MEDICAL.

SANDS' SARSAPARILLA, IN QUART BOTTLES.

For Purifying the Blood, and for the Cure of *Scrofula, Rheumatism, Stubborn Ulcers, Dyspepsia, Salt Rheum, Fever Sores, Erysipelas, Pimples, Biles, Mercurial Diseases, Cutaneous Eruptions, Liver Complaint, Bronchitis, Consumption, Female Complaints, Loss of Appetite, General Debility, &c.*

THIS preparation has now stood the test of over 14 years experience, since its first introduction to public favor, during which time numerous imitations have sprung into existence, founding their claims to the confidence of the community on the curative powers contained in Sarsaparilla. Here, the great reputation of ... which has been mainly attributable to the ... wonderful cures effected by the use of this preparation. While Sarsaparilla Root forms an important part of its combination, it is, at the same time, compounded with other vegetable remedies of great power, and it is the peculiar combination and scientific manner of its preparation, that its remarkable success in the cure of disease depends. Other preparations imitate it in its style of putting up, and in bearing the name of one of its ingredients, and here ends the resemblance to it. Those needing a remedy and purifier like this, are requested to note where this difference exists, and in making choice of what they will use, not to take any other but that one entitled to their confidence, from the long list of cures it has effected on living witnesses, whose testimonials and residences have been published, and who are still bearing daily testimony to its worth.

Still further Testimony.

West Killingley, Conn., June 10th, 1851.

Messrs. A. B. & D. Sands: Gentlemen,—The following case came under my observation, in which your Sarsaparilla effected the cure of a severe case of Chronic Rheumatism. The patient, Mr. Joseph E. Green, had been afflicted with rheumatism for years by turns, which sometimes was attended with fever, and put on an acute form for a few days. During the winter of 1847 and 1848, he was confined to the house for some months, being unable to walk out, enduring constant pain and sleepless nights. He used various remedies, under the advice of his physician, which produced but partial relief; and in reply to his inquiry, if something could not be done to effect a permanent cure, I advised him to use your Sarsaparilla. He accordingly commenced its use, and the effect was so marked that he was able to sleep the first night comparatively free from pain. He continued, and before he had taken twelve bottles he was entirely free from the disease, and has remained so since, being able to pursue his business and is now a representative for the town of Brooklyn in our Legislature. Very respectfully yours, WM. A. BREWSTER, M. D.

DR. GEO GHEGAN'S HYDROPIPER, THE GREAT CURE FOR Liver Complaint, Billious Disorder, Chills and Fever, Costiveness, Indigestion, Dyspepsia, AND ALL DISEASES OF THE STOMACH, LIVER AND BOWELS. Also, Scrofula and all Impurities of the Blood.

THIS is a grand assistant of Digestion, and a perfect substitute for Mercury in Liver Complaint, and or Purgative Pills in Costiveness. It also cures Chills and Fever, especially where Quinine has been used and failed.

It is a fine Stimulant and Tonic for torpid and debilitated constitutions.

Though pleasant to the taste, mild and harmless in its action, its power is equal to the most potent drug.

Have you Scrofula?

Then read the annexed postscript of a letter from a highly respectable lawyer of New Madrid, Mo.:

"P. S. You wish to know the success of your Hydropiper. Mr. Presly Phillips informs me that he had a negro who was literally covered with sores, and states that he used Geoghegan's Hydropiper and placed the negro on light diet, and in six weeks he was sound and well. Yours respectfully, F W. ARMSTRONG."

Further Testimony of the Beneficial Effects of Dr. Geoghegan's Hydropiper.

DR. A. E. GEOGHEGAN—My wife was afflicted with Scrofula for a long time, and had been attended by all the best physicians in the country; but without any good effect. She had been unable to walk for more than a year, and part of the time was totally helpless, when I procured some of your Hydropiper. She is now entirely restored to health and can walk about as well as ever.

I have been induced to communicate the above facts purely out of a desire that others migh know of its excellent qualities and profit thereby.

With respect, I am yours, truly, F. G. GAMBLE.

MEDICAL.

FOOD VEGETABLE EXTRACT. DR. MORSE'S INVIGORATING CORDIAL.

A PHENOMENON IN MEDICINE! Health Restored and Life Lengthened —BY— Dr. Morse's Invigorating Elixir or Cordial.

AT FIRST the properties attributed to Professor Morse's Invigorating Elixir or Cordial were deemed fabulous. The public mind deceived could not believe the simple and sublime truths announced by the discoverer. But facts, undeniable facts, attested by witnesses of the highest character and character, are now triumphing over all doubts. Incredulity is overthrown by a mass of testimony which is perfectly irresistible.

The Elixir relieves, in all cases, the deplorable evils arising from a misuse or abuse of the various organs, which make up the wonderful machine called man. It restores to full vigor every delicate function connected with that mysterious compound agency of matter and mind, necessary to the re-production of human life. To persons of feeble muscular frame, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the proper enjoyment of all the natural appetites, as well as the higher mental attributes. Its beneficial effects are not confined to either sex or to any age. The feeble girl, the ailing wife, the listless, enervated youth, the overworn man of business, the victim of nervous depression, the individual suffering from general debility, or from the weakness of a single organ, will find immediate and permanent relief from the use of this incomparable renovator. To those who have predisposition to paralysis, it will prove a complete and unfailing safeguard against that terrible malady. There are many, perhaps, who have so trifled with their constitutions, that they think themselves beyond the reach of medicine. Let not even these despair. The Elixir deals with disease as it exists, without reference to causes, and will not only remove the disorder itself, but

REBUILD THE BROKEN CONSTITUTION.

