BULL'S SARSAPARILLA.

Is put up in full quart bottles, and contains the strength of SIX TIMES as much pure Honduras Sarsaparilla, when pure and properly prepared, as the only true panacea for abhorrent origin, and every other preparation made in America.

Price $1 per bottle, or six bottles for $5.

IT HAS been a well established fact for years past that Sarsaparilla, when pure and properly prepared, was the only true panacea for abhorrent origin, and every other disease arising from the use of mercury, intoxicating drinks, evil habits in youth, or hereditary &c. We boldly assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles and of uniform strength. The Sarsaparilla is purchased without regard to price, and every pound, before being used, is subject to the strictest chemical tests, and its genuineness ascertained before being used.

Bull's Sarsaparilla is accordingly the virtues of several other valuable medical roots, together forming a compound and producing the *greatest curative agent in the known world!*

THE MEDICINE.

WHEN USED ACCORDING TO DIRECTIONS, Will Cure Without Fail!

Scrofula, or King's Evil, Cancers, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm, or Tetter, Rheumatism, Scald Head, Pains in the Bones or joints, Old Sores and Ulcers, Swelling of the Gland, Syphilis, Dyspepsia, Bad Rheum, Diseases of the Kidneys, Diseases arising from the use of Mercury, Loss of Appetite, Pain in the Side and Shoulders, General Debility, Lumbago, Dropsy, Jaundice, Costiveness, Sore Throat, Sweblin, Coughs, Colds, Weakness, Loss of Vital Energy, Nervous Affections, and all other diseases tending to produce CONSUMPTION, Liver Complaint, Female Irregularities and Pittings, Fever and Ague, Bilious and Nervous Headache, Nightsweats, Exposures or Impudence in life, Chronic Constitutional Diseases, and is a strong and Salutary diuretic and general Tonic for the system, and a gentle and pleasant purgative; it is superior to Blue Lick or Congress Water, Saltzer, or Sedlitz Powders.

GOOD TESTIMONY.

The Ohio State Journal, (Columbus, Ohio,) thus speaks of this celebrated medicine:

IT HAS NO EQUAL—The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla a year ago, and the fact that it has sold more than two months ONLY, with the very gratifying effects produced upon all who have tried it, warrant the assertion that it is the best purifier of the blood in existence! This is a bold assertion, but it can be substantiated by calling on the agent in this city.

Bull's Sarsaparilla is a fine medicine, and he convinced that BULL'S SARSAPARILLA is the WONDER OF THE WORLD!

And that it will cure you no matter how long you have been suffering.

Sold by Druggists and Apothecary of several years standing, says about BULL'S SARSAPARILLA:

LOUISVILLE, May 31, 1849.

Mr. John BULL—Dear Sir: I have been for a number of years afflicted with a Mercurial Headache, and dull heavy pain in my head, I have almost all the remedies of the day, especially the Sarsaparilla prepared by different persons, but all to no effect, I was induced to try one bottle of your's, three bottles of which gave me more relief than all the others combined.

Therefore take pleasure in recommending your sarsaparilla to the afflicted community as a superior article. Very respectfully,

J. H. OWEN.

RHEUMATISM.

Let all those who are suffering under the agonizing tortures of Rheumatism, read the following, and see what may also be done for them, if they will use the Sarsaparilla.

Mr. John BULL—Dear Sir. For the last three years I have been afflicted with Rheumatism of the several characters, at times I was in the most agony of pain—I tried every remedy I could procure for the disease, but found no permanent relief until I was induced to try your Sarsaparilla. Its magic life, which has entirely cured me of Rheumatism, and greatly improved my general health, more than any medicine I have ever taken.

I have been free of pain for several months, and have no doubt but it has cured me permanent, and I could gratefully recommend it as being the best medicine in cases of rheumatism.

ISHAM BRIGGS,

Uniontown, Union Co., Ky. May 19, 1848.

From Dr. Wm. T. Prentiss.

Mr. Bull—In regard to your sarsaparilla, I will say that I have used it to some extent in Cutaneous Affections of long standing as Tinea Capitis, Lepra, Psoriasis, Scaldhead, Pityriasis, Cachexia, and in all diseases where the indication of cure seemed to consist in a thorough change or modification of the fluids of the system, I have found it a valuable compound in connection with local treatment. I think I would prefer it to any preparation of Sarsaparilla in use, and physicians will find it a valuable agent in harnessing the substances that either induce or keep up the morbid condition.

