MEDICAL

Galvanic Rings, Belts, Bands, and Magnetic Fluid.

THE proofs of the wonderful powers of these articles are very numerous, and are daily accumulating. It is believed that in the City of New York alone, upwards of EIGHT THOUSAND PERSONS, during the last year of less than a year, have been entirely relieved of the most painful chronic disorders, some of which have completely baffled all the former efforts of medical art. The following certificates from highly respectable persons are selected from a large number of a similar character:

EPILEPSY AND PALPITATION OF THE HEART.

☞ Rev. John Dowling, one of the Ministers of Mr. John Jacob Astor, of New York, Minister of the Episcopal Church, in Bristol, R. I., residing in Main street, has long been subject to distressing attacks of Epilepsy, often falling down in public, and Palpitation of the Heart, accompanied by violent Palpitation of the Heart and a rush of blood to the head. For three years he has been unable to preach or attend to his other duties. Mr. Beard has found the most valuable benefit from the Rings, Bands and Fluid, in better equipment than he has been since his illness, and is now capable of entering his health. All symptoms of Epilepsy have left him.

RHEUMATIC GOUT

To Dr. Christie—Sir: For a fair trial of almost everything without any good effect, I think I must attribute a remarkable cure to the virtue of your Galvanic and Magnetic Rings, Belts, Bands and Fluid, which I have very seriously relieved me of a very severe and long standing, together with general nervous debility of the system. MRS MARY JACKSON,

108 Mercer st.

☞ Mrs. Jackson is a relative of Major M. M. Noah who certifies to the truth of the foregoing statement.

APOPLEXY AND PARALYSIS

☞ Captain Andrew J. F. Tomes, residing at No. 70 Bridge street, Brooklyn, L. I., is in his 76th year. He has generally enjoyed almost health, but about 3 years since it began to fail. He was slowly recovering, under the prescriptions of Dr. John W. Fraser, when he suddenly fell down insensible in his office, under a severe Apoplectic fit. On recovery he noticed that a portion of his side was apparently dead; and on further examination, his physicians pronounced his case to be that of combined Apoplexy and Paralysis. The family were requested to produce to try the Galvanic Rings and Magnetic Fluid, and for this purpose procured a pair of the Rings for the bands, and a pair of Bands for the limbs, and a bottle of the Fluid. In twenty-four hours after using these articles feeling was perceptible in the paralyzed parts, and perspiration broke out on the paralyzed side, which had not been the case with the hand, and in three weeks he was enabled to walk alone. A period of nearly six months has now elapsed, during which time any symptoms of Apoplexy has been apparent, he is enabled to take regular exercise, and all his unpaired faculties have been restored.

☞ The public are respectfully cautioned to beware of Spurious Imitations of the genuine articles. Dr. Christie has but one authorized Agent in each city of the Union, viz: JOHN SY & Co, corner of St Charles and Canal street, are the sole Agents for New Orleans, of whom alone the genuine articles can be obtained. n1
