GARREAU'S INSTITUTION—Hitherto a certain class of society have had reason to complain of the difficulty, we might say, impossibility, of procuring for their children, as complete an education as is desirable. Parents ought therefore, to view with pleasure an establishment where their children may obtain a course of instruction equally solid and various.

Mr. and Madame Garreau have recently established a seminary for both sexes in Rampart street, between St. Ann and Maine streets. A long experience in the art of instruction enables them to satisfy every desire on the part of parents.

French, English, History, Geography, Mathematics, Mythology, Drawing, Book-Keeping, and in short every department of a complete education are taught with care, zeal and assiduity. Professors of well ascertained merit are attached to the establishment.

Music, Dancing and the use of the Sword will be imparted to those desirous of acquiring a knowledge of these arts. All the various manual arts which constitute so essential a portion of a Young Lady's education will be taught by Madame Garreau herself.

Boarders and half boarders will be received in the establishment.

For terms and references, see Prospectus at Mr. Lelievre's book store. je21 1m

The terms and conditions prescribed by said act, on which the lease may be made, are as follows:

1st—Approved security in the sum of twenty five thousand dollars for the faithful performance of the contract.

2nd—Lessee to conduct the Penitentiary at his own expense, and to make no change in the present treatment of the prisoners, not authorized by law.

4th—Lessee to bind himself to put up, without delay, the necessary machinery for the making of bagging and rope; to complete the present preparations for the manufactory of cotton and woolen goods, for which purpose the Governor is authorized to loan him fifteen thousand dollars, to be repaid at the end of the lease; the lessee paying on the amount, semi-annually, interest at the rate of six per centum per annum.

5th—All manufactured articles and materials on hand to be received by the lessee at an appraised value, for the amount of which he is to give his bond payable at the end of the contract, bearing six per centum, to be paid semi-annually; and should the contract not be renewed, the State to be bound to receive in like manner all similar articles as may then be on hand; all machinery, tools to be appraised and receipted for,—the lessee binding himself to return the same in like condition, or others of equal value, at the expiration of his term.

6th—The profits of the Penitentiary, for the first two years of the lease, to be for the exclusive benefit of the lessee; what may be made during the remaining period of the term, to be divided between him and the State, in such proportions as may be stipulated for in the contract.

7th—That for any violation of his contract, the Governor may, with the assent of two thirds of the Directors, put an end to the lease, or suspend the lessee.

Persons disposed to propose for the lease, are invited to do so as early as possible, as the interest of the lessees, as well as that of the State, will be promoted by the contract being closed at an early date, which may become absolutely necessary under the provisions of the law.
