Scrofula, or King's Evil,

IS a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. MISCELLANEOUS.

CAUTION TO THE PUBLIC.

FRAUDULENT IMITATIONS OF

HOSTETTER'S STOMACH BITTERS.

AS a measure of self-defense, and in order to warn and protect our customers in all parts of the Union, we deem it our duty to expose a despicable and wide-spread conspiracy now existing in the South and West, for the counterfeiting of our CELEBRATED STOMACH BITTERS!

We have been for some time past engaged in ferreting out and prosecuting the parties concerned in this nefarious and despicable business, and expect to visit upon them the just penalty of the violated law. Villainy, like death, "loves a shining mark," and the harpies who subsist by pirating proprietary preparations have exhibited a cunning almost equal to their rascality, in selecting for fraudulent imitation the most popular stomachic and alterative manufactured in this or any other country. [illegible]

In all the cases that have been brought into Court, injunctions have been issued restraining the defendants from selling their deleterious trash under the name of HOSTETTER'S STOMACH BITTERS.

As this, our TRADE MARK, has been printed on the label and boxes of the spurious stuff, [illegible]

EDUCATION.

FOUNDED 1844.........INCORPORATED 1850

NEW ORLEANS Female Collegiate Institute, OR **BOARDING AND DAY SCHOOL FOR YOUNG LADIES,**

Under the Supervision of Madame Ed. LOCQUET, **No. 203 Camp Street,** BETWEEN JULIA AND ST. JOSEPH STREETS.

THIS establishment, founded by Dr. and Mrs. McCauley, whose high reputation has never been questioned, will commence its sixteenth session on the 15th of September.

Mme. ED. LOCQUET, assisted by her sister, Mme. FRANCOIS LOCQUET, with whom she has associated herself, will use her best endeavors to continue to merit the confidence bestowed, for so many years, to her predecessors.

Professors of the highest talent are employed in all the branches, both useful and ornamental. Piano, Music, and the study of the Solfege, will be taught exclusively by the Mmes. LOCQUET, whose reputation as professors of music has been so well appreciated by the numerous families who have favored them with their confidence.

The French language, the native tongue of those ladies, and the acquirement of which is now indispensable to a good education, is taught with the utmost care, and is spoken by the Principal. Young ladies will therefore find in their constant intercourse with three teachers every facility possible for perfecting themselves in this language.

This establishment is commodious and well ventilated, and has recently been entirely renovated, with the strictest regard to the comfort and health of the pupils.

Mme. LOCQUET respectfully invites parents and families to call and visit her school, where prospectuses, with all other information which may be desired, can be obtained.

Letters of inquiry will be promptly attended to by the Principal.

DAY AND BOARDING SCHOOL FOR YOUNG LADIES Under the direction of **MRS. CHARPAUX,** At the corner of BAYOU and CLAIBORNE streets.

THIS Seminary, whose existence dates some twelve years back, has met with a success that proves, beyond all cavil, the capacity of those who have charge of it.

Determined to merit the confidence of parents, Mrs. Charpaux will spare no pains to make her Seminary equal to the best institutions of the kind in New Orleans, and in order to do this, she has employed the ablest teachers.

Madame Charpaux has purchased a large and airy edifice on one of the highest pieces of ground in the city; and the latter is surrounded by a large yard, and has spacious and elevated apartments built on purpose for school and sleeping rooms, through which there will be a constant circulation of air from many windows.

Great attention will be paid to the improvement of pupils in the French language. For this purpose, Madame Charpaux herself will give her undivided attention to this department of instruction.

The English and French languages, Geography, Arithmetic, and in short all the branches of a polite education, will be taught in the Seminary.

Music having become a most desirable branch of the education of young ladies, Mr. Charpaux, from the best musical school in Paris, and ex-artist of the Orleans Theatre, will devote all his time to the teaching music.

Madame Charpaux, in order to complete the education of her scholars, has opened a class in which will be taught all the useful and ornamental branches of needlework.