The derangement of the system, leading to nervous diseases, and the forms of nervous disease itself, are so numerous, that it would require a column to enumerate the maladies for which this preparation is a specific. A few, however, may be enumerated, viz:—neuralgia, tic doloreaux, headache, incipient paralysis, hysteria, palpitation of the heart, spinal affections, muscular debility, tremors, flatulency, a pricking sensation in the flesh, numbness, mental depression, weakness of the will, indisposition to move, faintness after exercise, broken sleep and terrifying dreams, inability to remain in one place or position, weakness of the procreative organs, sexual incompetency, melancholy, monomania, fluor albus, sinking at the stomach, female irregularities, a chronic tendency to miscarriage, emaciation, and all complaints growing out of a free indulgence of the passions, and all barrenness that does not proceed from organic causes, beyond the reach of medicine.

Whenever the organs to be acted upon are free from malformation or stricturial diseases, it is averred that

MORSE'S INVIGORATING ELIXIR

will replace weakness with strength, incapacity with efficiency, irregularity with uniform and natural activity, and this not only without hazard or reaction, but with a happy effect on the general organization. Bear in mind that all maladies, wherever they begin, finish with the nervous system, and that the paralization of the nerve of motion and sensation is physical death. Bear in mind, also, that for every kind of nervous disease the Elixir Cordial is the only reliable preparation known.

CURE OF NERVOUS DISEASES.

No language can convey an adequate idea of the immediate, and almost miraculous change which it occasions in the diseased, debilitated and shattered nervous system, whether broken down by excess, weak by nature, or impaired by sickness—the unstrung and relaxed organization is at once braced, re-vivified and built up. The mental and physical symptoms of nervous disease vanish together under its influence. Nor is the effect temporary, on the contrary the relief is permanent—for the Cordial properties of the medicine reach the constitution itself, and restore it to its normal condition.

LOSS OF MEMORY.

Confusion, giddiness, rush of blood to the head melancholy, debility hysteria wretched ness thoughts of self-destruction, fear of insanity, dyspepsia, general prostration, irritability, nervousness, inability to sleep, diseases incident to females, decay of the propagating functions, hysteria, monomania, vague terrors, palpitation of the heart, impotency, constipation, &c., from whatever cause arising, it is, if there is any reliance to be placed on human testimony, absolutely infalliable.

A GREAT MEDICINE FOR FEMALES.

The unparalleled effects of this great restorative, in all complaints incident to females, mark a new era in the annals of medicine. Thousands of stimulants have been invented—thousand of invigorants concocted—all purporting to be specified in the various diseases and derangements, to which the delicate formation of woman render her liable.

EVERY WOMAN OF SENSE

who suffers from weakness, derangement, nervousness, tremors, pains in the back, or any other disorder, whether peculiar to her sex, or common in both sexes, to give the Invigorating Cordial a trial.

MARRIED PERSONS

or others, will find this Cordial, after they have used a bottle or two, a thorough regenerator of the system. In all directions are to be found the happy parents of healthy offspring, who would not have been so but for this extraordinary preparation. And it is equally potent for the many diseases for which it is recommended. Thousands of young men have been restored by using it, and not in a single instance has it failed to benefit them.

PERSONS OF PALE COMPLEXION,

of consumptive habits, are restored by the use of a bottle or two to bloom and vigor, changing the skin from a pale, yellow, sickly color, to a beautiful florid complexion.

TO THE MISGUIDED.

These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of the sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, derangement of the digestive functions, general debility, symptoms of consumption, &c.

Mentally, the fearful effects on the mind are much to be dreaded. Loss of memory, confusion of ideas depression of spirits, evil forebodings, aversion to society, selfdistrust, love of solitude, timidity, &c., are some of the evils produced. All thus afflicted

BEFORE CONTEMPLATING MARRIAGE

should reflect that a sound mind and body are the most necessary requisite to promote connubial happiness, indeed, without these, the journey through life becomes a weary pilgrimage—the prospect hourly darkens the view, the mind becomes shadowed with despair, and filled with melancholy reflection that the happiness of another becomes blighted with your own.

CAUTION

Dr. Morse's Invigorating Cordial has been counterfeited by some unprincipled persons.

In future all the genuine Cordial will have the proprietor's fac-simile pasted over the cork of each bottle, and the following words blown on the glass:

DR. MORSE'S INVIGORATING CORDIAL, C. H. RING, Proprietor, New York.

☞ The Cordial is put up, highly concentrated, in pint bottles price $3 per bottle, two $5, six for $12. C. H. RING, Proprietor, 192 Broadway, New York.

L. GAMOTIS,

New Orleans, corner Bayou and Rampart sts.

THIS Syrup which is the particular study of its author, and in the preparation whereof he devoted all his time, is an Indigenous Balm.

Repeated experiments have already demonstrated that its medicinal powers are inferior to none of the compounds of this kind heretofore known and recommended with success in the affections of the lungs. It cures cough, expels readily asthmatic oppressions, oppression arising from the strangulation of the bronchial vessels in case of acute or chronic catarrhs. Colds which have resisted the action of numberless remedies have yielded to its application. It is most beneficial in cases of hooping-cough, restoring and increasing the ... of cough. It has the advantage of being pleasant to the taste and of the agreeable and of the uniting the useful to the agreeable.

The dose for grown persons must not exceed 6 large spoonfull in 24 hours, and for children 3 tea spoonfull a day at most. For children under 12 months, one-half tea spoon full is sufficient 3 or 4 times a day. It may be taken without mixture or in an infusion of pectoral flowers. mr 26
