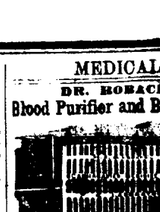
MEDICAL.

DR. ROBACK'S Blood Purifier and Blood Pills.



DISEASE VANQUISHED

By Dr. Roback's Scandinavian Remedies.

AFTER YEARS OF STUDY AND EXPERIMENT, Dr. Roback, the eminent Swedish Physician, succeeded in producing a medicine from the Scandinavian herbs of his native land, which acts directly on the cause of disease in the blood, and by removing the corrupted fermentation of life to a condition of health and purity, expels disease from the system, wherever it may be located, or whatever may be its character. Indigestion, nervous complaints, epileptic and other fits, coughs, consumption in its early stages, sore throat, bronchitis, fever and ague, asthma, low spirits, mental incapacity, feminine weakness, pricking of the skin, symptomatic of paralysis rheumatism, neuralgia, tumor, cancer, diabetes, lassitude and debility, diarrhoea, and all disorders of the organs of respiration, the liver, the kidneys, the stomach, the nerves, or the muscular fibre, are unerringly cured by the preparation. It is to the nervous system, or seat of disease, what an alkali is to an acid; it neutralizes them with ABSOLUTE CERTAINTY, while, at the same time, it regulates the secretions, removes obstructions from the bowels, creates appetite, renews bodily vigor, and generates a healthy animal function. Such is the nature, such are the effects of Dr. Roback's famous Scandinavian Blood Purifier, which, if taken in conjunction with his Blood Pills, will not only obliterate the most painful disease, but prevent their recurrence, and lengthen life beyond the ordinary span.

Read the following certificate of a cure of Rheumatism of seven years' standing, of a lady of 72 years, which confirms success as proof of Holy Writ, the evidence which follows, and sweet Dewyer banish all doubts respecting the virtue of Dr. Roback's Scandinavian Blood Purifier and Blood Pills.

CLARKSVILLE, Ohio, Sept. 9th, 1856.

Dr. C. W. ROBACK—Dear Sir:—I feel it my duty to acknowledge publicly the wonderful cure made in the case of my wife, who has been afflicted with her Rheumatism in one of her knees for seven or eight years. We tried all kinds of medicine, but to little or no effect. At last it struck all through her system, so that she could not rest day or night; her pain was so severe at times that she had hard work to breathe; it has became entirely helpless, so that we had to dress and feed her like a child. We had one of our best physicians, who thought it of no use to make a bill when there was no hope. In now was my earnest prayer that God in his wisdom would direct to some means that would restore her to health again. When it appeared, like as act of Providence in answer to my prayer, that a man, passing by, handed me one of your medical almanacs; and, on reading the wonderful cures made by your Scandinavian Blood Purifier and Blood Pills, I thought it must be the medicine that would cure my wife. So I went to Mr. Thacker, our superintendent, and bearer of this, and got a bottle of Blood Purifier and one box of Pills; and, to our great joy, before she had taken it all, she was able to get up, and is now able to attend to her little affairs about the house, for which I feel thankful to God. She is now 72 years old, and has the blood of health on her cheek. All this I write of your medicine. May God grant you long life and success. Yours truly, JEREMIAH SOWAN.

Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach.

DISEASES

as Consumption, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Fluttering at the Heart, Choking or suffocating sensations when lying or walking, Dimness of Vision, Dots or webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and great Depression of Spirits.

The proprietor, in calling the attention of the public to this preparation, does so with a feeling of the most confidence in its virtues and a reputation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years trial before the American people, and its reputation and sale is unrivalled by any similar preparation extant. The testimony it takes, given by the most prominent and well known Physicians and public men, is a great claim to the confidence and public favor. A careful perusal of the Almanac published annually by the proprietor, and to be had gratis of any of his agents, cannot but satisfy the most sceptical that this remedy is really deserving the great celebrity it has obtained.

A NEW DISCOVERY!!!

THE GREATEST AND MOST WONDERFUL IN THE WORLD!!!

SARSAPARILLA LOZENGES,

SIMPLE and Compound, prepared by N. HERED, Druggist and Physician, superior to all empirical syrups and extracts so named, and to all specialities hereafore known.

I have for a long time and thoroughly investigated the idea of a general therapeutic agent adaptable to be being applied to all diseases, the development or morbid principle of which proceeds from an internal cause, either in the blood or in some of the organs.

