FIRE PROOF SAFES.
THE subscriber has constantly on hand for sale, an assortment of Rich's Improved patent Salamander Book Safes, comprising twelve sizes and various patterns.
The subjoined certificate affords ample evidence of the fire proof qualities of these safes, and their superiority in all other respects can be established by the testimony of seventy houses and individuals in this city and vicinity, who have the article in use.
j14 ISAAC BRIDGE, 76 Magazine st
The undersigned has this day witnessed the trial of one of Rich's Improved Patent Salamander Safes, in the furnace of the steamer Sea Bird.
The safe was place in the furnace, at ten minutes after 11 o'clock a. m., and remained there three hours, constantly exposed to the most intense heat that could be created by the use of pitch-pine and cotton wood. It was then taken to the store of Mr Rich's Agent, in this city, and opened, when they found that the contents were neither burned nor scorched, and that the wood-work bore no appearance of having been exposed to fire.
The undersigned are convinced that this safe was subjected to greater heat than could possibly exist at the burning of any building in this city, however combustible its contents, and they therefore have no hesitation in saying that Rich's Safes are eminently secure against the risk of fire under any circumstances whatever.

DYEING AND SCOURING IN GENERAL.
NOTICE—Messrs MONDELET & Co, have the honor to inform the public, that on the 1st June next, they will open, at No 190 Chartres street, opposite the Orleans Hotel, A DYEING AND SCOURING Establishment.
This knowledge they have acquired of this art, by many years labor in the first houses in Paris, and by a diligent study of chemistry applied to dying, induce them to hope that no hesitation will be felt in entrusting to them the most valuable articles either for dying or scouring, convinced as they are that such articles will be as carefully and properly attended to as at Paris. Those who may honor them with their confidence will be convinced of their skill, by the care and elegance of their work, and by the finish imparted to it.
They dye and scour all kinds of articles, such as silk, merinos, mousseline laines, cashmeres, crapes, tulles, velvet plain or figured, straw hats, furniture covers, carpets, church ornaments, ball and theatrical costumes, silk and thread gloves, silk stockings; they clean silk dresses without changing the colors. By new chemical processes they bleach muslins, jaconets and print dresses, giving them the appearance of new materials. They clean and dye kid gloves, all kinds of feathers, gentlemen's clothing without injuring them, and giving them all the neatness of new articles. They dye clothing black for mourning in twenty-four hours, and warrant the durability of the colors.—They likewise re-dye black stuffs, giving them various colors.
Terms moderate. m21—9m

BATHS, BATHS.

FIRST MUNICIPALITY STEAM FERRY FLOATING BATHS.
THE public is informed that this establishment will be opened for the season on Sunday, May 19th, 1844, on the other side of the river, within a few yards of the landing of the Ferry of the First Municipality. The accommodations offered to the bathing community are such as have never been equalled by any similar establishment in this city.
The dimensions of the bathing room, or basin, are: 140 feet in length by 40 feet in breadth, with a depth of water of from 3 to 12 feet; 120 feet of this basin is of a sufficient depth for almost any number of swimmers—each bather will be furnished with a separate dressing room, &c &c.
There are two spacious promenade decks extending over the whole bath, covered in with awning, which will afford an agreeable resort to the bathers and public at large, they being supplied with a Bar and all kinds of refreshments.—It is scarcely necessary to observe that the site chosen for the Ferry Baths, secures the double advantage of a rapid current of water, undefiled by any contact with the impurities of the city and of the shipping.
The Steam Ferry boats will run from day-light until 9 o'clock at night, and so long after as there are bathers, making a trip every ten minutes during the day.
Tickets will be sold at the Bathing Establishment for the sum of 15cts—so as the ferry over and back with the bath will cost but 20cts. Boy's tickets 10 cts. The promenade decks are open to the public free of charge.
