# [illegible] WRITING ACADEMY, 15 CAMP ST.

**PENMANSHIP.**

MESSRS. DOLBEAR have opened their Writing Academy, No. 15 Camp street, where a NEAT AND RAPID BUSINESS STYLE may be learned with ease and certainty.

As Messrs. D. are confident that every person may learn to write a good hand, they wish all their pupils to continue their lessons (without extra charge) until their writing is fit for any business purpose. They believe, if their system were universally adopted, it would prevent so much loss of time and money in the unsuccessful attempt to learn by the tedious plan pursued in most schools and colleges. A few moments' reflection will convince any *reasonable person* that it is absurd, to be four or five years in learning to make with facility twenty six letters.

The following opinion of the Principal of the Natchez Institute, was given after witnessing its success on above three hundred pupils. Men of intelligence in different parts of the United States, who have examined it, uniformly express the same opinion. It then becomes a question with parents and others interested in the cause of education, whether it should not be substituted for a plan by which so few succeed after years of application.

*The fault is not in the teachers*, but in the system taught, or rather the *want of a system*. Most teachers are satisfied that the common method of teaching Penmanship is so unsuccessful as to be almost a useless waste of time, and that no one can be a successful teacher of everything at once.

Penmanship, like Arithmetic, should be taught according to fixed principles, and then the success must be as certain as the adherence to those principles.

Messrs. D. request persons to call and examine their system for themselves.

*To the Messrs. Dolbear*—GENTLEMEN: I deem it my duty to express my opinion of your system of Penmanship, from what I observed during your recent course of instruction in this Institute. I have watched closely, both your method of imparting instruction, and the advancement of the pupils. I am gratified to find, that by your system, hundreds may be taught at a time. It is the *only* system, which I have seen, successfully adapted to public school instruction. It has only to be understood by Teachers, Superintendents, and Trustees in general, to be appreciated and adopted. Very respectfully,

J. PEARL, A. M., Principal of N. Institute.

*Natchez, Dec 22, 1843.*

NASHVILLE, September 20, 1843.

Having been invited by the Messrs. Dolbear, Teachers of Penmanship in this city, we have carefully examined their system, and the specimen of improvement made by their pupils, and feel entirely prepared to say that the system is *scientific* and *much superior* to any other we have seen; that the improvement of their pupils is *very* rapid and we therefore take pleasure in recommending them to the favorable attention of the public.

(Maj. Gen.) E P Gaines, U. S. Army.
His Excellency, Jas C Jones, Governor of Tennessee,
Rt Rev J H Otey, Bishop of Tennessee,
Rt Rev R P Miles, Bishop of Nashville,
Rev Philip Lindsley, D. D. Prest Nashville University,
Dr John S Young Secretary of State,

*From Gen. Andrew Jackson.* Being requested by Messrs Dolbear to state the standing in society of the gentlemen, signers to the within, I do so with pleasure, being acquainted with most of them, and as far as I am acquainted with them, they are highly respectable, and gentlemen of education and of high standing in society. Given at the Hermitage, this 23d day of October, 1843.

ANDREW JACKSON.

NASHVILLE, Sept. 29, 1843.

*Messrs. Dolbear*—Having had a fair opportunity of examining your system of Penmanship, and having seen the wonderful and rapid improvement of your pupils in my school, I consider it but just to say, that I believe it to be not only the *best system*, but the *only one deserving the name*, for by strict attention to the rules given *any* person may, in a very short time, acquire a free, rapid, and elegant hand. I should be pleased to see it universally adopted. Most respectfully, your obedient servant.

ALFRED HUME.

WASHINGTON CITY, June 26, 1843.

*Sir*—Considering a good hand writing to be not only an accomplishment, but a means of success to every man engaged in business, I greatly applaud your meritorious exertions to improve the chirography of the age. A gentleman or lady either who writes badly, never writes willingly, and consequently often fail to write when they should, and when they do write, it is done at the last moment, with haste and impatience, and consequently with faults of all kinds, often committing and injuring both the writer and the cause which he advocates. Wishing you every success in your laudable undertakings,

I remain yours, respectfully, THOS. H. BENTON.

