BULL'S EXTRACT OF SARSAPARILLA.

[illegible] ... Bull's Sarsaparilla is purchased without regard to price, and every pound, before being used, is subject to the strictest chemical test, and its genuineness ascertained before being used.

Bull's Sarsaparilla also contains the virtues of several other valuable medicinal roots, together forming the best compound and producing the *greatest cures* ever known in the world.

THIS MEDICINE,

WHEN USED ACCORDING TO DIRECTIONS

Will Cure Without Fail!

Scrofula, or King's Evil, Cancers, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm, or Tetters, Rheumatism, Scald Head, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Gland, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Diseases arising from the use of Mercury, Loss of Appetite, Pain in the side and Shoulders, General Debility, Lumbago, Dropsy, Jaundice, Costiveness, Sore Throat, Bronchitis, Coughs, Colds, Weakness in the Chest, Pulmonary Affections, and all other diseases tending to produce CONSUMPTION, Liver Complaint, Female Irregularities and Complaints, Low Spirits, Sick and Nervous Headache, Night Sweats, Exposure or Imprudence in life, Chronic Constitutional Disorders, and is a Spring and Summer drink and general Tonic for the system and a gentle and pleasant purgative; it is superior to Blue Lick or Congress Water, Salts, or Seidlitz Powders.

GOOD TESTIMONY.

The Ohio State Journal, [Columbus, Ohio,] speaks of Bull's Sarsaparilla:

It has no Equal.—The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla in this city, where it has been introduced for the past two months only, with the very gratifying effects produced upon all who have tried it, warrant the assertion that as a purifier of the blood IT HAS NO EQUAL. This is a bold assertion, but it can be substantiated by calling on the agent in this city.

Reader, be convinced that BULL'S SARSAPARILLA is the WONDER OF THE WORLD! And that it will cure you no matter how long you have been suffering.

What Dr. Owen, Druggist and Apothecary of several years standing, says about BULL'S SARSAPARILLA:

LOUISVILLE, May 31, 1848.

Mr. John Bull—Dear Sir: I have been for a number of years afflicted with a Mercurial Headache, and a dull heavy pain in my liver. I used almost all the remedies of the day, especially the Sarsaparilla prepared by different persons, but all to little or no advantage, until I chanced to meet with yours, three bottles of which gave me more relief than all the others combined.

I therefore take pleasure in recommending your sarsaparilla to the afflicted community as a superior article. Very respectfully,
J. H. OWEN.

RHEUMATISM.

Let all those who are suffering under the agonizing tortures of Rheumatism read the following, and see what may also be done for them, if they will use the infallible remedy.

Mr. John Bull—Dear Sir: For the last three years I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain—I tried every remedy I could procure for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health, more than any medicine I have ever used.

I have been free of pain for several months, and have no doubt the cure is permanent, and I confidently recommend it as being the best medicine for the complaint.
ISHAM BRIGGS,
Uniontown, Union Co, Ky, May 12, 1848.

From Dr. Wm. T. Prentiss.

Mr. Bull—In regard to your sarsaparilla, I will say that I have used it to some extent in Cutaneous Affections of long standing, as Tinea Capitis, Lepra, Psoriasis, Scabies, Syphiloid Cachexia, and in all diseases where the alteration of the system is required ... [illegible]

Respectfully yours, W. T. PRENTISS, M. D.

LOUISIANA COLLEGE.

Dauphine street, between Ursulines and Hospital sts

LOUIS DUFAU, Principal.

THE Principal of this new establishment is in hopes of founding an institution which may offer to the youth of Louisiana the same resources and advantages as the Colleges of the North and of Europe. In order to achieve this object, he will associate with him a few most distinguished Professors of New Orleans.

The Principal will spare no pains, and will endeavor constantly to develop in his pupils the moral attributes, as well as to cultivate the faculties of the mind. He considers that it is as important to bring up children well as to instruct them well, and he is convinced that all education, in order to be fruitful and good, must rest on a basis of morality and religion.

The course of study in the College of Louisiana will comprise instruction in the Dead and Living Languages, (Greek, Latin, English, French and Spanish,) History, Geography, Philosophy, Rhetoric, the Mathematical and Natural Sciences, Political Economy, Chemistry, Belles Lettres, &c.

English, being the National Language, will be the foundation of instruction in the College of Louisiana, and the greater portion of the classes will recite in English. English Professors have already been engaged by the Principal. Mr. Orvin, well known in New Orleans, will take charge of the higher classes; another, whose native language likewise is English, will remain constantly with the pupils, in order to accustom them to speak correctly the language of their country. Particular attention will be paid to the History of the United States.

The course of instruction will be of four classes.

TERMS

First Class, per month	$12 00
Second Class, per month	10 00
Third Class per month	8 00
Fourth Class, per month	6 00

Extra charge will be made for Music, Drawing, Painting, Dancing and Fencing, also which will be taught in the establishment.

ST. LOUIS' INSTITUTION.

DIRECTED BY MADAME DEVON

BOARDING AND DAY SCHOOL FOR YOUNG LADIES.

(Years 1850—'51.)

No. 143 St. Louis st., between Dauphine & Burgundy.

THIS Institution, founded nearly twelve years ago, continues every Academic honor ... [illegible] ... Madame Devon, formerly a pupil and governess in the "Institut de la Legion d'Honneur," ... [illegible]

The situation of St. Louis' Institution is one of the most agreeable and salubrious in town. The whole locality, including dormitories, class and study rooms, and play grounds, being very spacious and airy, and overlooking several gardens, is in so healthy a position, that not a single pupil has experienced the least sickness.

The plan of instruction both in French and English embraces all the literary and scientific branches of a finished education.

The study of English is the object of particular attention. Madame Devon is scrupulously careful that the Creole Young Ladies should devote more time to the study of the English language and literature than to any other branch. Mr. Orvin, a professor well known in New Orleans, continues his course of lessons every day. Two English governesses residing in the establishment, preside over the elementary classes, and contribute to the progress of the pupils by the continual use of that language in all the relations of ordinary life.

With respect to the study of French, besides the lessons of able professors and governesses, M. and Madame Devon themselves instruct in the different branches, and are thus enabled by their personal efforts to insure the solidity and rapidity of the progress of their pupils.

The department of Music, including the piano harp and singing, is under the direction of Madame Lavillebeuvre, an excellent music mistress, who formerly gave lessons in St. Louis' Institution, and who is now especially attached to the establishment. This young and talented lady, so justly classed at the head of the artistic celebrities of Louisiana, ... [illegible] ... Madame Lavillebeuvre's pupils.

Religious and moral instruction, which is the basis of every really good education, has received greater developments than in any other Boarding School in the city. Madame Devon herself superintends the religious exercises of the Catholic pupils, and M. l'Abbe Tholomier prepares them for their first communion, and for confirmation by giving religious instruction several times every week in the Chapel of St. Louis' Institution.
