MEDICAL.

BULL'S SARSAPARILLA.

Is put up in full quart bottles, and contains the strength of SIX TIMES as much pure Honduras Sarsaparilla as any similar preparation made in America.

☞ *Price $1 per bottle, or six bottles for $5.*

IT HAS been a well established fact for years past that Sarsaparilla, when pure and properly prepared, was the only true panacea for all diseases originating from an impure state of the blood, the use of mercury, intoxicating drinks, evil habits in youth, barrenness, &c. We boldly assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles and of uniform strength. The Sarsaparilla is purchased without regard to price, and every pound before being used, is subject to the strictest chemical test, and its genuineness ascertained before being used.

Bull's Sarsaparilla also contains the virtues of several other valuable medicinal roots, together forming the best compound and producing the greatest curative agent in the known world.

This medicine, when used according to directions,

Will Cure without Fail!

Scrofula, or King's Evil, Cancers, Tumors, Eruptions of the skin, Erysipelas, Chronic Sore Eyes, Ringworm, or Tetters, Rheumatism, Scald head, Pains in the Bones or Joints, Old Sores or Ulcers, Swelling of the Glands, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Diseases arising from the use of Mercury, Loss of Appetite, Pain in the side and Shoulders, General Debility, Lumbago, Dropsy, Jaundice, Costiveness, Sore Throat, Bronchitis, Coughs, Colds, Weakness in the Chest, Pulmonary Affections, and all other Diseases tending to produce CONSUMPTION, Liver Complaint, Female Irregularities and Complaints, Low Spirits, Sick and Nervous headache, Night Sweats, Exposures or imprudence in life, Chronic Constitutional Diseases, and is a Spring and Summer drink and general Tonic for the system, and a gentle and pleasant purgative, it is superior to Blue Lick or Congress Water, Salts, or Seidlitz Powders.

Good Testimony.

The Ohio State Journal, (Columbus, O.,) thus speaks of Bull's Sarsaparilla:

IT HAS NO EQUAL!—The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla in this city, where it has been introduced for the past two months only, with the very gratifying effects produced upon all who have tried it, warrant the assertion that as a purifier of the blood it has no equal. This is a bold assertion, but it can be substantiated by calling on the agent in this city.

Bear with us reader, a little longer, and be convinced that BULL'S SARSAPARILLA is the WONDER OF THE WORLD;

And that it will cure you no matter how long you have been suffering.

What Dr. Owen, Druggist and Apothecary of several years standing, says about BULL'S SARSAPARILLA

Louisville, May 31, 1848.

Mr. John Bull—Dear Sir: I have been for a number of years afflicted with a Mercurial headache, and a dull, heavy pain in my liver. I used almost all the remedies of the day, especially the Sarsaparilla prepared by different persons, but all to little or no advantage, until I chanced to meet with yours, three bottles of which gave me more relief than all the others combined.

I therefore take pleasure in recommending your Sarsaparilla to the afflicted community as a superior article.

Very respectfully, J. H. OWEN.

RHEUMATISM.

Let all those who are suffering under the agonizing tortures of Rheumatism read the following, and see what may also be done for them, if they will use the infallible remedy:

Mr. John Bull—Dear Sir: For the last three years I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain—I tried every thing I could procure for the disease, but found no permanent relief until I was induced to try your preparation of Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health and constitution. I have taken two bottles, and have no doubt the cure is permanent, and I cordially recommend it as being the best medicine in use for Rheumatism.

ISHAM BRIGGS,

Uniontown, Union co., Ky. May 12, 1848.

From Dr. Wm T. Prentiss:

Mr. Bull—In regard to your Sarsaparilla I will say, that I have used it to some extent in Cutaneous Affections of long standing, as Tinea Capitis, Lepra, Psoriasis, Sciatica, Syphilitic, Cachexia, and in all diseases where the indication of cure seems to consist in a thorough change of constitution of the fluids of the body, with considerable success, in conjunction with local treatment. I think I would prefer it to any other preparation of Sarsaparilla in use; and any physician will admit the same upon knowing the substances that enter into its composition.

Respectfully yours, W. T. PRENTISS, M. D.
Lewisport, Ky. Dec. 4, 1847.

It is perhaps needless to procure any further testimony in favor of this great remedy. It has only to be tried and proven, to convince the public of its superior efficacy. And all who are laboring under chronic diseases, and derangement, nervous debility, weaknesses, the effects of mercury, or anything of the kind, give it a fair trial. There are thousands throughout the land who have used it with effect. Let them try it, and we assure them that they will not regret it.