COLUMBIA, TENN, Nov. 20, 1843.

*From the Rt. Rev. Bishop Otey*—Mr. J. W. Dolbear—Dear Sir: I have been much interested and pleased in examining your system of penmanship, and as far as I am capable of forming an intelligent judgment upon the subject, I give it my hearty approval. Your method of teaching seems to me to be both skilful and faithful, and the improvement of your pupils is surprising and rapid beyond any thing I have ever witnessed. I should feel happy if this testimony to your merits shall lead others to avail themselves of your instructions in writing one of the most beautiful and useful of arts, and an every respect[illegible] yours, etc.

JA. H. OTEY.

NEW ORLEANS, July 2, 1832.

*From His Excellency Gov. Roman.* I have examined with attention the system of writing taught by Mr Dolbear, and it is with pleasure that I certify to its superiority over any other with which I am acquainted. Mr. Dolbear having given private lessons to my family, I consider it but justice to add, that I believe him as much worthy of public patronage on account of the correctness and mild[illegible] of his character, as on account of the rapid improvement of those who received his lessons.

A. B. ROMAN.

VICKSBURG, August 31, 1841.

*Letter from the Rev. A. B. Lawrence to Mr. Dolbear.*—Dear Sir—You desire me to express my opinion of the merits of your system of penmanship, as taught by yourself. Having 60 young ladies been taught in your system, [illegible] that system, and seen its immediate and continued results, I am free to state that for speedy improvement of the pupils, for certainty in the formation of a rapid, free, clear and beautiful business hand, and for its continued and permanent benefit to the pupil, I know of no system of teaching that useful art which is comparable to yours. So far as I have observed, those who have learned to write upon your system, generally retain and often improve the beautiful hand which they acquired under your tuition. With a sincere and cordial wish for your success, I remain, with respect, yours. A. B. LAWRENCE,

f13—eotf Principal of Vicksburg Female Institute

**TARRANT'S EFFERVESCENT SELTZER APERIENT.** The so-called reputation which this agreeable preparation enjoys, sanctioned by the most distinguished of the medical faculty in the surest guarantee of its efficacy, and is conclusive evidence that it will prove one of the most deserving medicines of the day, [illegible] eminently worthy the patronage of the public.

The preparation possesses all the active medicinal properties of the famous Seltzer Spring of Germany, with such additions as, and improvements, greatly increasing its beneficial effects—it retains all the sparkling effervescence of a glass of soda water—exerts over the system a healthy action, and thus invariably proves its great efficacy and success. A teaspoon full of this Aperient, in a tumbler of water, before breakfast, will generally be found sufficient in all cases of gout or in the head, excess of bile and acidity of the stomach. Taken in this manner it never interferes with the avocations of the day, and invariably proves an excellent equipment. In dyspepsia or indigestion, irritability of the stomach or occasional flatulency, a speedy removal of the unpleasant symptoms being requisite, the use of this preparation, in a sufficient quantity, is recommended to induce a full evacuation of the bowels, thereby affording immediate relief; the unpleasant feeling is removed, the irritability of the stomach soothed, while the appetite again resumes its former healthy state.

The energies of that important organ, the liver, may be effectually restored when in a torpid state, or when there is not a due secretion of bile, by the use, for a short period, of a tea spoonful of this Aperient, taken in the morning on rising.

In fevers, symptoms will be allayed by taking a tea spoonful occasionally during the day, and being peculiarly grateful to the stomach, forms a delightful effervescent draught.

Captains of vessels would find this preparation a very desirable medicine to have by use at home or when travelling. Its agreeable flavor, its life, its medicinal virtues and portability, neatness of preparation and simplicity in using, renders it far superior to any other ever offered to the public.

**TESTIMONIALS.**

FROM M. PRICE MOORE, M. D.

