SUGAR LANDS FOR SALE.

TWO handsome tracts of land adjoining each other, one 31 arpents, the other 14 arpents on the river, by 40 in depth, situate in the parish of Plaquemine, left bank of the river, distant about one mile from the plantation of Mr. Williams, and 30 miles from town.

The tract of 31 arpents is covered with wood down the river, furnishing good fuel as well as express. Of the tract of 14 arpents front, about 100 arpents cleared, and can be worked and cultivated immediately. The two united would form a very handsome Sugar Estate.

The experience of many years shews that the sugar cane succeeds better in this parish than in any other part of Louisiana: that it yields better and in much less subject to frost. The rolling season is generally prolonged to the last days in January without inconvenience. There are now in this parish 22 Sugar Plantations, some of which have not more than from 20 to 30 working hands: and yet this parish during the present season will produce near eight millions pounds of sugar.

Seven steam boats are built or building for the purpose of towing vessels between the Balize and New-Orleans, which secures a good price for the fire wood and insures an important revenue from the uncleared land.

The above tracts of land will be sold together or separately as may suit purchasers, and a long credit will be given on proper security.

For further information, as well as the terms and price, apply to Mrs. A. Abat and Eugène Macarty or to Mr. C. B. Dufau, in New-Orleans, or on the in the parish of Plaquemine.

REMOVAL.

SULPHUROUS BATHS.

DOCTOR RENOU, has the honor of informing his colleagues and the inhabitants of New-Orleans and of Louisiana, that he has removed his establishment of *Sulphurous Baths* from St. Ann Street, No. 122 to Barracks Street No. 156, at the corner of Burgundy in the house lately occupied by Dr. Formento.

It is generally known, how much benefit is obtained by sulphurous bath in cutaneous diseases, rhumatic complaints, palseis and other serious complaints, it is needless to quote here the numerous instances of immediate cure and relief afforded by the application of that remedy.

Mr. Renou has availed himself of his removal, in constructing a new apparatus and making his establishment free from any kind of reproach that could have been made to the former one.

The room for the reception of white people is totally separate from the one fixed for negroes.

His new lodgings afford him the means of receiving certain number of sick persons wishing to board at his house.

He has provided a spacious hospital, and his house being situated in a retired part of the town, less crowded with houses than others, makes the situation perfectly wholesome.

Prices for 12 Baths,	$ 16	,,
6 ,,	9	,,
1 ,,	1	50
For the cure of negroes per day,	1	,,

Doctor Renou will however take, with the persons who will apply to him all possible arrangements.

During the last year of his practice in Paris, Doctor Renou has been intimate with the celebrated Dr. Ducamp inventor of the most efficient method of curing gleichorrhœa (retention of urine,) and he had especially addicted himself to the treatment of that disease; he has now in his possession a complete collection of all the instruments necessary thereto. He may ensure to those persons affected with the above complaint, who will apply to him, a prompt and safer cure from his method of treatment. dec. 24
