Will Cure Without Fail

Scrofula, or King's Evil, Cancers, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm, or Tetters, Rheumatism, Scald Head, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Gland, Syphilis, Dyspepsia, Salt Rheum, Mercurial Diseases, Diseases arising from the use of Mercury, Loss of Appetite, Pain in the Side and Shoulders, General Debility, Lumbago, Dropsy, Jaundice, Costiveness, Sore Throat, Bronchitis, Coughs, Colds, Weakness in the Chest, Pulmonary Affections, and all other diseases tending to produce CONSUMPTION, Liver Complaint, Female Irregularities and Complaints, Low Spirits, Sick and Nervous Headache, Night Sweats, Exposures or Imprudence in life, Chronic Constitutional Diseases, and is a Spring and Summer drink and general Tonic for the system, and a gentle and pleasant purgative; it is superior to Sarsaparilla, Iron Congress Water, Salts, or Sedlitz Powders.

GOOD TESTIMONY.

The Ohio State Journal, (Columbus, thus Ohio,) speaks of Bull's Sarsaparilla:

IT HAS NO EQUAL.—The unprecedented sale of Bull's Sarsaparilla for the past few years in this city, where it has been introduced for the past two months ONLY, with the very gratifying effects produced in every instance where it has been tried, is a sertion that as a purifier of the blood IT HAS NO EQUAL. This is a bold assertion, but it can be substantiated by calling on the agent in this city.

Bear with us reader, a little longer, and be convinced that BULL'S SARSAPARILLA is the GREAT BLOOD PURIFIER OF THE WORLD.

And that it will cure you no matter how long you have been suffering.

What Dr. Owen, Druggist and Apothecary of several years standing, says about BULL'S SARSAPARILLA:

LOUISVILLE, May 31, 1848.

MR. JOHN BULL—Dear Sir: I have been for a number of years afflicted with a Mercurial Headache, and a dull heavy pain in my liver. I used almost all the remedies of the day, especially the Sarsaparilla prepared by different persons, but all to little or no advantage, until I chanced to meet with yours, three bottles of which gave me more relief than all the others combined.

I therefore take pleasure in recommending your sarsaparilla to the afflicted community as a superior article. Very respectfully,

J. H. OWEN.

RHEUMATISM

Let all those who are suffering under the agonizing tortures of Rheumatism read the following and see what may also be done for them, if they will use the infallible remedy.

Mr. John Bull—Dear Sir: For the last three years I have been afflicted with Rhumatism of the severest character. I was sometimes in the greatest agony of pain—I tried everything I could procure for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health, more than any medicine I have ever tried.

I have been free of pain for several months, and have no doubt the cure is permanent, and I confidently recommend it as being the best medicine in use for rhumatism. ISHAM BRIGGS,

Cniontown, Union Co., Ky. May 12, 1848.

From Dr. Wm. T. Prentiss

MR. BULL.—In regard to your sarsaparilla, I will say that I have used it to some extent in Cutaneous Affections of long standing, as Tinea Capitis, Lepra, Psoriasis, Scabies, Syphilitic, Cachexia, and in all diseases where the indication of cure seems to consist in a thorough change or modification of the fluids; the body, with considerable success, in conjunction with local treatment. I think I would prefer it to any preparation of Sarsaparilla in use, and any physician will admit its value upon learning the substances that enter into its composition.

Respectfully yours, W. T. PRENTISS, M. D.

Lewisport, Ky. Dec. 4-1847.

It is perhaps needless to produce any further testimony in favor of this great remedy. It has only to be tried and proved to convince the public of its superior efficacy. Let all who are laboring under chronic diseases, general derangement, nervous debility, weaknesses, the effects of mercury, or any thing of the kind, give it a fair trial. There are thousands throughout the land who stand in need of it. Let them try it, and we assure them that they will not regret it.

NOTICE TO FEMALES.

