A very Valuable Sugar Land.
Sale without reserve, to effect a partition.
BY N. VIGNIE, Auctioneer,
(Exchange Alley, North corner of Conti street.)
Nos. 34, 38 and 52.

SATURDAY, November 27th, 1847, at 12 o'clock, at the City Exchange, St. Louis street, will be sold the following valuable Sugar Land, without reserve, to effect a partition:

Twenty-two arpents of land, situated in the parish of Plaquemines, on the left bank of the Mississippi, 37 miles below the city, and 9 miles above Pointe a la Hache. This tract is located in one of the best sugar growing regions of Louisiana, the cane being seldom or never injured by frost, and when so, always much less than in other parts of the State. The fact of the mildness of the climate is evident from the quantity of oranges grown there—The soil is light and easily tilled, and is entirely free from coco grass. The depth from the river bank varies from 30 to 35 arpents of wooded land, the balance is a high prairie, affording an excellent grazing ground for cattle. There are about 30 arpents of cleared land. This section of country is remarkable for its salubrity. Game and fish abound in numberless varieties. Communications with the city are frequent. Persons desirous of investing their capital in sugar lands will find this an excellent opportunity, as the sale will be effected without reserve. A plan of the property can be seen at Mr. N. Vignie's.

Terms—One [illegible] cash; balance at 1 and 2 years credit in notes endorsed to the satisfaction of the vendors, and bearing mortgage on the property.—The notes will be divided in coupons to suit the convenience of the vendors. n6 dy
