SEIDLITZ POWDERS.—The virtues of this celebrated preparation, when carefully and faithfully made, are well known; so well as to have created an unprecedented and increasing demand for it, ever since its discovery. The consequence of this immense demand has been (of late particularly) a hasty carelessness in its composition; which if continued, must destroy its reputation as rapidly as it has been made.

Most of the Seidlitz Powders, manufactured at the north, fail (when used here) to produce their salutary effects; and are returned, with complaints, to the seller.

The subscriber has therefore been compelled to use the only means in his power to remedy the evil; and will, in future, carefully prepare them himself. He will warrant his preparation to be equal to any imported from Europe, or any part of the world; to be always fresh and efficacious, and will keep on hand a sufficient quantity to supply the city of New Orleans and its vicinity.
