HOSTETTER'S
CELEBRATED
STOMACH BITTERS

Has, for its medicinal and tonic virtues, and as a preventive and cure for all stomach diseases so prevalent, especially in seasons of epidemic, in our South-western country, become a standard family and plantation medicine, and therefore has acquired a celebrity and sale throughout the land heretofore unknown to any medical preparation, and in consequence of which unprincipled parties here and in other cities have counterfeited and are selling their vile mixture in our bottles and name, through unprincipled street brokers, or at auction, upon the representation of the genuine Hostetter Stomach Bitters. We place the matter of cause in the country offering to sell Bitters cheap, who are also no doubt engaged in the same nefarious business. Druggists and Grocers should look out for these fellows, and scrutinize all strangers offering Hostetter's Bitters at half or less wholesale price, as no reduction has been made by the proprietors. Purchase of no one but responsible parties or their authorised agents, who would be above any such mean consideration. Hostetter's genuine Stomach Bitters are never sold at auction or by street drug brokers, or by irresponsible parties whatever; but are sold by all of the leading Druggists and Grocers of New Orleans, the names of whom are herein annexed, and can be depended upon, as not only selling a genuine article of Hostetter's Stomach Bitters, but every other article of their trade at fair prices.

We congratulate our friends and the honest public in being able to inform them that we have succeeded in ferreting out the guilty parties who have been for some time manufacturing and selling a counterfeit article of our Hostetter Stomach Bitters. Judge Cooper, of the Sixth District Court of New Orleans, has granted an injunction to stop the manufacture and sale of the said counterfeit article. The parties thus far discovered as being engaged in the manufacture of the counterfeit article are Daniel M. Fiscore and Benjamin A. Johnston, and D. E. Murphy, auctioneer, in the sale of it. See advertisement.

Caution should be exercised by persons purchasing our *Hostetter's Stomach Bitters* to see that every bottle has the fac simile of our written signature on the label, which, no doubt, the fear of imprisonment alone will induce the party put on sale by counterfeiters thus far brought to our notice. Also notice that the name, *Dr. J. Hostetter's Stomach Bitters*, is blown on the side of the bottles, and stamped on the cap covering the cork.

All orders for the genuine article of Hostetter's Stomach Bitters must be addressed to the proprietors,

MISCELLANEOUS

Important to Planters.

We have to-day learned that the great practice of adulterating and selling Cayenne pepper under the name of Dr. McLane's Celebrated Vermifuge, is so extensively with or other Vermifuge; the reason is, that instead of the genuine Dr. McLANE'S VERMIFUGE, they very frequently put one or other of the many worthless preparations called Vermifuge into the market. We therefore beg leave to urge upon the planter the importance and propriety of invariably writing the name in full, and to advise their factors or agents that they will not receive any other than the genuine Dr. McLANE'S CELEBRATED Vermifuge, prepared by Fleming Bros., Pittsburg, Pa.

We would also advise the same precaution in ordering our Dr. McLANE'S CELEBRATED LIVER PILLS. The great popularity of these Pills, as a specific or cure for Liver Complaint, and all the Bilious derangements so prevalent in this South, has induced the vendors of many worthless nostrums to claim for their preparations similar medicinal virtues. Be not deceived.

Dr. McLane's Celebrated Liver Pills

Are the original and only reliable remedy for Liver Complaints that has ever been discovered; and we urge the planter and therefore, to relieve his own and the health of those depending on him, to be careful in ordering. Take neither Vermifuge nor Liver Pills unless you are sure you are getting the genuine Dr. McLANE'S, prepared by

KEROSENE.

NOTICE TO FAMILIES

THE city papers having recently reported the case of a Coal Oil Lamp explosion in the Fourth District, we think it proper to beg our customers not to confound the present Coal or Carbon Oils in the market (the greatest part of which is adulterated) with KEROSENE, a species of Coal Oil we have alone the right to sell in Louisiana.

Kerosene, which is now manufactured under American and English patents, is free from all resin and PROM ANY ADMIXTURE OF ALCOHOL, OR OF ANY VOLATILE OIL WHATEVER. It is a new and inoffensive product, ranking between the wood and the volatile oils, or as all other PURE COAL OILS.

Manufactured by a particular process, thoroughly secured by letters patent, Kerosene is now acknowledged in the United States to be a perfect article and the only substitute for burning oil whatever, as much for its illuminating power and economy as for its inodorous color and deodorization.

For what of Kerosene we have sometimes sold, and we will again sell, under similar circumstances, other coal oils, but in no case are we will always, as the public, fully test these other brands, so as to detect any adulteration in them, or to see if they do not contain an excess of Kerosene, which sometimes poisons the oil while being distilled, and thereby renders it valueless.
