Harmonious and Mechanical Piano
by
ADOLPHE VLANDRAIN,
44 ..... CONTI STREET 44
Between Chartres and Royal streets,

HAS just received an assortment of Harmonious and Mechanical Pianos, directly from Paris, superior to all the European Concerts and conservatories of Paris, amongst the number of which are the celebrated Mechanical Pianos which the inventor, Mr. Vlandrain, has performed without a knowledge of music. These instruments are manufactured and improved expressly for superior taste and are acknowledged by the Parisian amateurs to be superior to all others.

Amateurs are invited to call and judge for themselves of the excellence of the above Pianos. Mr. V. attends to tuning and repairing, and he hopes to merit a share of the public patronage.

Second-hand Pianos bought and sold. ..... nov 19 Nsw

TO COTTON PLANTERS.

I TAKE pleasure in announcing that Messrs. MANDEVILLE & MCHENRY are my sole and duly appointed agents in this city to make contracts for the use of

MY INVENTION
BY THE SEED COTTON ON PLANTATIONS
AND ALL BUSINESS RELATIVE TO IT.

I will only say here that I make the same capital, time, labor, talent, the same energy and the same experience, now mainly that my name is, and have the confidence, which I hope, and the addition of a large money capital, which I hope, and which the increased value of the varieties the last year will be, sufficient to enable me to place the seed of the planters, in their gins and fit to be worn, and sold at a price which will leave a profit to the planter, and SUPPLY THAT DEBIT THE PLANTER'S NET INCOME.

We quite the best yarns in the world. The danger from fire of the disclosure is immaterial, and what is of great advantages of great value, to the planter, is of great importance, that all this is fully demonstrated by the experience of the last year, and that I can make the price of discounting his notes at 8 percent.

Planters desiring more full particulars are referred to the undersigned.

Applicants for agencies will please address them, in claiming traitlessdale.
