Very Valuable Sugar Land.
Sale without reserve, to effect a partition.

BY N. VIGNIE, Auctioneer.
(Exchange Alley, North corner of Conti street.)

Nos. 36, 38 and 52.

SATURDAY, November 27th, 1847, at 12 o'clock, at the City Exchange, St Louis street, will be sold the following valuable Sugar Land, without reserve, to effect a partition:

Twenty-two arpents of land, fronting on the river by 40 arpents deep, situated in the parish of Plaquemines, on the left bank of the Mississippi, 37 miles below the city, and 9 miles above Pointe a la Hache. This tract is located in one of the best sugar growing regions of Louisiana, the cane being seldom or never injured by frost, and when so, always much less than in other parts of the State. The fact of the mildness of the climate is evident from the quantity of oranges growing there.—The soil is light and easily tilled, and is entirely free from coco grass. The depth from the river bank varies from 20 to 35 arpents of wooded land; the balance is a high prairie, affording an excellent grazing ground for cattle. There are about 30 arpents of cleared land. This section of country is remarkable for its salubrity. Game and fish abound in numberless varieties. Communications with the city are frequent. Persons desirous of investing their capital in sugar lands, will find this an excellent opportunity, as this sale will be effected without reserve. A plan of the property can be seen at Mr. N. Vignie's.

Terms—One-third cash; balance at 1 and 2 years credit in notes endorsed to the satisfaction of the vendors, and bearing mortgage on the property.—The notes will be divided in coupons to suit the convenience of the vendors. n6 dy

SANDS' SARSAPARILLA.

FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR HABITS OF THE SYSTEM, VIZ:

Scrofula, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Biles, Chronic Sore Eyes, Ring-Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica or Lumbago, and Diseases arising from an injudicious use of Mercury, Dropsy, Exposure or imprudence of Life. Also, Chronic Constitutional Disorders.

The value of this preparation is now widely known, and every day the field of its usefulness is extending. Approved and highly recommended by Physicians, it is admitted to be the most powerful and searching preparation from the root that has ever been employed in medical practice. It is not local in its operation, but general, extending through the whole system. It is put up in a highly concentrated form for convenience and portability, and when diluted, according to the directions, each bottle will make six times the quantity, equal to one quart, and is then superior in medicinal value to the various preparations bearing the same. The proprietors are almost daily receiving testimonials of the most respectable character, testifying to its great value as an active and curative medicine.

The following certificate is from a highly respectable source:

ELIZABETHPORT, N. J., May 15th, 1847.

A. B. & D. Sands: Gentlemen—Having been cured of a severe scrofulous disease by the use of your celebrated and to me invaluable Sarsaparilla, I feel it my duty to testify to the means which restored me to health, after other remedies failed. The disease first appeared in small pimples or blisters, which was attended with violent itching and burning; these spreading, covered the body, and uniting together, formed large scales and scurf—from which issued water, making the distress so great as to deprive me of all natural rest. My general health rapidly failed, and I was obliged to abandon my business. I was treated by various Physicians and tried different remedies without receiving any permanent benefit. I then went into the New York Hospital, and remained for fourteen weeks under treatment, which produced temporary relief. After leaving the Hospital the disease returned in a few days, and, when given up by my friends and despairing of relief from any source I heard of your Sarsaparilla, and immediately resolved on giving it a trial. The first bottle relieved me of all the distressing symptoms and did me more good than all the medicine I had taken for years before. A continuation of your Sarsaparilla, in combination with your SALT RHEUM REMEDY applied externally, effectually removed the disease, restored me to health, and I am now able to attend to my business.

Yours sincerely,
FREDERICK DICKEL, Cabinet Maker.

Parisian Dyeing Establishment.
Conde street, Nos. 84 & 86, between St. Philippe and Ursuline, and No. 75 Royal street, between Bienville and Conti.

