MEDICAL.

SAND'S SARSAPARILLA
IN QUART BOTTLES.
For Purifying the Blood, and for the Cure of *Scrofula, Rheumatism, Stubborn Ulcers, Dyspepsia, Salt-Rheum, Fever Sores, Erysipelas, Pimples, Biles, Mercurial Diseases, Cutaneous Eruptions, Liver Complaint, Bronchitis, Consumption, Female Complaints, Loss of Appetite, General Debility, &c.*

In this preparation all the restorative properties of the root are concentrated in their utmost strength and efficacy; but while Sarsaparilla Root forms an important part of its combination, it is, at the same time, compounded with other vegetable remedies of great power, and it is in the peculiar combination and scientific manner of its preparation, that its remarkable success in the cure of disease depends. It acts simultaneously upon the stomach, the circulation and the bowels; and thus three processes, which are ordinarily the result of three different kinds of medicine, are carried on at the same time, through the instrumentality of this one remedial agent, which exerts a stimulant while it disinfects and expels from the stomach and bowels all that is irritating, and at the same time restores their vigor and tone. Many other preparations imitate it in bearing the name of Sarsaparilla, and in that their resemblance ends, being often prepared from worthless and inert roots, and of course possess no healing or curative properties, and patients in making choice of which they will use should take no other, but that one entitled to their confidence, from the long list of cures it has effected on living witnesses, whose testimonials and residence have been published, and who are still bearing daily testimony to its worth.

Astonishing Cure.

PATTERSON, N. Y., 20th, 1851.

Messrs. A. B. & D. SANDS: Gentlemen—Having witnessed the most beneficial effect from the use of your Sarsaparilla, it gives me pleasure to send you the following statement in regard to my son. In the spring of 1848 he took a severe cold, and after eight weeks of severe suffering the disease settled in his left leg, which soon swelled to the utmost. The suffering was lanced by his physician, and discharged most profusely: after that no less than eleven ulcers formed on the leg and foot at one time.—We had five different Physicians, but none relieved him much; and the last winter found him no constant, and I saw that he was unable to leave his bed, suffering the most excruciating pain. During this time the bone had become so much affected that piece after piece came out, of which he has now more than twenty-five preserved in a bottle, varying from one half to one and a half inches in length. We had given up all hopes of his recovery, but at this time we were induced to try your Sarsaparilla, and with its use his health and appetite began immediately to improve, and so rapid was the change that less than a dozen bottles effected a perfect cure.
With gratitude, I remain truly, yours,
DARIUS BALLARD.

We, the undersigned, neighbors of Mr. Ballard, cheerfully subscribe to the facts of the above statement.

AYER'S

CHERRY PECTORAL,
For the rapid Cure of
COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

We invite the attention of the Public to the Certificates appended below, and bespeak for them that candid consideration which their honest frankness deserves.

Men in such stations as many who voluntarily bear witness to the efficacy and value of CHERRY PECTORAL, do not want only trifle with, or distort facts, nor overstate their convictions. Judge then, whether this is not the medicine to trust when you must have relief for the throat or lungs; judge too, whether every family ought not to have it by them as a safeguard against the everywhere prevailing enemy which steals with fatal frequency upon almost every flock and carries off the lamb from many a home!

Jackson, C. H., Jackson City, O., 20th Nov., 1852.
Dr. J. C. AYER,
Sir: The CHERRY PECTORAL is much inquired after. Several of our best Physicians have used it, direct it for them in their own case, and always with the happiest effects. The numerous instances of its good influence has taught them, legal to recommend it always before them, head to every family a nice medicine in every new remedy; and it is only after undoubted evidence of value in any article, that anything like a general confidence can be acquired.
Of the immense use of [illegible] of this combination of agents in the CHERRY PECTORAL, proved beyond cavil by repeated trial under their own observation, so satisfactory. It is beyond all doubt the best general remedy we have for the Pulmonary Affections of this climate, at the same time so safe and expectorant a character.
In the hope that it will prove its own reward, I subscribe myself
Respectfully yours,
JAS. H. C. MILLER, M. D.

Allegan, Mich., 10th January, 1853.
Dear Sir—No one, no not one—my woman, or child—can be found to deny that the CHERRY PECTORAL is all that it claims to be. There is much used in this vicinity, although new known until recently. The community should know its virtue.
Yours truly,
JOHN R. KELLOGG, M. D.