"I have used your Effervescent Seltzer Aperient in several cases, with very happy results. As a mild Aperient, it has advantage over all other Aperients, particularly in cases of great debility where it is important to save the strength of the patient. It can be made a pleasant drink, and given in such doses as to obtain the object in view. As a family medicine, I think very highly of it, and as such, can be freely used during the summer months."

To Mr James Tarrant No 60 Hudson st.

New York, Nov 18, 1844.

FROM JAMES TRUDEAU, M. D.

"I have often prescribed your Effervescent Seltzer Aperient in this city, and have always been pleased with its operation. It is, in my opinion, a pleasant, safe and mild laxative, calculated to please the most fastidious. To persons residing in warm climates, where a congested state of the liver is a frequent cause of disease, it is a most valuable medicine."

**SAND'S SARSAPARILLA.**

*FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR HABIT OF THE SYSTEM.*

This valuable Medicine is now used and universally approved by the most distinguished of the Medical Profession throughout our country, and, by its intrinsic medicinal value, the public generally (but the afflicted particularly) have been made acquainted with its usefulness, in the removal and cure of diseases having their origin in an impure state of the blood. The Sarsaparilla is combined with other ingredients, all of which are held in the highest estimation by the most distinguished physicians.

As a mild aperient, antiseptic and tonic, it contains the three most useful properties of medicine. It purges, purifies and restores. Scrofula, Cancer, Leprosy, all Ulcers and Scrofulous Sores, all Diseases of the Skin, and all internal disorders not organic, but springing from a diseased circulation, give way before its hygeian influence.

The following interesting case is presented, and the reader invited to its careful perusal. Comment on such evidence is unnecessary.

MADISONVILLE, Ky., February 22, 1845.

Messrs. A. B. & D. SANDS.—Having used your Sarsaparilla in my family, and witnessed its beneficial effects on one my children, I feel it to be a duty I owe the community to make the case public. About two years ago my little son was attacked with Scrofula or King's Evil, which broke in eight or nine places round the neck or jaw, and which finally affected his eyes rendering him entirely blind. During the first year from the time he was taken, he was attended by several physicians, but continued to get worse until I despaired of his ever getting well. Having seen your Sarsaparilla advertised with certificates of its cures, I concluded I would give it a trial, and accordingly sent to Cincinnati and procured a few bottles, and now, after having used in all nine bottles, I have the gratification of saying he is well. The sores are all entirely healed, and his sight nearly as good as ever it was; and I have no hesitation in saying that he was entirely cured by the use of your Sarsaparilla.

Yours, truly, E. BASSETT.

NEW YORK, April 28, 1845.

Messrs. A. B. & D. SANDS: Gentlemen,—I was troubled with a severe ulcer on my ancle, which extended half way up to the knee, discharging very offensive matter, itching, burning, and depriving me of my rest at night, and very painful.

I was recommended to use your Sarsaparilla by Mr. James McConnell, who had been cured by it, and after using five bottles I was completely cured.

I have delayed sending you this certificate for one year since the cure was effected, in order to ascertain with certainty whether it was a permanent cure, and it now gives me the greatest pleasure to add that I have neither seen nor felt the slightest reappearance of it, and that I am entirely well.

Yours, very truly, SARAH M'INTYRE,
940 Delancy street, New York.

MOBILE, Ala., Nov. 26, 1845.

Messrs. SANDS,—I deem it an act of justice to myself and the community at large, to relate the following facts which occurred in our neighborhood in the latter part of July last. Jane C——, a young girl aged fourteen years, was afflicted with an immense sore on the middle of her back, which defied all the treatment of medical skill. At last some person mentioned to me your Sarsaparilla, and I immediately procured two bottles of Messrs. Mosely & Tucker, your Agents in this city, which I gave to her. I called to see her the next day, and she told me had taken two doses and felt very much relieved. I laughed immoderately at this, but she said it was really so, and, gentlemen, in a word, in two weeks from the time she commenced using it, there was neither sign nor appearance of where the sore had been.