NOTICE TO FEMALES.

John Bull's Sarsaparilla is one of the greatest Female Medicines now in existence. In those numerous cases where the constitution is debilitated, the nervous energy is weakened, when the efforts of nature are weak and deficient, or are profuse and overwrought, when the face is pale and colorless, the strength feeble and yielding, the spirits troubled and depressed, the health broken, mind shaken and consequently the happiness destroyed, then Bull's Sarsaparilla is a sovereign remedy. Its assistance to the performance of her duty, braces the whole system, renews permanently the natural energies, removes obstructions, checks excesses, creates pure and healthy blood, and imparts health and happiness. We have generally found [illegible] this medicine, we would ere long [illegible] suffering, disease and untimely death, [illegible] exists in health would take the place of [illegible] and the rosy cheek would supersede the pallid face, [illegible] instead of tears, and perhaps a happy long life, instead of one of despondency and sorrow arising from continued suffering and early death. At the critical period termed the "Turn of Life," which is often attended with so much danger, Bull's Sarsaparilla is found to exert a most beneficial effect. All ladies approaching this crisis should be apprised of this fact, and avail themselves of this valuable medicine.

A BEAUTIFUL CLEAR SKIN.

How we all admire a clear, beautiful white skin, and a rosy colored cheek. How often do we see persons not possessing these admirable to devoutly to be wished. Their [illegible] the complexion, lotions, washes, paints, and colors are applied [illegible] to restore to them a semblance of that which disease has deprived them of, and that too, often times, to the manifest injury to the skin. The fact is, Bull's Sarsaparilla is the best known. It makes the skin clear upon the correct and only true principles, not by coating the surface with poisonous or deleterious matter, which serve to close the pores and check perspiration, but by removing every particle of bilious, morbid and diseased matter from the blood, making the same pure, healthy and vigorous, giving an activity to every minute vessel and changing the yellow, dark and sallow countenance to the bloom and freshness of youth. If the ladies generally could be apprised and convinced of this fact, they would abandon the use of paints, mixtures and lotions, and use the only effectual remedy. "A word to the wise is sufficient," and a hint is enough to the ladies.

BETTER TESTIMONY.

From Dr. James M. Moore:

Mr. John Bull—I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever manufactured for the cure of Scrofula, Syphilis and many other Cutaneous and Glandular Affections, having used it with entire success in a number of the above.

JAS. M. MOORE.

Louisville, Dec. 26, 1847.

More Testimony from Dr. Moore.

Mr. John Bull—I am using your Sarsaparilla in several new cases of Scrofula, and with happy effect. I am now confident it is one of the most efficacious medicines that can be made for that disease.

Yours, JAS. M. MOORE, M. D.

Winchester, Ky., Feb 1, 1848.

Testimony like the following renders superfluous all further comments on the efficacy of Bull's Sarsaparilla:

From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College.

"I have looked over the list of ingredients composing John Bull's compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one that promises well in chronic diseases to which it is applicable.

L. P. YANDELL, M. D.

Louisville, June 6, 1848.

What Dr. Pyles, Physician, by appointment to the Louisville Marine Hospital, says of Bull's Sarsaparilla

Louisville, March 29, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be an excellent one and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use.

M. PYLES, M. D.
Resident Physician, Louisville Marine Hospital.

From the People's Journal, Quincy, Ill.

BULL'S SARSAPARILLA.—We have used one bottle of this Sarsaparilla for general debility and lumbago, and believe we have experienced entire relief. We used in time gone by, two bottles of S. P. Townsend's Sarsaparilla, for which we paid $2 50, and believe we received injury instead of benefit from its use.

This medicine is daily grappling with disease, through the western country, restoring to blooming health and youthful vigor, the sick and afflicted—ay, those that are grievously tormented. Certificates are teeming from all directions, from men of truth and high moral standing, placing it, from its intrinsic worth, the very best of all remedies before the public.

INSTITUTIONS.

ST. LOUIS INSTITUTION.

MADAME E. DEDON,

No. 145 St. Louis street, between Dauphine and [illegible]

SCHOLASTIC YEAR 1851-'52.

THIS Institution which for the last twelve years, has followed a constant course of progressive prosperity, has continued its usual course of studies since the 1st September.

Madame Dedon, formerly a pupil and professor of the "Maison Royale de St. Denis," and a graduate of the University of France, has endeavored to profit by the experience which she has acquired in the United States, to place her Institution in the first rank of educational establishments in America.