GOOD MEDICINES.
STABLER'S
ANODYNE CHERRY EXPECTORANT
OR COUGHS, COLDS, BRONCHITIS, CROUP, &c
STABLER'S
DIARRHOEA CORDIAL

THE valuable medicines above named, are not empirical, but are prepared in agreement with the experience of some of the most learned and judicious practitioners, and are not secret, further than is necessary to protect the proprietors and those who use them from loss and imposition, as the component parts have been shown to the physicians, CONFIDENTIALLY, from time to time, to perhaps

300 PHYSICIANS!!!

In Maryland, Virginia, District of Columbia, Ohio, and other places, all of whom, without a single exception, have approved of the formula, and most of them acknowledge that they are the best remedies that they ever knew for the cure of the diseases for which they are recommended. Our confidence in the excellence of these medicines, added to our desire to avoid the just prejudice of the medical profession against secret and quack nostrums, induced us to adopt this candid course. We append a few of the notices we have received from Physicians, viz:
From Dr. William H. Farrow of Snow Hill, Md.
Gentlemen—I have frequently in my practice prescribed your "Stabler's Anodyne Cherry Expectorant" and "Diarrhoea Cordial," with great satisfaction to myself, and to the entire relief of my patients. I have no hesitation in recommending them to the medical profession as the best preparations for the diseases for which they are recommended, and most assuredly to the public as safe and reliable medicines...
From Dr. Wm. H. Farrow, of Snow Hill, Md.
...as the component parts of these medicines are not secret...
Doct. W. S. Love writes to us that he has administered the Expectorant to his wife, who has had the Bronchitis for fourteen years, and that she is fast recovering from her long-standing malady. It has in a few weeks done her more good than all the remedies she had heretofore used under the most judicious medical treatment.
From Dr. H. P. Worthington, Laurel, Md.
"After several months use of your Expectorant, both in my own family and in general practice, I am confirmed in the opinion expressed of it when first made acquainted with the recipe. For one, I thank you for so CONVENIENT and ELEGANT a preparation of the Wild Cherry."
From Geo. Gerry, M. D., of Somerset Co., Md.
"Gentlemen—I have used many of the different Cherry Expectorants, and I do assure you that yours far exceeds any I have ever tried."
From Dr. J. Ridgway Andre, of Kingston, Talbot Co., Md.
"Having examined the component parts of Stabler's Anodyne Cherry Expectorant; also of 'Stabler's Diarrhoea Cordial,' and having used them in practice, I feel no hesitancy in recommending them."
From J. E. Marsh, M. D., Kent Co., Md.
"I have made free use of your Diarrhoea Cordial in my family. It gives me much pleasure to add my testimony to that of others, in favor of its efficiency."
From Samuel Martindale, M. D., Chesapeake City, Md.
"I have much pleasure in adding my testimony in favor of your valuable Cherry Expectorant. I have, after an extensive use, found it to answer all my expectations."
From Dr. Daniel W. Jones, Somerset Co., Md.
"I have given your Expectorant and Diarrhoea Cordial a fair trial, and am delighted with their effects, never having had them to fail in a single instance. I shall take pleasure in recommending them."
We have been favored with a written certificate, cheerfully given by numerous MEDICAL gentlemen in Maryland, Virginia and Ohio, which alone should convince the most doubting, that these are really "Good Medicines" after stating that they are acquainted with the composition of both the Expectorant and Cordial, and that they have administered them to their patients, they testify "that they are remedies of GREAT VALUE, SAFE, EFFICIENT and WELL WORTHY of the patronage of the Profession and the Public, that they are MORE RELIABLE THAN ANY OTHER proprietary medicines with which we are acquainted," &c.
The above notices of recommendation from members of the Medical Faculty, Pharmaceutists of high standing, and Merchants of the first respectability, should be sufficient to satisfy all, that these medicines are worthy of trial by the afflicted, and that they are of a different stamp and class from the "Quackery" and "Cure-All" so much imposed upon the public.
See the descriptive Pamphlets, to be had gratis of all who have the medicine for sale, containing recommendations from Doctors Martin, Bolmell, Addison, Payne, Handy, Love, etc.
For sale by Druggists, Apothecaries and Country Store-keepers generally, at the low price of Fifty cents per bottle, or six bottles for $2 50.

