FOR FEMALES AND MALES.

"Be ye Fruitful and Multiply."

SOLD ONLY AT NO. 59 POYDRAS STREET.

Dr. Larzetti's Juno Cordial, or Procreative Elixir.

THIS is the only actual remedy ever discovered for impotency, genital debility, nocturnal emissions, and all diseases occasioned by certain secret habits and many of the nostrums recently recommended for the same complaints are worthless imitations, which its unrivalled excellence, fame and popularity have brought into the market. The medical faculty of Europe and the United States are unanimous in their recommendations of the Juno Cordial, and have not given their sanction, in a single instance, to any compound for the same purposes. The nature of the maladies relieved by the Juno Cordial are generally such as to leave the publication of certificates of cures out of the question, or the proprietor could produce a host of the most conclusive testimony to show that the great reputation that it possesses was not accidentally obtained, but is firmly based upon its positive, and apparently miraculous virtues. In all directions are to be found the happy parents of healthy offspring, who would not have been so but for this extraordinary preparation. And it is equally potent for the many diseases for which it is recommended. Object on has been naturally made to the price of the Juno Cordial, because the trash that has been thrown into the market in opposition to it is sold cheaper; but the fact is, the Cordial cannot be afforded for less, and ought to be much dearer, as many of the ingredients which compose it are among the costliest things in nature, whereas the others are made up of cheap drugs, worth but little in money, and less in merit. We assure the reader that the utmost reliance may be placed on the Juno Cordial in the cure of the maladies mentioned above, and also of those which follow, viz: loss of muscular energy, physical lassitude and general prostration, irritability, and all nervous affections, indigestion, sluggishness of the liver, gleet, or leucorrhoea or whites, and floor albus, and every disease in any way connected with the disorder of the procreative functions—in all of which it will afford almost immediate relief, and, if used as directed, is almost certain to produce a positive and permanent cure. Persons about to marry, if conscious of any weakness or debility of a certain nature, should take this Cordial, as it will infallibly restore health and vigor in a brief period, and where want of offspring is a cause of regret, if recourse be had to it, the most beneficial results may be anticipated with confidence. It is of priceless value to those without offspring. It has taken the precedence in Italy, and will in all other countries where it may become known.

It also possesses the unrivalled qualities of curing incipient consumption, and I have administered it with great success to patients who have sought our delightful climate for the restoration of their health, and the result is that a medicine has been added to the catalogue for the cure of incipient consumption.

To spread wide the blessings of this medicine, I have appointed Messrs. Judson & Co., of the city of New York, in the United States of America, my sole agents for its sale; and none can be genuine unless it comes through them, and their signature is on the wrapper. ANTONIO LARZETTI.

Naples, July 16, 1848.

Daily's and Connell's Magical Pain Extractor, for burns, scalds, erysipelas, rheumatism, sprains, tic doloreaux, bruises, sore eyes and nipples, sores, &c, &c.

Caution—Ask for the Juno Cordial, and take no other. Sold only in the Southern States by COMSTOCK & CO., 59 Poydras st., N. O., and 69 Second street.

Also, Hays' Liniment, which will cure any case of Piles. Acoustic Oil, a cure for deafness.
