" " " 1844, " 20 " "

They defy fire against the risks of fire in New York or elsewhere, except at this Agency.

The Board of Trustees also resolved, that no dividends of profits should be made until the accumulated earnings shall at least exceed one million of dollars.

The existing scrip and assets available to meet it are, upwards of $900,000, on the 6th ultimo, to which may be added more than $100,000 for premiums after, which, with the profits of the unexpired, adds to the amount of protection to further policies.

The Agency continues to insure against fire, marine and inland risks. Apply at the Agency, corner of Camp and Common streets.
