Sulphur and Vapor Baths.

THE undersigned respectfully informs the public that he continues to prepare and administer these Baths at his Perfumery Establishment, No. 287, St. Louis street, between Villere and Robertson.

The excellence of these Baths is universally known in a great number of chronic diseases of the skin, such as itch, prurigo, tetters, scalled head, &c. They have been employed with remarkable success in other maladies, which frequently resist the resources of the medical art such as chronic rheumatism, atonic gout, palsy, scrofula, engorgements of the glands, of the breasts, the lymphatic ganglions and joints. Eminent practitioners have bestowed the highest praises on the remedy, and are in the habit of prescribing it for inveterate diseases that require powerful sudorific agents. The success obtained by this mode of treatment is confirmed by the time that has elapsed since the cures were effected.

The undersigned hopes that his efforts to give satisfaction to those who have honored his establishment with their patronage, will ensure the confidence of patients whose cases require the employment of medicated sulphur or Vapor Baths.

California Books, at 14 Camp st.

NOTES OF TRAVEL IN CALIFORNIA, comprising the prominent geographical, agricultural, geological and mineralogical features of the country—from the official reports of Col. Fremont and Major Emery. Price 25 cents.

—Opinions of the Press—

This is an extremely interesting publication, particularly at the present time.—[Bee.

It is accompanied by a map of the gold region and is a valuable work.—[Crescent.

This book will be in great demand.—[Picayune.

It is well worth reading.—[Bulletin.

Than the subjects treated of in this volume, there are none at the present time.—[Delta.

To those contemplating a visit to those regions it is invaluable.—[Louisiana Statesman.

This is a most interesting little work and graphically elucidated. It should be in the hands of every one—as it doubtless will be—who feel concerned about our vast acquisitions in that country.—[Southern Traveller.

WHAT I SAW IN CALIFORNIA—Being the Journal of a tour by the emigrant route and South Pass on the Rocky Mountains, across the continent of North America, the Great Desert Basin and through California, in the years 1846 and 1847. "All of which I saw, and part of which I was." By Edwin Bryant, late Alcalde of San Francisco. D. Appleton & Co. Second edition.

This is just the book for the times, and will no doubt find a ready sale in every hamlet in the country. Edwin Bryant is considered the best authority on the subject of which it treats, and that is sufficiently indicated in the title page. It will save newspaper publishers a great deal of time to refer to the book instead of attempting to answer a quarter of the inquiries addressed to them in regard to California.—[Pic.

SCALES! SCALES!

DALE'S CELEBRATED CAST STEEL PLATFORM AND COUNTER SCALES.

THE above superior Portable Scales, combining the advantages of Accuracy and Convenience, are considered, throughout the Eastern and Northern States, as the only Weighing Machine that will stand the test of hard usage. The Bearings, through out, are made of the best English cast steel, and warranted.

By using the Double Beam, the heaviest drafts are weighed with the use of only two small trace weights of one pound each, which are permanently attached to the beams; thus avoiding the necessity of having a mass of loose and cumbersome iron weights, as in using the common single beam scales.

These Scales have taken the first premium, for eight successive years, at the great Annual Fairs of the American Institute, New York, the New York State Fair, Franklin Institute, Philadelphia, Boston Fair, and the great National Fair, Washington city.

The manufacturers, determined to bring them into general use throughout the Southern States, have reduced the price to a level with the common single beam, thereby giving every one an opportunity of supplying themselves with a fine weighing machine, as they can purchase the common article so generally used in this section of the country.

A full assortment, boxed, ready for shipment, for sale by FRIESTLEY & BFIN.
