INDIAN'S PANACEA

FOR the cure of scrofula, or king evil, erysipelas, eruptions, syphilitic and mercurial diseases, pains in the bones and painful affections of the bones, ulcerated throat and nostrils, ulcers of every description, rheumatism, sciatica or hip gout, fever sores and internal abscesses, fistulas and bowel, scurvy, itches, chronic sore eyes, erysipelas, cutaneous diseases, chronic catarrh and blindness on particular cases, pain in the stomach and dyspepsia, proceeding from constipation, affections of the liver, chronic inflammation of the kidneys and general debility, caused by a torpid action of the vessels of the skin. It is singularly efficacious in renovating those constitutions which have been broken down by injudicious treatment or juvenile irregularities. In general terms, it is recommended in all those diseases which arise from impurities of the blood or vitiation of the humors, of whatever form or kind.

The proprietor of this valuable medicine acquired his knowledge of its ingredients from a long residence among the aborigines of this country, and it is a selection from the most approved and successful medicines which they use. It is offered to the public by the proprietor, with the consciousness that he is placing within their reach a remedy capable of relieving many of his afflicted fellow-beings, who are suffering under the various chronic and obstinate complaints to which it is applicable. To such it will prove the blessing, and in many cases, the only means of relieving their sufferings, and restoring them once more to health and happiness. This is not offered as a common remedy, but may proclaim to be equally good with many others, but one which is capable of giving life in those the extreme cases, when all the usual remedies fail. This it has done repeatedly, and this is the reputation it has obtained wherever it has been introduced.

This medicine has been found highly useful in many ambiguous diseases not here specified, and it has been used with wonderful success as a spring and fall purifier, by those who are subject to various complaints, and whose constitutions require invigorating. Whenever a dist drink is necessary this Panacea, taken in usual doses, will answer all its purposes in an hour time, at less expense, and in a far more agreeable manner than the common dist drink.

The following certificate, out of hundreds similar which might be produced, are given to show the effect of the Indian's Panacea, in the various complaints therein mentioned, and also to exhibit in the most satisfactory manner its superiority over other similar preparations.

Case of Ulcerated Throat, Nostrils, &c.

Charleston, Feb. 20, 1837.—This may certify that I was affected with a scrofulous disease for several years, during which time I employed several eminent physicians, both in Philadelphia and Charleston, and also took several bottles of Swaim's Panacea, but all without permanent benefit. During the last winter I was taken with an ulcerated throat which soon became so severe as to prevent my taking sufficient food to sustain life. I remained in this situation several days, constantly expectoring a bloody mucus from an unvoidable starvation, when, as a last resort, I had recourse to the Indian's Panacea, and found from it almost immediate relief, recovering so rapidly that in four weeks I found my self quite well, and have remained ever since.