A careful and uninterrupted analysis of the animal, vegetable and mineral kingdoms had indeed the hope that I could bring about such a result, and, thanks to my indefatigable researches, it is now obtained.

I have found in some vegetables the necessary means for this grand idea, which is based upon an analogous principle of Sarsaparilla partly known to the public. Here is the secret: WHEN I HAS THE MAN THE MEDICINE OF MEDICINES. The form of Lozenges has been given to it, because its nature precluded the possibility of being otherwise, and I have divided it into simple and compound Lozenges, in order that every one might be given to children as well as adults.

My first experiments were made privately, and remained unknown, until wonderful results had satisfied me that I had succeeded, and that the charge of quackery could not be brought against me.

The attention of physicians and of the public is called to these Lozenges in the hope that every one may witness the admirable result of the same.

General effects testified to by upwards of a thousand persons: The stomach is cleansed, the blood is purified and renovated by removing all impurities from the precious organs and their

SPECIAL EFFECTS:

1. Prompt and radical cure of all diseases generally.

2. Persons who have used these Lozenges have never had the cholera nor the yellow fever.

3. Venereal, syphilitic, herpetic, scorbutical, gouty, rheumatic, and nervous and bilious diseases are completely cured, a few days after the remedy is resorted to.

4. All diseases of the lungs, head, eyes, stomach, bowels, and other internal and external inflammations, disappear entirely, provided the Lozenges are resorted to.

For sale by the box, with a prospectus showing how they must be used.

MAGNETISM.

M'ME ALLUARD,

FRENCH SOMNAMBULIST,

No. 331, Bourbon Street, Between Ursulines and Hospital.

TREATMENT of all kinds of chronic diseases which ordinary remedies have failed to cure, and especially of desperate cases of nervous affections.

M'me Alluard, for many years under the direction of Dr. Pouparel, in France, may be consulted at her residence and calls on patients at home, if her services are required.

The direct application of magnetism by Mr. Alluard, assisted by Mme Alluard, has been followed by numerous cures; the fact is unquestionable. Out of a thousand cases of nervous disease, eight hundred at least are almost instantly cured by this extraordinary somnambulist; sufferers should hasten therefore to avail themselves of M'me Alluard's services.

The New Orleans Press have often recorded the radiancies of cases of seventeen years' standing. The "Louisiana Courier," the "Daily Crescent," the "Delta," the "True Delta," "National" and "Bee," published in 1845 and 1846, testify to the well known and highly respectable persons, whose testimony cannot be doubted, tendering their heartfelt thanks to M'me Alluard, and fully acknowledging her extraordinary success.

The same papers also spoke very highly of the surprising magnetic experiments by M'me Alluard, under the direction of her husband. See the Courier of December 17th, 1845, the Bee of November 6th, 1844, and the Crescent of May 29th, 1855.

It is to be regretted that all the cures effected by M'me Alluard cannot have been published, but the testimony of certain diseases renders this course necessary. The fact, however, is now established beyond that patients can be permanently cured by M'me Alluard.

A somnambulist offering such guarantees as these, and who has constantly been successful, should be entitled to the confidence of those whom ordinary remedies have failed in cure. Those remedies are powerless in cases of nervous disease, which are cured by magnetism, as are also in cases of epilepsy, hysteria, fever and ague, bilious and brain fevers, typhoid and malignant fevers, yellow fever, head aches, heartburn, cramp in the stomach, gastritis, gastralgy, palpitation of the heart, fainting, liver complaint, spleen, jaundice, colics, diarrhoea, costiveness, hemorrhoids, hemorrhages, spitting of blood, giddiness, falling of the womb, suppression of the menses, tumors in the breast, consumption, pulmonary catarrhs, asthma, hoarseness, coughs, [illegible], hemiplegia, deafness, ophthalmy, inflammation of the eyes, dislocations, sprains, impotence and other worms, &c.

The above diseases are daily cured with the greatest ease by M'me Alluard, and the public is informed that she is the ONLY SOMNAMBULIST who can see, notwithstanding the complete exclusion of light.

Persons desirous of witnessing this phenomenon are invited to call at the residence of M'me A., and agree on the time for magnetic experiments. No one will be deceived.

☞ Admittance, 50 cents.

☞ M'me Alluard may be consulted daily.