THE undersigned respectfully informs the Dry Goods merchants and the public in general, that feeling grateful for the patronage which he has been receiving so largely in Conde street, he has opened a new store, No. 75 Royal street, for the convenience of the residents of the Second Municipality and of the First District of the First, where he will receive all orders relating to his profession, being now enabled through his steam apparatus, the only one in this city, to dye all colors, as they are done in France. Competent persons and judges are invited to see the manner, and when he believe that it is convinced that it is operating on the most approved principle. The [illegible] formerly used in the process, are now dispensed with, thereby saving all from being torn or scraped. The great rapidity of working enables him to afford a reduction in prices, and Dry Goods Merchants will find it their advantage to send him damaged goods as they can be made perfectly new at such low prices as no other house can afford to take.
Dyeing and cleaning in general, of all kinds of goods, such as [illegible] pieces of furniture calicoes and woollen goods; Carpets, Curtains, ornaments, Ball and Theatre dresses, Costumes, Straw and Panama Hats; Parasols, Cashmere shawls, the designs and ornaments being kept in their primitive colors—all kinds of mournings at 24 hours notice, fast colors. CORNS! CORNS!!

TO THE AFFLICTED.

MR. E. SIMMONS, who has successfully practised as a Chiropodist, in the principal cities of Great Britain for the last ten years, offers to those Citizens and the public generally who are afflicted with corns and other excrescences on the feet, a speedy, efficient and certain relief from all their suffering. After devoting much time and attention to the subject, he has succeeded in inventing a mild chemical preparation, by the sole use of which, he can, without the slightest pain, entirely eradicate, powder, the most obstinate, callosity, thereby avoiding all dangerous cutting, and the use of caustic and other injurious preparations, ordinarily used by humbugging imposters. Mr. S. feels well assured that a single trial will satisfy the most skeptical that this is not to be classed with the many humbugs of the day. Numerous testimonials from persons of the first respectability in England, can, if desired, be produced, showing the entire success of this new invention. These small instruments may be used by every person with perfect safety—they are for sale singly or by the quantity. Persons desiring his services will please communicate their address to Mr. S. through the post office, care box B, No. 165, be promptly waited on at their own dwelling. oct15 1m

Sale of a Sugar Estate, Negroes, &c.
To operate a partition between the successions of Pierre Martin and that of Raymond Faget.

Eusebe Marin, administrator of the succession of Pierre Marin vs. Elizabeth Alpuente, the widow of Raymond Faget, individually and in her capacity of administratrix of the succession of her said husband—Suit for a partition before the Hon. the District Court for the Second Judicial District of the State of Louisiana and Parish of St. Bernard.

IN virtue of an order of sale under date the 25th October, 1847, and to me directed by the Hon. the Second Judicial District Court for the Parish of St. Bernard, in the above entitled suit, I will publicly sell at the St. Louis Exchange, in the City of New Orleans, on the 6th December, 1847, at noon, for the account of said successions,

A Sugar Estate established in the Parish of St. Bernard, at a distance of two miles from the Mississippi river, measuring ten arpents front on each side of the Bayou Bienvenu by the ordinary depth of forty arpents on each side of said bayou; forming thus eight hundred superficial arpents, two hundred and fifty of which are cultivated in sugar canes, corn and peas, one hundred and forty arpents of ratoon canes and plant canes to plant about ninety arpents; two hundred more arpents might be cultivated with the aid of a draining machine. This plantation might be easily enlarged by the purchase of small tracts owned by adjoining neighbors. There are houses on the said plantation, a dwelling house entirely new, a sugar house, mill, draining house, corn barn, hay barn, stables, hospital, kitchen, house, mills and chicken houses, negro huts, corn mill, a shed for shelter to carts; in a word, there are on the said plantation all the necessary buildings to carry on the establishment, together with four hundred and ten shares in the capital stock of the Union Bank of Louisiana; seven carts with new wheels from the North, ploughs, spades, axes, &c.; fifteen mules and two creole horses, four cows, one bull, and nine pairs of oxen; and the following fifteen slaves, viz: Monroe, about 41 years old; Ben, 34 years; Southey, 37 years; Henry, 39 years; Sterling, 34 years; Redie, 41 years; Thompson, 38 years; Conley, 38 years; Jim, 30 years; Aaron, 46 years; Crispid, 36 years; Louis, 44 years; Phillips, a maimed negro, 35 years; Dasie, a negress, 34 years; Lucy, 40 years.

The whole to be sold in one lot, on the following terms and conditions—viz:

1. The purchaser to assume the payment of a sum of $12,000 due to the Union Bank of Louisiana, on a stock loan, which debt is secured by the mortgage of said property, matures on the 1st June, 1849, and is renewable according to the charter of said Bank.

