PILULES DEHAUT

The Vegetable Substances contained in this Purgative have been selected and combined according to the new method of M. DEHAUT, in order to be Taken and Digested at the same time as the best food and the most fortifying beverage; this evidently allows every body to choose, to take a Purgative the most convenient hour and meal, so as not to leave off business and avoid the nauseating disgust of all other purgatives. These advantages, which 25 years practice have proved, have rendered DEHAUT'S PILLS very popular in France. They are invaluable against Costiveness and its consequences. As a mere Purgative, they are superior to all others, inasmuch as they can be taken for several days without the disgust attendant on fulsome drinks and diet. But the greatest benefit is felt in the cure of a great many Chronic Diseases, such as Asthma, Catarrh, Ring-worm, Sick Headache, Scrofulous Humors, Gastritis, &c. &c., because the wholesome food which the sick man takes at the same time will enable the organs to bear his course of treatment without fatigue. DAY AND BOARDING SCHOOL FOR YOUNG LADIES Under the Direction of MADAM CHARPAUX,

At the corner of Bayou and Claiborne streets.

THIS SEMINARY, whose existence dates some thirty years back, has met with a success that proves beyond all cavil, the capacity of those who have charge of it.

Determined to merit the confidence of parents, Madam Charpaux will spare no pains to make her Seminary equal to the best institutions of the kind in New Orleans, and in order to do this, she has employed the ablest teachers.

Madam Charpaux has purchased a large and airy edifice on one of the highest pieces of ground in the city, and in other respects perfectly salubrious. She has had spacious and elevated apartments built on purpose for school and sleeping rooms, through which there will be a constant circulation of air from many windows.

Music having become a most desirable branch of the education of young ladies, Mr. Charpaux, from the best musical school in Paris, and ex-artist of the Orleans Theatre, will devote all his time to teaching music. All the Scholars, besides their regular lessons, will practice daily under the eyes of the Professor. The study of the notes will precede the performances, when Mr. Charpaux will put the pupils through the execution of the regular keys and notes, and this will be attended with no extra charge.

In order to kindle emulation among the Pupils, and improve their singing, on the morning of the last Saturday in every month, there will be a musical examination and a distribution of rewards.

DAY AND BOARDING SCHOOL, UNDER THE DIRECTION OF MADAME FABERT,

Corner of Rampart and Du Maine streets.

THIS Institution occupies one of the best locations in the city with respect to health and many other important advantages. The building is magnificent; the apartments are vast and well ventilated, and are particularly well adapted for classes.

There are four fine dormitories with dressing cabinets, also spacious galleries all through the house; a splendid terrace commanding a most beautiful view of the city, as far as the Lake.

The best advantages are offered to parents, as to the moral and intellectual cultivation of the minds of their daughters.

Madame Fabert is always present with her pupils, she teaches during the hours of class, and superintends the different divisions. There is an ample number of the best professors employed, besides ladies residing in the institution.

Every branch of a solid and refined education is taught in both languages; all accomplishments, such as Drawing, Painting, Dancing and Embroidery, &c.

The Musical department (including vocal and instrumental) is conducted by four of the most competent and acknowledged talents in the city.

It would be superfluous to add anything respecting the special attention that is paid to the English language—the best guarantee that Madame Fabert can give the public, is, that the French young ladies who have been educated by her speak it the same as their mother tongue.

For terms, apply at the Institution, where prospectuses can be obtained.

ST. LOUIS INSTITUTE FOR YOUNG LADIES Boarding and Day school, under the direction of Madam Deron, Dauphine street, No. 313, and Hospital street, No. 155.

THE Directress of this Establishment, being fully sensible of the importance of the English language, has introduced new modifications in the mode of teaching.

The number of English Professors has been increased. Besides two distinguished Professors who are charged with the instruction of the three higher classes, *two American ladies*, who attend to the elementary classes and the general superintendence, speak English only. *The pupils are therefore compelled, in their general intercourse, to express themselves in English alone.* With a view to this result, Madam Deron has established strict regulations which she will personally see enforced, for she wishes families to be convinced of the fact that an easy and constant practice of the principal language of the country, is required at the Institute.

Moral and religious education and good manners which can be acquired only by example, are looked upon as highly important by Madam Deron, and she will use her best exertions to create patience and mild discipline on the one side, and patience and affection on the other, among the pupils and the teachers.

The musical classes, still under the management of Mrs Lavillebeuvre, are constantly and carefully attended to.

The annual examination begins in October.

Summer Residence.

From the month of June, a branch of the St. Louis Institute is opened at Mandeville, a delightful village free from epidemic diseases. Madam Deron's object in opening it, is to afford to unacclimated young ladies or those wishing to spend a few months in the country, the facility of continuing the same studies as in the city. Both Establishments are opened during the entire summer.

A carriage is attached to the establishment, which conveys young ladies residing above Canal street, to and from the Institute. sep4
