INDIAN'S PANACEA.

FOR the cure of scrofula or king's evil, inveterate cancers, syphilitic and mercurial diseases, particularly ulcers, and all those diseases of the bones, the parts about the head and nostrils, ulcers of every description, rheumatism, sciatica or hip gout, fever sores and internal abscesses, tubles, bronchial, and pulmonary affections, chronic rheumatism, chronic diseases, chronic catarrh and hoarseness in particular cases, pain in the stomach and dyspepsia, depending from retention, affections of the liver, chronic inflammation of the kidneys and bladder, and debility, caused by a torpid action of the vessels of the skin. It is singularly efficacious in renovating those constitutions which have been broken down by injudicious treatment, juvenile irregularities. In general terms, it is recommended in all those diseases which arise from impurities of the blood, or vitiation of the humors, of whatever form or kind.

The proprietor of this valuable medicine acquired his knowledge of its ingredients from a long residence among the aborigines of this country, and it is a selection from the most approved and successful medicines which they use. It is offered to the public by the proprietor, with the consciousness that he is doing a blessing their reach a remedy capable of relieving many of his afflicted fellow-beings, who are suffering under the various and obstinate complaints to which it is applicable. To such it will prove the means, and in many cases, the only means of relieving their sufferings, and restoring them to health and happiness. This is not offered as a common remedy, that may perchance be equally good with many others now offered to the public, but it is capable of curing many extreme cases, when all the usual remedies fail. This it has done repeatedly, and this is the reputation it has obtained where it has been introduced.

This medicine has been found highly useful in many ambiguous diseases not here specified, and it has been given with decided success in a long and full period, by those who are subject to various complaints, and whose constitutions require invigorating. Whenever a diet drink is necessary this Panacea, taken in usual doses, will answer all its purposes; it is free from all injurious ingredients, and in a far more agreeable manner than the common diet drink.

The fall wing certificate, out of hundreds similar which might be produced, are given to show the effect of the Indian's Panacea, in the various complaints therein mentioned, and should be sufficient to satisfy satisfactory manner its superiority over other similar preparations.

Case of Elevated Throat. Nashville, &c.

Charleston, Jan 20 1840. Gentlemen—I feel I was affliated with a scrofulous disease for several years, during which time I employed several eminent physicians, both in Philadelphia and Charleston, and also took several bottles of Dr Smith's Panacea, but it did not effect a cure. During the last winter I was taken with an ulcerated throat which soon became so severe as to prevent my taking sufficient food to sustain life. Pronounced in this situation several days, one intod and threatened with absolute and unavoidable starvation, when, as a last resort, I had recourse to the Indian's Panacea, and found from it almost immediate relief, resuming my usual rapidly for two weeks I found myself quite well, as I have remained ever since.
