SANDS'S SARSAPARILLA [illegible]

FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR HABIT OF THE SYSTEM.

Scrofula, or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples, or Pustules on the face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement of and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica, or Lumbago, and Diseases arising from an injudicious use of Mercury, Ascites, or Dropsy, Exposure or Imprudence in Life,—Also, Chronic Constitutional Disorders, &c.

The searching influence of this preparation reaches the blood, and its antiseptic preparations either discharge or render harmless the virus of disease in that fluid, while its tonic qualities strengthen the stomach, and the slight laxative power with which (however strange the combination may seem) it is imbued, acts gently upon the excretory organs. To those afflicted with pustulous or other eruptions, scrofulous ulcers, superficial or deep-seated sores, inflammatory or chronic rheumatism, general prostration, hepatic diseases, &c. &c. it will be found to produce most beneficial, and so to speak, re-vitalizing effect.

Still further proof of the value and efficacy of this medicine. Another link added to the chain of this testimony.

WEST POULTNEY, Vt. Dec. 6th, 1845.

Messrs A. B. & D. SANDS—*Dear Sirs:*—About the middle of January, 1838, I was attacked with a disease which my Physicians called Rheumatism, and I used such remedies as were prescribed, and in about three weeks it left, but nearly the same time the next year it appeared again in the same place, the right hip joint, from which it increased, moving on from limb to limb and joint to joint until it had emphatically taken possession of my whole system. I tried every remedy prescribed by the various Physicians, but was doomed year after year to see my disease completely baffle the combined skill of the Medical Profession. I continued thus until September 1838, when I took a sudden and severe cold, and immediately my disease raged with increased fury throughout my whole system.—My body was racked with convulsions and twisted with cramp until every joint was dislocated, and every limb painfully distorted. My limbs and body were drawn together, nearly into a sitting posture, in which every joint became so perfectly set that it was impossible to move, hand or foot or any of my limbs.

I was confined in this condition about one year from the above date to a common bed, next to a hydrostatic bed for one year, from which I was taken in February 1841, and placed in a large easy chair, made so as to conform to the angle of my stiff body and limbs. I had not been long in this chair, before my feet began to swell and continued to increase until the skin literally burst at every pore, discharging such a quantity of fluid that large folds of cloth placed under and around them would be completely drenched in a few hours. Although my feet were so exceedingly tender that I could scarcely endure the weight of cloth upon them, yet at times they would burn and itch so intolerably that my nurse would be obliged to take a rough cloth and rub them until it was sometimes saturated with blood. All the nails on my fingers and toes died and came off. I had a distressing pain in my left side, a distracting headache almost continually, and besides, my bowels were so torpid that they did not move unless by the aid of Pills, oftener than once in several days. This, Sir, is but a faint description of my actual state when your Sarsaparilla, like an Angel of Mercy, found me and administered to my relief. While removing the wrapper from the first bottle, my wife said, my dear husband, you must not allow yourself even to hope for relief, for if you do, it will only add another to your already many grievous disappointments. I very sensibly felt the effects of the first dose, and when I had taken one-half of the first bottle the discharge from my feet entirely stopped, and the swelling began to abate, and before I had finished taking the second, the burning and itching was gone, the loathsome stench disappeared, the pain in my head, side and back disappeared, while my bowels for the first time in four years moved naturally and have continued to do so since, and my health is rapidly improving.

TARRANT'S CORDIAL ELIXIR OF TURKEY RHUBARB:

For the cure of Dyspepsia or indigestion, Bilious and Nervous Headache, Constipation, Diarrhœa, Gout, Rheumatism, Gravel, Flatulency, &c.

THIS preparation is made from the best Turkey Rhubarb, and possesses all its valuable properties, combined with such aromatics as will be found materially to assist in its operation, and is thereby rendered an exceedingly useful medicine in a variety of affections where a cordial aperient is deemed requisite. As a medicine, Rhubarb (the Turkey) has for a considerable period held a high place in the medical world, and has thus far proved itself eminently deserving of its great reputation, through the valuable properties universally conceded to be peculiar to it when procured in its pure state.

In cases of Dyspepsia or Indigestion, it is an invaluable remedy, and as a preventive of the various diseases arising from that very disagreeable complaint, holds a high place in the estimation of the medical profession.

In cases where griping pains affect the stomach and bowels, this preparation is strongly recommended, whilst it will be found a good carminative in relieving Flatulency. To persons afflicted with Gout, (and it has enjoyed high praise from those who have already experienced its good qualities,) it is confidently offered, as it can at all times be taken when a cooling purgative would otherwise be attended with danger.

This preparation cannot be too strongly recommended to the many thousands now suffering from Dyspepsia or Indigestion, and its consequences, Bilious and Nervous Headache, Diarrhœa, Constipation, Gout, Rheumatism, Flatulency, Gravel, &c. as the utmost reliance can be placed on it, both as to its innocent nature and highly curative qualities.

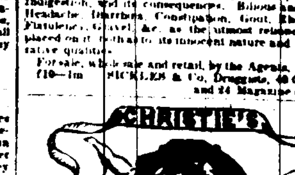
CHRISTIE'S



Galvanic Rings and Magnetic Fluid.

THIS remarkable discovery which has attracted so much attention in Europe and recently in the Northern States, is now introduced for the first time to the citizens of New Orleans. It comprises an entirely safe and simple application of the Mysterious Power of Galvanism as a remedial agent. The GALVANIC RINGS in connection with the MAGNETIC FLUID have been used with the most perfect success in all cases of RHEUMATISM, acute or chronic, applying to the head, face or limbs; *Gout, Tic Doloreux, Toothache, Bronchitis, Vertigo, Nervous or Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits, Cramp, Palpitation of the Heart, Apoplexy, Stiffness of Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Dizziness of the Head, Pains in the Chests and Side, General Debility, Deficiency of Nervous and Physical Energy and all Nervous Disorders.* In cases of Dyspepsia which is simply a nervous derangement of the digestive organs, they have been found equally successful. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience.

The Galvanic Belts, Bands, Bracelets,

Are modifications of the invention, and are recommended in more chronic cases of disease, where the Rings do not possess sufficient intensity or power. They are adapted to the waist, arms, wrists, ancles, chest, or any part of the body with perfect ease. Any Galvanic power that is required may thus be obtained, and no complaint which the mysterious agent of Galvanism can effect, will fail to be permanently relieved.

Christie's Magnetic Fluid.

Is used in connection with the Rings and their modifications. This composition has been pronounced by the French Chemists, to be one of the most valuable discoveries of modern science. It is believed to possess the remarkable power of *rendering the nerves sensitive to Galvanic action,* by this means causing a concentration of the influence at the seat of disease, and thus giving rapid and permanent relief.

Christie's Galvanic Strengthening Plaster.

These articles form an important addition to the Galvanic Rings, acting upon the same principle, but having the advantage of more local application. *As an effectual means for Strengthening the system when debilitated by disease or other causes, as a certain aid in constitutional weakness; as a preventive for colds, and in all affections of the chest generally,* the GALVANIC STRENGTHENING PLASTER will be found of great and permanent advantage.

☞ Numerous certificates and testimonials from many distinguished physicians and others of the North have been received by the Proprietor. These are all from persons of the highest respectability and may be seen on application to the Agent.

The public are respectfully warned against SPURIOUS IMITATIONS of these articles. Dr. CHRISTIE has but ONE authorized Agent in each city of the Union, GUION & Co., corner of St. Charles and Canal streets, are the sole Agents for New Orleans, of whom alone the genuine articles can be obtained. f22—1m
