P. E. LAYAT, Auctioneer.

WILL be sold at auction, on SATURDAY, 27th inst., at 12 o'clock, at the City Exchange, St. Louis street, will be sold the following valuable Sugar Land, without reserve, to effect a partition:

Twenty-two arpents of land, fronting on the river Mississippi, 22 arpents deep, situated in the parish of Plaquemines, on the left bank of the Mississippi, 37 miles below the city, and 9 miles above Pointe a la Hache. This tract is located in the finest sugar cane region of Louisiana, where the cane seldom or never injured by frost, and which is always much less than in other parts of the State. The fact adduced from the mildness of the climate is evident from the quantity of orange trees there—the soil is light and easily tilled, and is entirely free from overflows. The depth from the river bank varies from 30 to 25 arpents of wooded land, the land alone is a high ridge, affording an excellent grazing ground for cattle. There are about 30 arpents of land cleared. This section of country is remarkable for its salubrity. Game and fish abound in countless varieties. Communications with the city are frequent. Gentlemen desirous of investing their capital in sugar lands, will find this an excellent opportunity, as the sale will be effected without reserve. A plan of the property can be seen at Mr. N. Vignie's.

Terms—One third cash; balance at 1 and 2 years with notes endorsed to the satisfaction of the vendors, and hypothecation on the property sold. The notes will be divided in coupons to suit the convenience of the vendors. n6 dy