MEDICAL.

PURE CONCENTRATED EXTRACT
PROF. MORSE'S
INVIGORATING CORDIAL.
A PHENOMENON IN MEDICINE
[illegible] Life Lengthened
Dr. Morse's Invigorating Elixir or Cordial.

AT FIRST the properties attributed to Professor Morse's Invigorating Elixir or Cordial were deemed fabulous. The public often deceived could not believe the simple and sublime truths announced by the discoverer. But facts, undeniable facts, attested by witnesses of the highest classes and character, are now triumphing over all doubts. Incredulity is overthrown by a mass of testimony which is perfectly irresistible.

The Elixir remedies, in all cases, the deplorable evils arising from a misuse or abuse of the various organs, which make up the wonderful machine called man. It restores to full vigor every delicate function connected with that mysterious compound agency of matter and mind, necessary to the re-production of human life. To persons of feeble muscular frame, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the proper enjoyment of all the natural appetites, as well as the higher mental attributes. Its beneficial effects are not confined to either sex or to any age. The feeble girl, the ailing wife, the listless, enervated youth, the overworn man of business, the victim of nervous depression, the individual suffering from general debility, or from the weakness of a single organ, will find immediate and permanent relief from the use of this incomparable renovator. To those who have pre-disposition to paralysis, it will prove a complete and unfailing safeguard against that terrible malady. There are many, perhaps, who have so trifled with their constitutions, that they think themselves beyond the reach of medicine. Let not even these despair. The Elixir deals with disease as it exists, without reference to causes, and will not only remove the disorder itself, but

REBUILD THE BROKEN CONSTITUTION.

The derangement of the system, leading to nervous diseases, and the forms of nervous disease itself, are so numerous, that it would require a column to enumerate the maladies for which this preparation is a specific. A few, however, may be enumerated, viz:—neuralgia, tic doloreaux, headache, incipient paralysis, hysteria, palpitation of the heart, spinal affections, muscular debility, tremors, flatulence, a pricking sensation in the flesh, numbness, mental depression, weakness of the will, indisposition to move, faintness after exercise, broken sleep and terrifying dreams, inability to remain in one place or position, weakness of the procreative organs, sexual incompetency, melancholy, monomania, fluor albus, sinking at the stomach, female irregularities, a chronic tendency to miscarriage, emaciation, and all complaints growing out of a free indulgence of the passions, and all barrenness that does not proceed from organic causes, beyond the reach of medicine.

Whenever the organs to be acted upon are free from malformation or strictural diseases, it is averred that

MORSE'S INVIGORATING ELIXIR

will replace weakness with strength, incapacity with efficiency, irregularity with uniform and natural activity, and this not only without hazard or reaction, but with a happy effect on the general organization. Bear in mind that all maladies, wherever they begin, finish with the nervous system, and that the paralization of the nerve of motion and sensation is physical death. Bear in mind, also, that for every kind of nervous disease the Elixir Cordial is the only reliable preparation known.

CURE OF NERVOUS DISEASES.

No language can convey an adequate idea of the immediate, and almost miraculous change which it occasions in the diseased, debilitated and shattered nervous system, whether broken down by excess, weak by nature, or impaired by sickness—the unstrung and relaxed organization is at once braced, revivified and built up. The mental and physical symptoms of nervous disease vanish together under its influence. Nor is the effect temporary, on the contrary the relief is permanent—for the Cordial properties of the medicine reach the constitution itself, and restore it to its normal condition.

LOSS OF MEMORY.

Confusion, giddiness, rush of blood to the head, melancholy, debility, hysteria, wretchedness, thoughts of self-destruction, fear of insanity, dyspepsia, general prostration, irritability, nervousness, inability to sleep, diseases incident to females, decay of the propagating functions, hysteria, monomania, vague terrors, palpitation of the heart, impotency, constipation, &c. from whatever cause arising, it is, if there is any reliance to be placed on human testimony, absolutely infallible.

A GREAT MEDICINE FOR FEMALES.

