MEDICAL.

DR. GEO GREGAN'S HYDROPIFER, THE GREAT CURE FOR Liver Complaint, Billious Disorder, Chills and Fever, Costiveness, Indigestion, Dyspepsia, AND ALL DISEASES OF THE STOMACH, LIVER AND BOWELS. Also, Scrofula and all Impurities of the Blood.

This is a grand assistant of Digestion, and a perfect substitute for Mercury in Liver Complaint, and for Purgative Pills in Costiveness. It is a sure Chills and Fever specific, especially where Quinine has been used and failed.

It is a fine Stimulant and Tonic for torpid and debilitated constitutions.

Though pleasant to the taste, mild and harmless in its action its power is equal to the most potent drug.

Have you Scrofula?

Then read the annexed postscript of a letter from a legally respectable lawyer of New Madrid, Mo.:

"P. S. You wish to know the success of your Hydropifer. Mr. Presly Phillips informs me that he has a negro who was literally covered with sores, and states that he used a few bottles of Hydropifer and placed the negro on tight diet, and in six weeks he was sound and well. Yours respectfully,

F. W. ARMSTRONG.

Further Testimony of the Beneficial Effects of Dr. Gregan's Hydropifer.

DR. A. E. GROGHEGAN—My wife was afflicted with scrofula for a long time, and had been attended by all the best physicians in the country, but without any good effect. She had been unable to walk for more than a year, and at one of the time was bedridden. When I procured some of your Hydropifer. She is now entirely restored to health and can walk about as well as ever.

I have been induced to communicate the above facts publicly out of a desire to benefit others of so high know of its excellent qualities and profit thereby.

With respect, I am yours, truly,

F. G. GAMBLE.

Greenville, Miss., July 15, 1854.

SANDS' SARSAPARILLA, IN QUART BOTTLES,

For Purifying the Blood, and for the Cure of Scrofula, Rheumatism, Mercurial Diseases, Old Sores, Salt Rheum, Fever Sores, Erysipelas, Pimples, Boils, Mercurial Diseases, Cutaneous Eruptions, Liver Complaint, Dyspepsia, Consumption, Female Complaints, Loss of Appetite, General Debility, &c.

This preparation is strongly concentrated all the Medicinal properties of Sarsparilla, combined with the most efficient, safe, and most salutary principles, of the most potent simples of the vegetable kingdom, and the combination is such that one bottle has all improved the effect, of more than a dozen ordinary entirely in its character and properties from any other preparation, and strongly recommended by our physicians where in loving order disease. The many well authenticated testimonials of this preparation has been found beneficial in a great many diseases of the blood, and is the most malignant character, have given it a wide and deserved celebrity. But it is not certain in Scrofulous or the most obstinate of diseases to which it is claimed, this preparation has been found beneficial. It is superior in many diseases of the blood, and has been administered with decided results in all, and it has been so fully tested, not only by patients themselves but also by Physicians that it has received their unqualified recommendation and the approbation of the public, and has established on its own merits a reputation for excellence and efficacy far superior to those vaunting preparations bearing the name of Sarsaparilla. The following testimonials are selected from many, and the name of those who have used it, and the cures effected, the reader is referred to the Daily Bulletin, Medical Journals, and Sands' Sarsaparilla Circular, gratuitously to agents.
