**TARRANT'S EFFERVESCENT SELTZER APERIENT.**—The unrivalled reputation which this agreeable preparation enjoys, sanctioned by the most distinguished of the medical faculty, is the surest guarantee of its efficacy, and is conclusive evidence that it will prove one of the most deserving medicines ever introduced, and eminently worthy the patronage of our citizens.

This preparation possesses all the active medicinal properties of the famed "Seltzer Spring" of Germany, with such additions and improvements, greatly increasing its beneficial effects—retains all the sparkling effervescence of a glass of soda water—exerts over the system a healthy action, and thus invariably proves its great efficacy and success. A teaspoon full of this Aperient, in a tumbler of water, before breakfast, will generally be found sufficient in all cases of pains in the head, excess of bile and acidity of the stomach. Taken in this manner it never interferes with the avocations of the day, and invariably creates an elasticity of mind and flow of spirits which gives a zest to every enjoyment. In dyspepsia or indigestion, irritability of the stomach or occasional flatulency, a speedy removal of the unpleasant symptoms being requisite, the use of this preparation, in a sufficient quantity, is recommended, to induce a full evacuation of the bowels, thereby affording immediate relief; the unpleasant feeling is removed, the irritability of the stomach soothed, whilst the appetite again resumes its wonted healthy state.

The energies of that important organ, the liver, may be effectually restored when in a torpid state, or when there is not a due secretion of bile, by the use, for a short period, of a tea spoonful of this Aperient, taken in the morning fasting.

All febrile symptoms will be allayed by taking a tea spoonful occasionally during the day, and being peculiarly grateful to the stomach, forms a delightful effervescent draught.

Captains of vessels would find this preparation a very desirable medicine for family use at home or when travelling. Its agreeable flavor, its life, its medicinal virtues and portability, neatness of preparation and simplicity in using, renders it far superior to any other ever offered to the public.

TESTIMONIALS.

FROM M. PRICE MOORE, M. D.

"I have used your Effervescent Seltzer Aperient in several cases, with very happy results. As a mild Aperient, it has advantage over all other Aperients, particularly in cases of great debility where it is important to save the strength of the patient. It can be made a pleasant drink, and given in such doses as to obtain the object in view. As a family medicine, I think very highly of it; and as such, can be freely used during the summer months."

(Signed) M PRICE MOORE, M. D.
To Mr James Tarrant, No 60 Hudson st. New York, Nov 18, 1844.

FROM JAMES TRUDEAU, M. D.

"I have often prescribed your Effervescent Seltzer Aperient in this city, and have always been pleased with its operation. It is, in my opinion, a pleasant, safe and mild laxative, calculated to please the most fastidious. To persons residing in warm climates, where a congested state of the liver is a frequent cause of disease, it is a most valuable medicine."

[Signed] JAMES TRUDEAU, M. D.
To Mr James Tarrant, No 308 Broadway. New York, Apr. 19, 1844.

THE undersigned has the honor to inform the Planters and Merchants of Louisiana and neighboring states, that in consequence of the death of Mr Jean Mager, he has chosen as his sole agents and representatives at New Orleans, and for all the Southern States, Messrs Hte. de Goer and Riffard, who are and will be in future, the ONLY SUCCESSORS of Mr Mager. His depot which is definitively established in this house, will be constantly supplied with FRESH GOODS of the first quality, and he trusts that by their cheapness, durability, and the care taken in their fabrication, to justify and extend the patronage with which he has so long been honored in the United States.

Having learned that some merchants and manufacturers have imitated his mark, and are selling inferior blankets under his name, he embraces this opportunity to inform the public, that HIS ONLY DEPOT is at Hte. de Goer & Riffard, No 21 Magazine street, and that he will pursue before the Courts of Justice all persons who counterfeit his goods or who sell such counterfeits.

The undersigned once more thanks the public for the confidence heretofore reposed in him, and will endeavor to continue meriting it.

In cases of Dyspepsia, which is simply a nervous derangement of the digestive organs, they have been found equally successful. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience.
