the most extensive and varied orders. To gardeners and horticulturists they offer every variety of flower pots, and some of a quality hitherto unknown, together with vases of antique form, Italian do., and the most select and beautiful patterns. To families they offer every species of culinary and household utensil,—all resisting the action of fire. Finally, to architects they tender a large collection of articles necessary for building and ornament, such as slabs, enamelled squares, parisian lamps for drawing rooms, centre tables, &c. &c. &c.

Apply to Messrs. de la Bretonne & Co., at Mandeville, La., or the warehouse, in New Orleans, at the old Basin. [illegible]
