THE INSANE INFIRMARY, for the treatment of mental diseases, particularly nervous affections, such as hypochondria, hysteria, epilepsy, chronic rheumatism, internal abscesses; fistulas, scald head; scurvy, tubercles, chronic sore eyes; erysipelas; cutaneous diseases; chronic catarrh and headache, from particular causes; pain in the stomach and digestive organs, proceeding from affections of the liver; chronic inflammation of the kidneys and general debility, caused by a torpid action of the vessels of the skin. It is simply effective in renovating those constitutions which have been broken down by improper treatment or juvenile irregularities. In general terms, it is recommended in all those diseases which arise from impurities of the blood or vitiation of the humors of whatever form or kind.

The proprietor of this valuable medicine acquired his knowledge of its ingredients from a long residence among the aborigines of this country, and is a selection from the most approved and successful medicines which he has used. It is offered to the public by the proprietor with the consciousness that he is placing within their reach a remedy capable of relieving many of the afflictions of humanity, and in many cases, the only means of relieving the sufferings under various chronic and obstinate complaints to which it is applicable. To such it will prove the means, and in many cases, the only means of relieving the sufferings, and restoring them once more to health and happiness. This is not offered as a common remedy that has yet to be tried, but as one which is capable of saving life in many extreme cases, when all the usual remedies fail. This it has now repeatedly, and this is the reputation it has obtained, whenever it has been introduced.

This medicine has been found highly useful in many ambiguous diseases not here specified, and it has been used with wonderful success as a simple and full purgative by those who are subject to various complaints, and whose constitution requires invigorating. When used as the cank is necessary, this purgative, taken in the usual doses, will answer all the purposes in much less time, at less expense, and in a far more agreeable manner than the common diet drink.

The following certificate, out of hundreds similar which might be produced, are given to show the effect of the Indian's Panacea in the various complaints for which it is intended, and also to exhibit in the most satisfactory manner its superiority over other similar preparations:

Cure of Ulcerated Throat, Nausea, &c.—Charleston, Jan 26, 1832.—This may certify that I was afflicted with a troublesome disease for several years, during which time I employed several eminent physicians, both in Philadelphia and Charleston, and also took a great quantity of Swaim's Panacea, but all without permanent benefit, and for the last winter I was taken with an ulcerated throat, which soon became so severe as to prevent my taking sufficient food to sustain life. I remained in this situation several days, emaciated and threatened with absolute starvation, when, as a last resort, I had recourse to the Indian's Panacea, and from it almost immediately received relief, recovering so rapidly that in four weeks I found myself quite well, as I have remained ever since.

ANDREW COZIER, King street.