The unparalleled effects of this great restorative, in all complaints incident to females, mark a new era in the annals of medicine. Thousands of stimulants have been invented—thousand of invigorants concocted—all purporting to be specified in the various diseases and derangements, to which the delicate formation of woman render her liable.

EVERY WOMAN OF SENSE

who suffers from weakness, derangement, nervousness, tremors, pains in the back, or any other disorder, whether peculiar to her sex, or common in both sexes, to give the Invigorating Cordial a trial.

MARRIED PERSONS

or others, will find this Cordial, after they have used a bottle or two, a thorough regenerator of the system. In all directions are to be found the happy parents of healthy offspring, who would not have been so but for this extraordinary preparation. And it is equally potent for the many diseases for which it is recommended. Thousands of young men have been restored by using it, and not in a single instance has it failed to benefit them.

PERSONS OF PALE COMPLEXION,

or a consumptive habit, are restored by the use of a bottle or two to bloom and vigor, changing the skin from a pale, yellow, sickly color, to a beautiful florid complexion.

TO THE MISGUIDED

These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, derangement of the digestive functions, general debility, symptoms of consumption, &c.

Mentally, the fearful effects on the mind are much to be dreaded. Loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self-distrust, love of solitude, timidity, &c., are some of the evils produced. All thus affected

BEFORE CONTEMPLATING MARRIAGE

should reflect that a sound mind and body are the most necessary requisite to promote connubial happiness, indeed, without these, the journey through life becomes a weary pilgrimage—the prospect hourly darkens the view; the mind becomes shadowed with despair, and filled with melancholy reflection that the happiness of another becomes blighted with your own.

CAUTION.

Dr. Morse's Invigorating Cordial has been counterfeited by some unprincipled persons.

In future all the genuine Cordial will have the proprietor's fac-simile pasted over the cork of each bottle, and the following words blown on the glass:

PROFESSOR O. J. WOOD'S
UNEQUALLED HAIR RESTORATIVE!
Old Ladies and Gentlemen Made Young!
The Greatest Event of 1854!

NOTHING has occurred since the foundation of this city that has caused so great a sensation as the opening of PROFESSOR O. J. WOOD'S HAIR RESTORATIVE DEPOT at J. WRIGHT & CO'S, where all can be supplied at short notice. Call one, call all, before it is too late. Any information required can be had.

It will give the bald-headed youthful locks, turn gray hair to its natural color, and remove all dandruff and disagreeable matter from the scalp. It also invigorates the Hair, and makes it soft and glossy, as the ingredients act upon the roots of the same. It has been tested by scientific, as well as by men who stand high in the public esteem, and has been found satisfactory.

Over 5000 Bottles have been Sold

within the last three months, in the city of St. Louis and vicinity, alone. And sold over TWICE THAT NUMBER in the State of Ohio, Kentucky, Indiana, and Illinois. Of the immense number of letters and certificates which are voluntarily sent every day to the Proprietor, he would select a few, and present them here to the public's attention.

ST. LOUIS, Sept. 20, 1853.
DR. O. J. WOOD—Sir: I have used nearly two bottles of your Hair Restorative, and have found its effects very satisfactory. It has entirely destroyed all dandruff from my head, and restored my hair to its original color, and which had become quite gray.
WILLIAM TRUESDALE.

SAINT LOUIS, Oct. 24, 1853.
PROF. O. J. WOOD—Dear Sir: At your request, I willingly give you a statement of the effects of your Hair Restorative upon my hair. I commenced its use when my hair was quite gray, and I soon began to see its effect in restoring the natural fluid to it; it immediately began to change to its native color, until it is entirely restored: and from carefully watching its effects, I am satisfied that it is not only entirely healthy in its effects, but that if faithfully applied according to directions, no lady will be disappointed. I therefore cheerfully recommend it to all my friends and all who have use for such an article.
Respectfully, Yours, MRS. E. BEARDSLEY.

ST. LOUIS, Sept. 29, 1853.
PROF. WOOD—Dear Sir: By the advice of a friend of mine, who had been using your Hair Restorative, I was induced to try it—discovering, to my great astonishment, that my friend's hair, which, when I last saw him before, was very gray, had become completely restored to its original color, having as fine and glossy an appearance as it had when I knew him twenty years ago.
I commenced using the Restorative about five weeks ago, and am perfectly convinced that it will produce the desired effect, it having restored the color of my hair, more than half of which was white, to precisely the same it was when I was twenty years old, with the same healthy and glossy appearance. I have no hesitation in recommending it to my friends and the public generally, believing that, if used according to directions, they will not be disappointed.
Yours, very respectfully, N. B. HOLMAN.