Respectfully yours, W. T. PRENTISS, M. D.

Lawrenceburg, Ind. Dec. 4, 1849.

It is perhaps needless to produce any further testimony in favor of this great remedy. It has only to be tried and its wonderful powers will speak for itself. Let all who are laboring under chronic diseases, general debilitating complaints, or any disease arising from the use of Mercury, or anything of the kind, give it a fair trial. There are thousands throughout the land who stand in need of it, let them try it, and we assure them that they will not regret it.

NOTICE TO FEMALES.

John Bull's Sarsaparilla is one of the greatest Female Medicines now in existence. In those numerous cases where the constitution is debilitated, the nervous energy is prostrated, the blood impure, the spirits are weak and deficient, or are profuse and over wrought, when the face is pale and colorless, the stomach deranged, the appetite gone, the system depressed, the health broken, sound shaken, and consequently the happiness destroyed—then Bull's Sarsaparilla is a valuable remedy. It invigorates the performance of her duty; braces the whole system, renews permanently the natural energies, removes the pallid hue of sickness, and restores a healthy blood, and imparts health and happiness. Were ladies generally to adopt the use of this medicine, we would see less of pain, suffering, disease and unhappiness among them than now exists; health would be more the place of sickness, and happiness would succeed the pallid face; we should have smiles instead of tears, and perhaps a happy long life instead of premature death. Independence would result from continued suffering and affliction. At that critical period toward the Turn of Life, which is often attended with so much pain and suffering, it is invaluable to a great and beneficial effect. All ladies approaching this crisis should be apprised of this fact, and avail themselves of this valuable medicine.

A BEAUTIFUL CLEAR SKIN.

Will be secured to ladies who use Bull's Sarsaparilla and a rosy colored cheek. How often do we see persons not possessing this "desideratum so devoutly to be wished," and how many cosmetics, washes, powders, paints, and coloring materials to restore to them a semblance of that which disease has deprived them of, and which, too, in most instances, only serve to inflict further injury on the delicate skin. The fact is, Bull's Sarsaparilla is the best known. It makes the skin clear upon the surface and soft and pliable, and by giving a healthy tone with poisonous or deleterious matter, which serve to close the pores and check a perspiration, but by removing every particle of bilious, morbid and diseased matter from the blood, making the same pure, healthy and vigorous; giving activity to every minute vessel, and changing the yellow, dark and sallow countenance to the bloom and freshness of youth. If the ladies generally, could be apprised of the virtues of this, they would be free from the use of all paints, mixtures and lotions, and use the only effectual remedy. "A word to the wise is sufficient," and a hint is enough for the ladies.

BETTER TESTIMONY.

Sworn Testimony, Jamaica Plain, Mass.

Mr. JOHN BULL—I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever made. I believe it to be the cause of my health, and many other cutaneous and Glandular Affections, having used it with entire success in a variety of cases. Yours, &c. JAS. M. MOORE.

Moore testimony from Dr. Moore.

Mr. John Bull—I am using your Sarsaparilla in several new cases of Scrofula, and with happy effect. I am now confident it is one of the most efficacious medicines that can be used in the diseases for which it is recommended.

Testimony like the following renders superfluous all further comments upon the efficacy of Bull's Sarsaparilla.

From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College.

"I have tested several specimens of the compound of John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe and valuable remedy in cases which are in Chronic diseases, to which it is applicable.

What Dr. Pyles, Physician, by appointment, to the Louisville Marine Hospital, says of Bull's Sarsaparilla:

LOUISVILLE, March 20, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and find it a fine combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it in my private and private practice, and think it the best article of Sarsaparilla in use. M. PYLES, M. D.

President Physician, Louisville Marine Hospital.

BULL'S SARSAPARILLA.—We received a bottle of this Sarsaparilla for general debility and lumbago, and believe we have experienced entire relief. We used it in time gone by to the bottle of S. P. Townsend's Sarsaparilla, for which we paid $2 50, and believe we received injury instead of benefit by its use.

This medicine is daily grappling with disease, through the Western country, restoring to blooming health and youthful vigor, the sick and afflicted, may, those that are grievously tormented. Certificates are coming from all directions, from men of truth and high moral standing, placing it, from its intrinsic worth, the very best of all remedies before the public.