Yours, respectfully, J. G. HOUSEMAN, 23 Dauphin st.

For further particulars and conclusive evidence of its superior value and efficacy, see pamphlets which may be obtained of Agents gratis.

Prepared and sold, wholesale and retail, by A B & D SANDS, Wholesale Druggists, 100 Fulton street, New York.

Sold also by SICKLES & CO, 24 Magazine and 40 Canal street; A OLIVER & CO, and E J DUPLESSIS, New Orleans; MOBLEY & TUCKER, Mobile, and by Druggists generally throughout the United States. Price $1 per bottle—Six bottles for $5.

☞ The public are respectfully requested to remember that it is Sands's Sarsaparilla that has and is constantly achieving such remarkable cures of the most difficult class of diseases to which the human frame is subject; therefore ask for Sands's Sarsaparilla, and take no other.

THE undersigned has the honor to inform the Planters and Merchants of Louisiana and neighboring states, that in consequence of the death of Mr Jean Mager, he has chosen as his sole agents and representatives at New Orleans, and for all the Southern States, Messrs Hte. de Goer and Riffard, who are and will be in future, the ONLY SUCCESSORS of Mr Mager. His depot which is definitively established in this house, will be constantly supplied with FRESH GOODS of the first quality, and he trusts that by their cheapness, durability, and the care taken in their fabrication, to justify and extend the patronage with which he has so long been honored in the United States.

**Galvanic Rings and Magnetic Fluid.**

THIS remarkable discovery which has attracted so much attention in Europe [illegible] in the Northern States, is now introduced for the [illegible] of the citizens of New Orleans. It comprises [illegible] safe and simple application of the Mysterious Power of Galvanism as a remedial agent. The GALVANIC RINGS in connection with the MAGNETIC FLUID have been used with the most perfect success in diseases of RHEUMATISM, acute or chronic, applying to the head face or limbs; *Gout, Tic Doloreux, Toothache, Bronchitis, Vertigo, Nervous or Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits, Cramp, Palpitation of the Heart, Apoplexy, Stiffness of Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Dizziness of the Head, Pains in the Chest and Side, General Debility, Deficiency of Nervous and Physical Energy, and all Nervous Disorders.* In cases of Dyspepsia which is simply a nervous derangement of the digestive organs, they have been found equally successful. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience.

*The Galvanic Belts, Bands, Bracelets,*

Are modifications of the invention, and are recommended in more chronic cases of disease, where the Rings do not possess sufficient intensity or power. They are adapted to the waist, arms, wrists, ancles, chest, or any part of the body with perfect ease. Any Galvanic power that is required may thus be obtained, and no complaint which the mysterious agent of Galvanism can effect, will fail to be permanently relieved.

*Christie's Magnetic Fluid*

Is used in connection with the Rings and their modifications. This composition has been pronounced by the French Chemists, to be one of the mostvaluable discoveries of modern science. It is believed to possess the remarkable power of *rendering the nerves sensitive to Galvanic action*, by this means causing a concentration of the influence at the seat of disease, and thus giving rapid and permanent relief.

*Christie's Galvanic Strengthening Plaster.*

These articles form an important addition to the Galvanic Rings, acting upon the same principle, but having the advantage of more local application. *As an effectual means for Strengthening the system when debilitated by disease or other causes; as a certain aid in constitutional weakness; as a preventive for colds, and in all affections of the chest generally, the* GALVANIC STRENGTHENING PLASTER *will* be found of great and permanent advantage.

☞ Numerous certificates and testimonials from many distinguished physicians and others of the North have been received by the Proprietor. These are all from persons of the highest respectability and may be seen on application to the Agent.

The public are respectfully warned against SPURIOUS IMITATIONS of these articles. Dr. CHRISTIE has but one authorized Agent in each city of the Union. GUION & Co., corner of St. Charles and Canal streets, are the sole Agents for New Orleans, of whom alone the genuine articles can be obtained. j26—1m