COLLEGE.
St. Ann Street, facing the Place d'Arms, Old "Congo" Square, under the direction of
MR. JEGOU,
Master of Arts and Mathematical Sciences.
Encouraged by the kindness and patronage of several families of standing, I have determined to open a College, securing to parents for their children the same advantages as those offered by Colleges in New Orleans, where a thorough education is received. For the purpose of obtaining the object for which this College is founded, I have secured the co-operation of the most competent Professors, who will give instructions in every course of instruction, some in English and others in French; those two languages being indispensable. A good education should comprise the training of the heart as well as that of the mind; the Professors will, therefore, have a proper regard for both in their teachings, and both will be the object of their care.
Religion, the most essential part of education, will receive from them and myself, special attention.
The College, fronting the Public Square, (old "Congo" Square) possesses all the advantages of a healthy location, and, enjoys a beautiful view.
With a view to foster the emulation of the students, the first day of each month will be devoted to a Literary Soiree, at which the results of the several examinations will take place, and the distribution of the several prizes earned during the month, will be made to the students.
In order to take, as much as possible, children of the same age, a Primary School is attached to the College, in a separate portion of the establishment.
PRIMARY SCHOOL—Branches of Instruction—Reading, Writing, Arithmetic, English, French, Geography and History of the United States.
Price of Tuition—Four Dollars.
COLLEGE—Branches of Instruction—Writing, Book-keeping, English, French, Greek, Latin, History, Geography, Physical and Natural Sciences and Mathematics. Such pupils as desire it, will also be taught Drawing, Music, Fencing and Dancing will be charged separately.
Price of Tuition—Five, Six, Seven and Eight Dollars.
Hours of Tuition—From 8 o'clock in the morning to 3 in the afternoon.

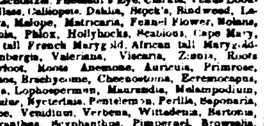
B. ANTOGNINI,
Manufacturer of Billiard Tables, &c.,



No. 12 and 14 Conti Street, Between Chartres and Levee Streets,
BEGS leave to inform amateurs and proprietors of Billiards, that he is now ready to furnish them with Billiard Tables of a new kind, and superior to all those which have heretofore been in use, whether manufactured in France or the North or West of the United States.
The repairs which he is every day called upon to make to Billiard Tables coming from those countries have enabled him to ascertain the kind of construction which is best suited to resist the temperature of damp climates.
The table and bands of a Billiard being generally the parts which are most liable to deterioration, particular attention has been paid to the construction of these parts.
Every Billiard built by him has a Mahogany table, combined with Oak, Cherry and Hickory, thus warranting them from warping in any direction.
The bands are made of Patent India Rubber, invented by him, and far superior to the French caoutchouc used in different manufactures; those India Rubber sides have been used by him since 1849, and have always given great satisfaction.
Gentlemen may satisfy themselves of the above by visiting his establishment, where they will always find mounted Billiard Tables, ready for playing and they will be convinced that the balls do not jump.
EVERY BILLIARD TABLE BOUGHT FROM HIM IS WARRANTED FOR A NUMBER OF YEARS LIMITED BY THE PURCHASER.
He has constantly on hand a great variety of New and Second-Hand Billiard Tables.
Also—BALLS and PINS, for Ten pin Alleys, complete Loto Sets, &c. &c. Also—
EIGHT LEG BILLIARDS.
Persons unable to come to New Orleans and who may desire to procure any of the above named articles, have only to communicate their orders to B. ANTOGNINI, who will execute them satisfactorily.
B. Antognini has also the honor to inform his friends and the public in general, that in consequence of an arrangement with one of the largest manufacturers of Bilboa Cloths, he will be enabled to furnish the cloth at a very reduced price, and is prepared to sell at an exceedingly low price.
The extension of his house, and the relations which he has established, and continues to establish, with the best manufactories of France and the U. States, enable him to sell all articles in his line at prices below the current rates. my11 ly
