Important Notice—French Blankets.

THE undersigned has the honor to inform the Planters and Merchants of Louisiana and neighboring states, that in consequence of the death of Mr Jean Mager, he has taken as sole agents and representatives at New Orleans, and for all the Southern States, Messrs. Hte. de Granval & Riffard, who are and will be in future, the ONLY SUCCESSORS of Mr Mager. His depot which is definitely established in this house, will be constantly supplied with FRESH GOODS of the first quality, and he trusts that by their cheapness, durability, and the care taken in their fabrication, to justify and extend the patronage with which he has so long been honored in the United States.

Having learned that some merchants and manufacturers have imitated his mark, and are selling inferior blankets under his name, he embraces this opportunity to inform the public, that HIS ONLY DEPOT is at Hte. de Granval & Riffard's, No 21 Magazine st, and that he will pursue before the Courts of Justice all persons who counterfeit his goods or who sell such as imitations.

The undersigned once more thanks the public for the confidence heretofore reposed in him, and will endeavor to continue meriting it.

Galvanic Rings and Magnetic Fluid.

THIS [illegible] [illegible] Rheumatism, Gout, Tic Doloureux, [illegible] Nervous or Sick Headache, [illegible] Epilepsy, Fits, [illegible] Lumbago, Neuralgia, Nervous [illegible] in the Chests and [illegible] Nervous and Physical Energy [illegible] Nervous Irritability. In cases of Dyspepsia which is simply a nervous derangement of the digestive organs, they have been found equally successful. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience.

The Galvanic Belts, Bands, Bracelets,

Are modifications of the invention and are recommended in more chronic cases of disease, where the Rings do not possess sufficient intensity of power. They are adapted to the waist, arms, wrists, ancles, chest, or any part of the body with perfect ease. Any Galvanic power that is required may thus be obtained, and no complaint which the mysterious agent of Galvanism can effect, will fail to be permanently relieved.

Christie's Magnetic Fluid

Is used in connection with the Ring and their modifications. This composition has been pronounced by the French Chemists to be one of the most valuable discoveries of modern science. It is believed to possess the remarkable power of rendering the nerves sensitive to Galvanic action, by this means causing a concentration of the influence at the seat of disease, and thus giving rapid and permanent relief.

Christie's Galvanic Strengthening Plaster

These articles form an important addition to the Galvanic Rings, acting upon the same principle, but having the advantage of more local application. *As an effectual means for Strengthening the system when debilitated by disease or other causes, and a certain aid in constitutional weakness, as a preventive for colds, and in all affections of the chest generally, the GALVANIC STRENGTHENING PLASTER will be found of great and permanent advantage.*

Numerous certificates and testimonials from many distinguished physicians and others of the North have been received by the Proprietor. These are all from persons of the highest respectability and may be seen on application to the Agent.

The public are respectfully warned against Spurious Imitations of these articles. Dr. CHRISTIE has but one authorized Agent in each city of the Union. GUION & Co., corner of St. Charles and Canal streets, are the sole Agents for New Orleans, of whom alone the genuine article can be obtained. f29—1m