Madame Dedon, exclusively devoted to her pupils, applies herself not only to the cultivation of the mind, but also to the formation of the heart. She strongly desires that the young Ladies confided to her care may be remarked for all those valuable qualities which constitute a really good education, such as the spirit of order and decorum, amiability of temper and solidity of judgment, mildness of manners and a sympathising disposition, and finally that grace and reserved elegance of manners. In order to obtain these results, Madame Dedon has always employed as auxiliaries both firmness and mildness, a constant use of emulation, and especially rewards for application and regularity in study. She is seconded by her sister-in-law, Mademoiselle Dedon, who, like herself, has always followed the career of instruction; these two ladies watch with the greatest zeal over the daily progress of the pupils.

The locality of the institution well known and appreciated in New Orleans, as one of the most suitable and salubrious in the city, is perfectly well arranged; the class and study rooms and dormitories are spacious and airy, looking over several gardens, and there are besides a handsome yard and a terrace sheltered from the sun and intended for the recreation of the pupils.

The special instruction is given both in French and English; it embraces all the branches which constitute a finished education for young ladies. The English language is the object of especial care; the creole pupils are required in their conversations with each other, and with their professors to speak the English language exclusively.

Mr. Otten who has been attached to the Academy from its foundation, devotes a great part of his time to impart to the pupils of the higher classes a thorough knowledge of the English language and literature, these classes are also instructed by well qualified American governesses.

Madame Dedon has reserved to herself the direction of the French classes. She has besides secured the assistance of an excellent Professor of the higher sciences, Monsieur H. Jegou, who divides with Monsieur H. Dedon and Mesdames Dedon, the care of the French department.

The Spanish language forms part of the system of study. With respect to religious instruction M. l'Abbe Tuckmower, whose zeal is so justly appreciated, continues to prepare the pupils for their first communion in the chapel of the institution.

MUSIC.

The study of Music is the object of particular care. Madame Lavillebreure, an artist of the highest order is attached to the institution as Professor of the Piano and Harp. A course of Vocal Music by one of the best Professors of the city.

As a means of emulation the institution has adopted monthly annual examinations at which parents are invited to be present.

A Professor of Dancing is attached to the establishment. [illegible]

Young Ladies' Academy.

MME PARENT has removed her institution to Custom street, between Royal and Bourbon, No. 88, the house heretofore occupied by Mme. Garnet, and is ready to receive boarders, half boarders, and day scholars. There is a very large yard together with a garden for the young ladies to amuse themselves. The apartments are vast and well aired. There is every advantage and inducement offered to parents as to the moral and intellectual cultivation of the minds of their daughters. The best Professors are employed. Every branch of a solid and refined education, is taught in both languages; also, accomplishments such as Drawing, Painting, Embroidery, &c.

Professor Auchmuty, one of the principals of the Franklin High School, has charge of the higher English classes and Professor Gilbert of the Mathematical branches.

Mr. Gomilret has been engaged as a Teacher of Vocal Music.

For terms, apply at the institution. Parents are permitted to visit this institution on Sundays.

DR. EDOUARD MARTIN'S HYGIENIC ELIXIR,

Against Seasickness.

[illegible]

The Elixir checks seasickness immediately, and restores the stomach to its healthy state. [illegible]

The inventor having had an opportunity during a recent sea voyage, to make personally a trial of his Elixir, has made up his mind to offer it to the public. He could corroborate the above statements by testimonials from several passengers, but wishes to point only to the opinion of one of the most intelligent and distinguished commanders of the French Commercial Navy, Captain Labory, having had opportunities of testing, under his own observation, the efficacy of this remedy (then in the shape of pills) during several voyages, gives this the result;

DEAR DOCTOR—During my last voyage to France I have had opportunity of testing, on [illegible] persons, your remedy against sea sickness; I am happy to be enabled to report to you that I have obtained the best results, and if it were possible to alter this remedy into a palatable draught, such as a lemonade, or some kind, which could be more easily taken than in its present shape, nothing more would be required, and you would be entitled to the everlasting gratitude of all those who are obliged to travel by sea, without being accustomed thereto.

I am yours truly,

Signed, A. LABORY, Cons. Ship "Oscar."

The improvement suggested by Capt. Labory, has been effected. The Tonic and Hygienic Elixir against sea-sickness, is sold in four ounce bottles with glass stoppers. Care must be taken to keep the bottles corked, to prevent evaporation.