2. Seven thousand dollars, which the purchaser may either pay in cash, or prolong the payment from year to year until the 1st June, 1850, on the yearly payment of an interest at the rate of 8 per cent per annum from the date of the adjudication.

3. Seven thousand dollars due to Pierre d'Argot, on an hypothecary obligation consented by an act passed before Octave Boudousquie, the parish Judge of the Parish of St. Bernard, on the 30th June, 1845, which obligation, though due on the 13th June, 1846, may be renewed up to the 13th June, 1850, on the annual payment of an interest at the rate of 8 per cent per annum, from 13th June, 1847, up to which time the said interest has been paid. The payment of this debt is to be assumed by the purchaser.

Six thousand dollars in ready money, and the balance in four equal instalments at one, two, three and four years, in satisfactory endorsed notes to the satisfaction of the administrators of said succession, to be made by coupons bearing mortgage on the property and until payment; and should any of said notes be not punctually paid at their respective maturity, then the same to bear an interest at the rate of 8 per cent per annum until paid.

The acts of sale to be passed before the recorder of the Parish of St. Bernard.

MEDICAL.

DR. TOWNSEND'S SARSAPARILLA

THE MOST EXTRAORDINARY MEDICINE IN THE WORLD.

THIS extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging sickening, or debilitating the patient.

Great Spring and Summer Medicine.

The great beauty and superiority of this Sarsaparilla over all other medicine, is, whilst it eradicates disease, it invigorates the body. It is one of the very best spring and summer medicines ever known; it not only purifies the whole system and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 35,000 cures of severe cases of disease; at least 5000 of these were considered incurable. More than
3,000 cases of Chronic Rheumatism,
2,000 cases of Dyspepsia,
400 cases of General Debility and want of Energy.
7,000 cases of the different Female Complaints,
2,000 cases of Scrofula,
1,500 cases of the Liver Complaint,
2,500 cases of Disease of the Kidneys and Dropsy,
3,000 cases of Consumption.
And thousands of cases of diseases of the blood, Ulcers, Erysipelas, Salt Rheum, Pimples on the face &c., &c. Together with numerous cases of Sick Headache, Pain in the Side and Chest, Spinal Affections, &c. &c.

This, we are aware, must appear incredible, but we have letters from Physicians and our Agents from all parts of the United States informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in New Ark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the city of New York, which we will refer to with pleasure, and to men of character. It is the best medicine for the preventive of disease known. It undoubtedly saved the lives of more than 5000 children the past season, as it removed the cause of disease, and prepared them for the summer season.

United States officer, Capt. G. W. McLean, of the U. S. Navy, and Member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story.

RAHWAY, Jan. 21, 1847.

A year since I was taken with the Influenza, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla. I have continued taking it, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration.
G. W. McLEAN, late U. S. N.

John Jackson, Esq., Editor of the Rahway Republican, published the above certificate, and remarks in an editorial as follows:—

☞ The success of Dr Townsend's preparation of Sarsaparilla, appears to be of the most extraordinary character. We publish to day two certificates in its behalf, one from Capt. McLean of this town, and one from the Rev. Mr. White, of Staten Island; a gentleman well known in Rahway. Capt. McLean believes the medicine to have saved his life, and Mr White seems to entertain an equally strong confidence in its efficacy. Intelligent men like those would not praise so strongly what they did not fully believe to deserve it.

Scrofula Cured.

This certificate was handed into Dr. Townsend's office this week, and conclusively proves that his Sarsaparilla has perfect control over the most obstinate diseases of the blood. Three persons cured in one house, is unprecedented.

Three Children.

Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have taken only four bottles; it took them away, for which I feel myself under deep obligation.
Yours, respectfully,
ISAAC W. CRAIN, 105 Wall st.
New York, March 1, 1847.

Great Female Medicine.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for incipient Consumption, Barrenness, Leucorrhoea, or Whites, obstructed or difficult Menstruation, Incontinence of Urine or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident.

☞ Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine have been blest with healthy offspring.

Dr. Townsend—My wife being greatly distressed by weakness and general debility, and suffering continually by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your medicine has effected great cures, and also hearing it recommended for such cases as I have described, I obtained a bottle of your Extract of Sarsaparilla and followed the directions you gave me. In a short period it removed her complaints and restored her health. Being grateful for the benefits she received, I take pleasure in thus acknowledging it, and recommending it to the public.
M. D. MOORE,
Corner of Grand and Lydius sts.
Albany, August 17, 1844.