John Bull's Sarsaparilla is one of the greatest Female Medicines now in existence. In those numerous cases where the constitution is debilitated, the nervous energy is wanting, when the efforts of nature are weak and debilitated or are profuse and overwrought, when the face is pale and colorless, the strength feeble and jaded, the spirits low and depressed, the health broken, mind shaken, and consequently the happiness destroyed—then Bull's Sarsaparilla is a sovereign remedy. It so invigorates the performance of her duty, braces the whole system, removes obstructions, checks excessive or irregular flows, strengthens, and imparts health and happiness. Ladies, if you would be free from the pains of childbirth, we would assure you the painful fear we should have amounts to nothing, and perhaps a happy long life instead of one cut short by disease, or made miserable from continued suffering and affliction. At the critical period of life, the Turning Life, which so often is attended with so much danger, Bull's Sarsaparilla is invaluable to the female constitution. As a blood purifier it is unequalled, and is the most agreeable and pleasant medicine. And AND THE SAFEST MEDICINE in the various materia medica.

A BEAUTIFUL CLEAR SKIN

How we admire a clear beautiful white skin, and a rosy colored cheek. How often do we see persons not possessed this inestimable ornament, and be washed, resorting to cosmetics, lotions, washes, paints, and coloring materials to restore to them a semblance of that which Nature has deprived them of, and that too, often times, with mischief instead of the same. The best is Bull's Sarsaparilla is the well known, Hygienic Elixir, which is clear upon the cor- Sarsaparilla purifies and clears the skin, leaving it perfectly dried by some huge pustules and festering ulcers. Said property has stood 1500 repeats would fand, and warrant some overflow.

Testimony like the following renders superfluous all further comments upon the efficacy of Bull's Sarsaparilla

From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College.

"I have tested over the list of ingredients composing of John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a well compounded, and one that promises well in Chronic diseases, to which it is applicable.

L. P. YANDELL, M. D.

Louisville, June 6, 1848.

What Dr. Pyles, Physician, by appointment, to the Louisville Marine Hospital, says of Bull's Sarsaparilla:

LOUISVILLE, March 20, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be an excellent one, and well calculated to produce the alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use.

M. PYLES, M. D.,

President Physician, Louisville Marine Hospital.

[From the People's Journal, Quincy, Ill.]

BULL'S SARSAPARILLA.—We have used one bottle of this Sarsaparilla (or general debility and lumbago, and believe we have experienced entire relief. We used in time gone by two bottles of S. P. Townsend's Sarsaparilla for the same, we paid $2 50, and believe we received injury instead of benefit for its use.

This medicine is daily grappling with disease, through the Western country, restoring to blooming health and youthful vigor, the sick and afflicted—nay, those that are considered incurable, if certificates are pouring from all directions, from men of truth and high moral standing, placing it, from its intrinsic worth, the very best of all remedies before the public.

Sold wholesale and retail by JOHN BULL, at his principal office, 21 Fourth Street, Louisville, Ky., and by the Druggists generally in the city and country.

Testimony like the following renders superfluous all further comments upon the efficacy of Bull's Sarsaparilla

From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College.

"I have tested over the list of ingredients composing of John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a well compounded, and one that promises well in Chronic diseases, to which it is applicable.

L. P. YANDELL, M. D.

Louisville, June 6, 1848.

What Dr. Pyles, Physician, by appointment, to the Louisville Marine Hospital, says of Bull's Sarsaparilla:

LOUISVILLE, March 20, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be an excellent one, and well calculated to produce the alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use.

M. PYLES, M. D.,

President Physician, Louisville Marine Hospital.

[From the People's Journal, Quincy, Ill.]

BULL'S SARSAPARILLA.—We have used one bottle of this Sarsaparilla (or general debility and lumbago, and believe we have experienced entire relief. We used in time gone by two bottles of S. P. Townsend's Sarsaparilla for the same, we paid $2 50, and believe we received injury instead of benefit for its use.

This medicine is daily grappling with disease, through the Western country, restoring to blooming health and youthful vigor, the sick and afflicted—nay, those that are considered incurable, if certificates are pouring from all directions, from men of truth and high moral standing, placing it, from its intrinsic worth, the very best of all remedies before the public.

Sold wholesale and retail by JOHN BULL, at his principal office, 21 Fourth Street, Louisville, Ky., and by the Druggists generally in the city and country.