To Mothers and Married Ladies.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all of the delicate diseases to which women are subject.

It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and disease.

Opinions of Physicians.

Dr. Townsend is almost daily receiving orders from physicians in different parts of the Union.

This is to certify that we, the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations of the Sarsaparilla in the market.
H. P. PULING, M. D.
J. WILSON, M. D.
R. B. BRIGGS, M. D.
P. E. ELMENDORF, M. D.
Albany, April 1, 1845.

The following is from one of the most respectable physicians of Long Island:
Greenport, July 10, 1846.
Dr. Townsend. DEAR SIR: I do hereby certify that I may to you that I have recently witnessed in several cases, the most beneficial effects from the use of your Extract of Sarsaparilla. Being convinced in the practice of medicine, I have prescribed it in several cases. In the removal of diseases arising from a deranged state of the digestive organs, jaundice, &c. it is superior to any thing of the kind ever before offered to the public. You will please send me three dozen, &c. &c.
Respectfully yours, S. C. PRESTON, M. D.

Dyspepsia.

No fluid or medicine has ever been discovered which so nearly resembles the gastric juice or saliva, in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla. It positively cures every case of dyspepsia, however severe or chronic. If any doubt this we would refer to the numerous testimonials which have been given to us. If those are not entirely satisfactory, we would be happy to give other references to some of the first families in the city, who have used it with perfect success in this and other distressing diseases.

BANK DEPARTMENT, ALBANY, May 10, 1845.

Dr. Townsend—Sir: I have been afflicted for several years with dyspepsia in its worst forms, attended with sourness of stomach, loss of appetite, extreme heartburn and a great aversion to all kinds of food, and for weeks (what I could eat) I have been unable to retain but a small portion on my stomach. I tried the usual remedies, but they had but little or no effect in removing the complaint. I was induced, about two months since, to try your Extract of Sarsaparilla, and I must say with little confidence; but after using nearly two bottles, I found my appetite restored, and the heartburn entirely removed; and I would earnestly recommend the use of it to those who have been afflicted as I have been. Yours, &c. W. W. VAN ZANDT.

Piles, Piles, Piles.

Dr. Townsend's Sarsaparilla is no less successful in curing this distressing complaint, than in diseases of the Blood, Dyspepsia, Rheumatism, and Nervous Debility. Read the following:—

Dr. Townsend: Dear Sir—The effects of your Sarsaparilla are truly wonderful. For the last six or eight years past, I have been subject to severe attacks of the piles, during which I have suffered all the tortures of that complaint, and had despaired of ever finding relief except in death. I have the pleasure to inform you "there is yet balm in Gilead." I have used two bottles of your Sarsaparilla, and feel no remains of my old complaint. I send you this for publication, and any person you may refer to me, I would be happy to inform of the benefit I have received at your hands. Yours, truly,
July 6, 1846. JOHN HALL, 49 Fulton st.

Rheumatism.

This Sarsaparilla is used with the most perfect success in Rheumatic complaints, however severe or chronic. The astonishing cures it has performed are indeed wonderful. Other remedies sometimes give temporary relief; this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen.

Dr. Townsend:—I was attacked with a distressing pain in my hip joint, so bad that I could not walk without my crutches, and much of the time I was obliged to keep my bed. I tried several remedies, but they did not relieve me. I then called on one of our first physicians, he could not help me. I heard of your Sarsaparilla, and obtained a bottle, and in a few days it entirely cured me, and I am as well now as ever. ASHBELL WALKER.
Albany, Jan. 8, 1845. 22 Dean st.

☞ Rear Mr. Peth Terry, one of the oldest and most respectable lawyers in Hartford, Conn. The following is an extract of a letter received from him:—

Dr. Townsend:—I have used one bottle of your Sarsaparilla, and find it is excellent in its effect upon a chronic rheumatic pain to which I am subject, from an injury occasioned several years ago in a public stage. Please send me two bottles to the care of Dr. Seymour. I have conversed with two of our principal physicians, and recommend your Sarsaparilla. PETH TERRY.
